The Insurrectionists:

The Insurrectionists William J. Fishman,1970 **Guns, Democracy, and the Insurrectionist Idea** Joshua Horwitz, Casey Anderson,2018-05-09 Does the gun lobby threaten the democratic institutions safeguarding individual liberty in America **The Insurrectionist** Herb Karl,2017-02-01 The Insurrectionist is a captivating historical novel that follows the militant abolitionist John Brown from his involvement in Bleeding Kansas to the invasion of Harpers Ferry and the dramatic conclusion of his subsequent trial Herb Karl carefully blends historical detail with dramatic personal descriptions to reveal critical episodes in Brown s life illuminating his character and the motives that led up to the Harpers Ferry invasion giving readers a complete picture of the man who has too often been dismissed as hopelessly fanatical Brown s friendship with Frederick Douglass and their ongoing debate on how to end slavery his devoted family who stand by him despite the danger and his struggles to secure funding and political favor for his cause against deeply entrenched politicians all make for a surprisingly contemporary story of family passion race and politics The Mass Deportation of Poles to Siberia, 1863-1880 Andrew A. Gentes,2017-10-20 This book concerns the mass deportation of Poles and others to Siberia following the failed 1863 Polish Insurrection The imperial Russian government fell back upon using exile to punish the insurrectionists and to cleanse Russia s Western Provinces of ethnic Poles It convoyed some 20 000 inhabitants of the Kingdom of Poland and the Western Provinces across the Urals to locations as far away as Yakutsk and assigned them to penal labor or forced settlement Yet the government s lack of infrastructure and planning doomed this operation from the start and the exiles found ways to resist their subjugation Based upon archival documents from Siberia and the former Western Provinces this book offers an unparalleled exploration of the mass deportation Combining social history with an analysis of statecraft it is a unique contribution to scholarship on the history of Poland and the Russian Empire Trumpism, Bigotry, and the Threat to American Democracy Larry N. Gerston,2023-12-11 In Trumpism Bigotry and the Threat to American Democracy Larry N Gerston examines the near lethal combination of American bigotry and the ability of Donald Trump to take advantage of this scourge to satisfy his own political objective The result is an individual who won election to the American presidency by adroitly pitting members of American society against one another while presenting himself as the only person in the position to save America from itself Having succeeded to the nation s most important political office Trump proceeded to use the position for his own benefit irrespective of laws norms and most importantly the Constitution So powerful was Trump that he and his minions came close to overturning the 2020 presidential election with the January 6 2021 insurrection against the nation s Capitol While Trump failed in his attempt to remain in office the threat to the well being of the United States remains real The American State Reports Abraham Clark Freeman,1908 *Biennial Report* Colorado.
