Defining the Caymanian Identity analyzes the factions and schisms surging throughout the multicultural multi ethnic and polarized Cayman Islands to identify who or what is considered a Caymanian In the modern world where Caymanian traditions have all but been eclipsed or forgotten often due to incoming overpowering cultural sensibilities it is a challenge to know where traditional Caymanian culture begins and modern Caymanian culture ends With this idea in mind Christopher A Williams investigates the pervasive effects of globalization multiculturalism economics and xenophobia on an authentic if dying indigenous Caymanian culture This book introduces and expounds the provocative solution that the continued prosperity of the Cayman Islands and their so called indigenous people may well depend on a synergistic moral link between Caymanianness and foreignness between Caymanianness and modernity

**Euro-Caribbean Societies in the 21st Century** Sébastien Chauvin,Peter Clegg,Bruno Cousin,2018-05-16 This edited collection examines the realities of the last remnants of the European colonial empires in the Caribbean namely the British Dutch and French overseas territories Although known and perhaps infamous for their role as high end tourist destinations and financial centres these small jurisdictions are complex and multifaceted places While this volume considers their role as financial centres it does so from alternative and original perspectives by examining how the sector shapes the internal dynamics of these Caribbean societies and how it is itself shaped by global trends A range of

contributions is included that highlight other key issues Political relations between the territories and their metropolitan centres and with the European Union are the focus of several chapters highlighting the stresses and strains and in many cases the unfulfilled expectations of devolved governance Further chapters describe the economic instability and factors of political conflict faced by some of these societies and the available options to address them Finally several chapters reflect more specifically on the territories internal social and ethnic dynamics and the hierarchies and inequalities that result Bringing together a variety of different disciplinary perspectives from political science to sociology and from anthropology to geography this book will be of great interest to any academic or student who wishes to see how an often overlooked part of the world is actually a key site of socio economic transformation and a crucial nexus in global affairs

**Between a Past and Present Consciousness** Christopher A. Williams, 2019-07-08 In an age of rampant xenophobia and the nativist imperative to undo globalization for a return to a bygone purer age can patently modern identities indefinitely sustain their messages of inclusion and equality This volume serves to answer this and other pressing existential questions by tracing the development of the Caymanian people from the colonial era into our modern globalized multicultural age The emergence of Caymanian nationalism is extensively analyzed and confirmed as a phenomenon that was

preceded by fragmented Caymanian identities informed by issues of race and class Despite this the native Caymanian people were able to successfully jettison their race thinking and in so doing began to see themselves as members of a singular nationality This notion of national and cultural solidarity as this book details has become a vexing issue and is now being duly tested given the astonishing numbers of immigrants in Cayman many of whom are keen to become Caymanians themselves

Britain's Black Regiments Barry Renfrew,2020-09-01 In three global conflicts and countless colonial campaigns tens of thousands of black West Indian soldiers fought and died for Britain first as slaves and then as volunteers These all but forgotten regiments were unique because they were part of the British Army rather than colonial formations All were stepchild units despised by an army that was loath to number black soldiers in its ranks and yet unable to do without them their courage endurance and loyalty were repaid with bigotry and abuse In Britain's Black Regiments Barry Renfrew shines a light on the experiences of these overlooked soldiers who had travelled thousands of miles to serve the empire but were denied recognition in their lifetimes From British campaigns in the Caribbean to the Second World War this is a saga of war bondage hardship mutiny forlorn outposts and remarkable fortitude Corunna 1809 Brian L. Kieran,2011 Dr Brian Kieran has shed more light on Sir John Moore and his heroic retreat during 1808 1809 through the Galicia Mountains in the middle of Winter to Corunna in Spain The tragic events of the retreat are graphically described leading to the sombre death of Sir John Moore at the moment of Victory The one British Army of the time escaped through their evacuation from Corunna from Napoleon and ultimately his Marshals Moore's skilful campaign caused Napoleon to return to Paris as he could not bear the thought of being defeated or outrun by the More's military skill Moore's death occurred at the height of the battle at Corunna and he was aware of the victory before he died a painful death More's death gave rise to the composition of a number of poems yet the most famous was written by an Irishman in England it became a children's Memorial to a Great Man But he lay like a warrior taking his rest With his martial cloak around him Moore could have been given no greater honour at that time when Soult ordered the firing of a salute of Cannon *The New Zealand Cross* Dr. Brian L Kieran,2016-03-15 The New Zealand Cross There has been no comprehensive history of the award published in one place Dr Kieran explores the development of the creation and inauguration of the award a listing of all the recipients and an outline of the New Zealand Wars from 1860 to 1872 The Victoria Cross and other decorations were being awarded to Imperial troops but the settlers in the Volunteers and Militia were not being recognised for carrying out similar acts of bravery The recognition of acts worthy of the NZC were anticipated to become well known however the awards spanned a period to 1910 and thus the impact of the bravery leading to an award of the NZC was not achieved Personalities like King Tawhiao Sir George Bowen Sir George Grey Lt General Cameron Te Kooti Titokowaru and Major General Whitmore were involved in the conflict A major issue leading to battles arose due to land confiscation by the settlers The battles were mainly restricted to the North Island Taranaki and Wanganui on the West Coast Waikato in the Central area and on the East Coast at Gisborne Napier Tauranga and the
