# The Leader A Political Biography Of Gough Whitman

**Charles B. Strozier, Daniel Offer**

## **The Leader A Political Biography Of Gough Whitman:**

Pivot of Power Paul Strangio, Paul 't Hart, James Walter, 2017-08-28 The prime ministership remains the main prize in Australian politics but it is a precarious one Leadership turnover in recent years has seen more prime ministers rise and fall than at any time since the decade after federation What explains this volatility The Pivot of Power is the second volume in a unique blend of collective biography and institutional history that shows the skills limitations and passions of incumbents are only part of the story The ways in which prime ministers thrive and fail are influenced by the resources at their command the evolving nature of the parties they lead the daunting public expectations they face under a relentless media gaze and the challenges that history throws at them Recent changes in these areas have had a destabilising effect and made the role of prime minister more onerous than ever After decades of strong national leadership the office has rarely seemed quite so confounding as it does for its contemporary holders The Pivot of Power explains how this has come about And its rich account of prime ministerial fortune since the mid twentieth century yields historical lessons for overcoming the current malaise

**The Leader: Psychohistorical Essays** Charles B. Strozier, Daniel Offer, 2013-11-11 PETER GAY The syllabus of errors rehearsing the offenses of psychohistory looks devastating and seems irrefutable crimes against the English language crimes against scientific procedures crimes against common sense itself These objects are real enough but their contours and their gravity mysteriously change with the perspective of the critic From the outside psychohistorians are to academic history what psychoanalysts are to academic psychology a monolithic band of fanatics making the same errors committing the same offenses all in the same way But seen close up psychohistorians just like psychoanalysts turn out to be a highly differentiated even a cheerful contentious lot Disciples of Hartmann jostle discoverers of Kohut imperialists claiming the whole domain of the past debate with modest isolationists orthodox Freudians who insist that psychoanalysis engrosses the arsenal of psychohistorical method find themselves beleaguered by sociological revisionists The charges that confound some psychohistorians glance off the armor of others Yet there are three potent objections aimed at the heart of psychohistory however it is conceived that the psychohistorian ignores at his peril It would be a convenient but it is a wholly unacceptable defense to dismiss them as forms of resistance The days are gone when the advocates of psychoanalysis could checkmate reasoned criticisms by psychoanalyzing the critic To summarize these objections psychohistory is Utopian vulgar ix x FOREWORD and trivial

**Wit of Whitlam** James Carleton, 2014-12-03 His wife Margaret was his best appointment he called Malcolm Fraser Kerr's cur after the Dismissal and when Sir Winton Turnbull called out in parliament I am a country member Gough interjected I remember When it was suggested he was funny Gough responded Funny Funny Witty yes Epigrammatic perhaps but not funny You make me sound like a clown James Carleton Radio National presenter and founder of the university club The Dewy Eyed Whitlamites presents a keepsake of Goughisms that vindicates the Great Man's self assessment I never said I was immortal merely eternal *Everyday Revolutions* Michelle Arrow, Angela

Woollacott,2019-08-30 The 1970s was a decade when matters previously considered private and personal became public and political These shifts not only transformed Australian politics they engendered far reaching cultural and social changes Feminists challenged man made norms and sought to recover lost histories of female achievement and cultural endeavour They made films picked up spanners and established printing presses The notion that the personal was political began to transform long held ideas about masculinity and femininity both in public and private life In the spaces between official discourses and everyday experience many sought to revolutionise the lives of Australian men and women Everyday Revolutions brings together new research on the cultural and social impact of the feminist and sexual revolutions of the 1970s in Australia Gay Liberation and Women s Liberation movements erupted challenging almost every aspect of Australian life The pill became widely available and sexuality was both celebrated and flaunted Campaigns to decriminalise abortion and homosexuality emerged across the country Activists set up women s refuges rape crisis centres and counselling services Governments responded to new demands for representation and rights appointing women s advisors and funding new services Everyday Revolutions is unique in its focus not on the activist or legislative achievements of the women s and gay and lesbian movements but on their cultural and social dimensions It is a diverse and rich collection of essays that reminds us that women s and gay liberation were revolutionary movements

How Power Changes Hands J. Uhr,2011-01-27 How can we strengthen the capacity of governments and parties to manage arrivals and departures at the top Democracy requires reliable processes for the transfer of power from one generation of leaders to the next This book introduces new analytical frameworks and presents the latest empirical evidence from comparative political research

**The Australian Study of Politics** R. Rhodes,2009-11-11 The Australian Study of Politics provides the first comprehensive reference book on the history of the study of politics in Australia whether described as political studies or political science It focuses on Australia and on developments since WWII also exploring the historical roots of each major subfield

*Cold War* Spencer C. Tucker,Priscilla Roberts,2007-09-10 The most comprehensive and up to date student reference on the Cold War offering expert coverage of all aspects of the conflict in a richly designed format fully illustrated to give students a vivid sense of life in all countries affected by the war ABC CLIO is proud to announce the latest addition to its widely acclaimed legacy of historical reference works for students Under the direction of internationally known expert Spencer Tucker Cold War A Student Encyclopedia captures the vast scope day to day drama and lasting impact of the Cold War more clearly and powerfully than any other student resource ever published Ranging from the end of the Second World War to the collapse of the Soviet Union Cold War A Student Encyclopedia offers vivid portrayals of leading individuals significant battles economic developments societal cultural events changes in military technology and major treaties and diplomatic agreements The nearly 1 100 entries plus topical essays and a documents volume draw heavily on recently opened Russian Eastern European and Chinese archives Enhanced by a rich program of maps and images it is a comprehensive current and accessible student

