Did Jesus Say, "Salvation is of the Jews"? Donald Werner, 2018-09-02 This book is for Jews and Christians Jesus said Salvation is of the Jews John 4 22 and in Revelation 14 12 Jesus tells us that we must keep the commandments of God have the faith of Jesus The Jewish Jesus told us to keep his teachings and he said unless we do we will never see eternal life I will compare the Jewish faith and the Christian faith to see which one best complies with Jesus teachings It will then be evident to you that most Christians are not saved according to Jesus criteria but Biblical Jews are I know that s a bold statement But Jesus said if we don t keep his teachings we are not saved I always thought that salvation was of the Christian faith but Jesus said Salvation is of the Jews now I know what he meant and Christians had better take note before Judgment Day Also read about evangelism Jesus style Jesus parables saving grace Mark of the Beast Seal of God synagogue of Satan why the church today is Laodicea and much more

Crüseman, 2018-12-13 Marlene Crüseman examines the Thessalonian letters in the context of Jewish Christian social history building upon her analysis of 1 Thessalonians Crüseman comes to the conclusion that it is post apostolic epistolary communication and questions whether it is a letter of Paul and indeed whether it is an early letter This analysis in turn adds weight to the thesis propounded by some previous scholars that the letter is somewhat out of place and may be a later work by another author Crüseman subsequently illustrates that 2 Thessalonians by contrast revokes the far reaching social separation from Judaism that characterizes 1 Thessalonians and thus aims socio historically at a solidarity with the entire Jewish people Analysing the concept of the Jews as supposed enemy the future of the Greek gentile community and the relationship between the two letters Crüseman concludes that the discussion about a divergence of the ways of Christians and Jews in early Christian times needs to be realigned

A Story of Faith, Hope and Love William Dewberry, 2016-03-01 Gods existence is conspicuous as a result of His creation and the history in the Bible of the blessings and punishment received by His people from the time of the Garden of Eden to the crucifixion of Jesus Christ to provide redemption Therefore the most important thing in life is faith in God which leads to hope love and obedience in Gods Word the Bible Christians understand God by his creation and His willingness to sustain human life God clearly reveals himself and His creation in the inspired account of the Bible God welcomes people to establish a relationship of faith in Him in order to avoid the consequences of sin The authenticity of the Bible was established many years ago and the people of every generation since its completion believe it is a divinely inspired book Apocalypticism in the Bible and Its World Frederick J.

Murphy,2012-08-01 2013 Biblical Archaeology Society BAS Award for Best Book Relating to the New Testament Frank Moore Cross Award American Schools of Oriental Research 2013 Apocalypticism is not a peripheral topic in biblical studies It represents the central characteristic transformation of Hebrew thought in the period of the Second Temple It therefore constituted the worldview of Jesus Paul and the earliest Christians and it is the context in which the New Testament books were written In this volume Frederick Murphy defines apocalypticism while discussing its origins where it comes into play in the Hebrew Bible and how it relates to Jesus and the New Testament The Politics to Come Arthur Bradley,Paul

Fletcher,2010-02-18 The Politics to Come brings together an international collection of thinkers to consider the meaning of liberal democratic modernity at a moment when its future has never been less certain It examines the explosive threats the liberal order confronts today financial meltdown religious extremism environmental catastrophe Yet it also seeks to place these singularly modern crises within a much longer history For the contributors to this collection it is the ancient religious tradition called the messianic that provides the critical lens through which modernity may be interrogated In its ongoing struggles with the messianic liberal modernity confronts the promise and threat of a radically new Politics to Come So what are the Politics to Come How do they manifest themselves throughout history Why does the possibility of a messianic judgement continue to haunt the western political imaginary This collection offers a series of political philosophical and theological perspectives from which the future of liberal modernity if it has one can be imagined The Letters to the Thessalonians Gene L. The Beast and Babylon J.B. Whitelaw-Stevens,2017-07-06 The Beast and Babylon answers some age old questions about the two symbolic entities featured in the book of Revelation These symbols have historically been typified as a revived Roman Empire and its God opposing religious counterparts that rise up in Europe prior to the Second Coming of Jesus Christ In contrast this informative and timely study reveals that the latter day beast power rises out of not one but out of three defunct previous empires in the Middle East known via Daniels metaphors as the lion bear and leopard kingdoms It appears

from Daniel 7 1112 that long after the last manifestation of the Roman Empire is destroyed these three dormant empires are revived for a season and a time During their rejuvenation they reappear in Revelation 13 and 17 in the form of a tripartite seven headed political religious beast power that emerges from the topographies of the ancient Grecian leopard Persian bear and Babylonian lion kingdoms Furthermore these combined territories encompass ten sovereign Islamic horn nations that were revealed after the Ottoman Empire was abolished ninety five years ago Today many of these Islamic nations contain embedded terrorist groups whose fanatical Jihadist leaders are determined to resurrect a radical pan Islamic Caliphate by which to establish Sharia law throughout the World To achieve these objectives the latter day nascent imperial beast power in conjunction with ten like minded insurgent leaders must initiate a global Jihad to incite war on the people of God and conspire to destroy a religious city called Mystery Babylon the Great
