The Ideological Weapons Of Death A Theological Critique Of Capitalism:

The Ideological Weapons of Death Franz J. Hinkelammert, 1986 *The Ideological Weapons of Death* Franz Josef Hinkelammert, 1986 **A Theology of the Drug War** William A. Walker III, 2019-12-05 This book is a political and theological reflection on the violence and injustice that has taken place in Mexico and Central America since 2006 as a result of the drug war In order to understand and respond to this conflict in the age of globalization William A Walker III combines the work of philosopher Enrique Dussel and theologian Hans Urs von Balthasar to develop a theology of the drug war that transcends both a Eurocentric conception of the world and a merely political account of salvation Walker also highlights examples of Christian and church based approaches to practicing neighborliness and resistance to drug trade related violence challenging both Christians and non Christians to participate in the creation of a more just and merciful society

Making Hope Van Horn, O'neil, 2025-11-26 *The Right to Water* Farhana Sultana, Alex Loftus, 2013-10-18 The right to clean water has been adopted by the United Nations as a basic human right Yet how such universal calls for a right to water are understood negotiated experienced and struggled over remain key challenges *The Right to Water* elucidates how universal calls for rights articulate with local historical geographical contexts governance politics and social struggles thereby highlighting the challenges and the possibilities that exist Bringing together a unique range of academics policy makers and activists the book analyzes how struggles for the right to water have attempted to translate moral arguments over access to safe water into workable claims This book is an intervention at a crucial moment into the shape and future direction of struggles for the right to water in a range of political geographic and socio economics contexts seeking to be pro active in defining what this struggle could mean and how it might be taken forward in a far broader transformative politics *The Right to Water* engages with a range of approaches that focus on philosophical legal and governance perspectives before seeking to apply these more abstract arguments to an array of concrete struggles and case studies In so doing the book builds on empirical examples from Africa Asia Oceania Latin America the Middle East North America and the European Union *Hispanic American Religious Cultures* Miguel A. De La Torre, 2009-09-10 This encyclopedia is the first comprehensive survey of Hispanic American religiosity contextualizing the roles of Latino and Latina Americans within U S religious culture Spanning two volumes *Hispanic American Religious Cultures* encompasses the full diversity of faiths and spiritual beliefs practiced among Hispanic Americans It is the first comprehensive work to provide historic contexts for the many religious identities expressed among Hispanic Americans The entries of this encyclopedia cover a range of spiritual affiliations including Christian religious expressions world faiths and indigenous practices Coverage includes historical development current practices and key individuals while additional essays look at issues across various traditions By examining the distinctive Hispanic interpretations of religious traditions *Hispanic American Religious Cultures* explores the history of Latino and Latina Americans and the impact of living in the United States on their culture *The Spirit of God*

Transforming Life P. Chung, 2009-11-09 By re examining the central themes of Reformation theology Chung clearly and carefully describes the fundamental shape of Reformation thinking and introduces the reader to what was and is at stake in the Reformation's insistence on the centrality of the Gospel **Reflecting Black** Michael Eric Dyson, 1993-01-01

Church and Ethical Responsibility in the Midst of World Economy Paul S Chung, 2014-06-26 Magisterial in scope and scrupulous in its investigation and attribution of sources *Church and Ethical Responsibility in the Midst of World Economy* will take its place as an important document that contributes much in terms of prophetic praxis it challenges those who are comfortably complacent and unwilling to be disturbed Routledge International Handbook of Cosmopolitanism Studies Gerard Delanty, 2018-07-27 Cosmopolitanism is about the extension of the moral and political horizons of people societies organizations and institutions Over the past 25 years there has been considerable interest in cosmopolitan thought across the human social sciences The second edition of the *Routledge International Handbook of Cosmopolitanism Studies* is an enlarged revised and updated version of the first edition It consists of 50 chapters across a broader range of topics in the social and human sciences Eighteen entirely new chapters cover topics that have become increasingly prominent in cosmopolitan scholarship in recent years such as sexualities public space the Kantian legacy the commons internet generations care and heritage This Second Edition aims to showcase some of the most innovative and promising developments in recent writing in the human and social sciences on cosmopolitanism Both comprehensive and innovative in the topics covered the *Routledge International Handbook of Cosmopolitanism Studies* is divided into four sections Cosmopolitan theory and history with a focus on the classical and contemporary approaches The cultural dimensions of cosmopolitanism The politics of cosmopolitanism World varieties of cosmopolitanism There is a strong emphasis in interdisciplinarity with chapters covering contributions in philosophy history sociology anthropology media studies international relations The Handbook's clear and comprehensive style will appeal to a wide undergraduate and postgraduate audience across the social and human sciences