reference on the dominant geopolitical phenomenon of the late 20th century      *Personality and Politics* Fred I. Greenstein, 2014-07-14 Fred Greenstein an acknowledged authority in this field lays out conceptual and methodological standards for carrying out personality and politics inquiries ranging from psychological case studies of single actors through multi case analyses of types of political actors to aggregative analyses of the impact of individuals and types of individuals on political systems and processes Originally published in 1987 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905      *Keeper Of The Faith* Paul Strangio, 2013-06-14 Jim Cairns is a familiar sight around the markets of Melbourne seated at a table stacked with copies of his latest book It seems an unlikely occupation for a man who was once the driving force and major thinker in the Labor Party Left a man who reached the positions of Deputy Prime Minister and Treasurer in Australia s most reformist government under Gough Whitlam Cairns post 1975 trajectory bewildered many of his one time followers not least the significant section of the baby boomer generation who rallied behind him during the Moratoriums against the Vietnam War To some he is a tragic fallen hero to others a relic of an earlier age of idealism But Cairns was never a conventional politician In this mature and sophisticated biography Paul Strangio draws a compelling picture of the inner man revealing a consistent thread running through the apparent contradictions of Cairns public career He explains how a policeman turned into a counter culture guru how an opponent of capitalism became Treasurer of Australia how a devoted husband could feel a kind of love for Junie Morosi Both highly readable and carefully researched *Keeper of the Faith* reassesses the part Cairns played in shaping Australian public life In tracing his ideological and political rivalry with Whitlam it challenges the popular nostalgia that surrounds his former leader Strangio argues that Cairns contribution to public life especially as a voice of dissent against the established order has been seriously underestimated Drawing on a rich range of archival and oral sources and recounting many fascinating anecdotes this is a masterly portrait of one of those rare people who never waver in their search for truth

*The Leader* James Walter, 1980 From false stories about weapons of mass destruction in Iraq to growing competition from online and twenty four hour cable news the first decade of the twenty first century was not particularly kind to the New York Times In this groundbreaking study of the recent life and times of America s most important newspaper Daniel R Schwarz describes the transformation of the Times as it has confronted not only its various scandals and embarrassments but also the rapid rise of the internet and blogosphere the ensuing decline in circulation and print advertising and the change in what contemporary readers want and how they want to get it Drawing on more than forty one on one interviews with past and present editors including every living executive editor senior figures on the business and financial side and publisher Arthur

Sulzberger Jr Schwarz discusses virtually every aspect of the contemporary Times from columnists to cultural coverage He explains how in response to continuous online updating and twenty four hour all news radio and television the Times has become much more like a daily magazine than a traditional newspaper with increased analysis as opposed to reporting of the news as well as value added features on health travel investing and food After carefully tracing the rise of the Times s website Schwarz asks whether the Times can survive as a print newspaper whether it can find a business model to support its vast print and online newsgathering operation and whether the Sulzberger family can survive as controlling owners He also asks whether the Times in its desperate effort to survive has abandoned its quality standards by publishing what he calls Timeslite and Timestrash Writing as a skeptical outsider and devoted lifelong reader Schwarz concludes that the Times is the worst newspaper in the world except for all the others Endtimes is a must read for Times readers as well as anyone interested in the radical change in print and broadcast media in the rapidly evolving Internet Age

The Oxford Handbook of Australian Politics Jenny M. Lewis, Anne Tiernan, 2021 This Handbook provides a comprehensive examination of Australia s distinctive politics both ancient and modern across multidisciplinary subjects It examines the factors that make Australian politics unique and interesting while firmly placing these in the context of the nation s Indigenous and imported heritage and global engagement

**Journalism and Politics in Indonesia** David T. Hill, 2010-01-21 This book weaves a history of the Indonesian press and of Indonesia s post independence history through the life story of Mochtar Lubis one of Indonesia s best known newspaper editors authors and cultural figures with a national regional and international prominence he retained from the early 1950s until his death in 2004

The History of Australia Frank G. Clarke, 2002-04-30 Australian history has been written for over two centuries beginning with European explorers and colonists attempting to convey something of the complexity of the strange upside down world they encountered in the southern hemisphere Of course aboriginal peoples had lived in Australia for millennia before the arrival of the whites Modern Australia has its foundations in these two cultural strands Intertwined with these are the impact of colonialism and federation indentured servitude and convict transportation the effects of El Ni o on European style farming techniques gold rushes and longstanding issues of ethnicity immigration and religious tolerance Covering these topics and more this most recent and up to date narrative history of Australia includes a timeline of major events a biographic sketches of noteworthy historical figures and a bibliographic essay Noted historian of Australia Francis Clarke provides a complete comprehensive and contemporary account of the political economic and cultural forces of each period of Australian history and gives readers a clear understanding of the many factors that have shaped the country Written for a general audience The History of Australia is the perfect introduction to Land Down Under

**Understanding Prime-Ministerial Performance** Paul Strangio, Paul t Hart, James Walter, 2013-03-28 Prime ministers stand at the apex of government and loom large in the consciousness of the nations they lead This book examines how prime ministers operate and how their performance as public leaders can be understood and evaluated

*Man of the Century* John

Ramsden,2002 *Man of the Century* is the often surprising story of how Winston Churchill in the last years of his life carefully crafted his reputation for posterity revealing him to be perhaps the twentieth century's first and most gifted spin doctor Ramsden draws on fresh material and extensive research on three continents to argue that the statesman's force of personality and romantic imperial notion of Britain has contributed directly to many of the political debates of the last decades including American involvement in Vietnam and the role of the Anglo American alliance in promoting and protecting a certain vision of world order

*Harvest Of Fear* John Murphy,2019-03-13 How did fears of the Cold War shape Australian images of Asia What was the nature of the Vietnamese revolution which some 50 000 Australian troops failed to reverse in the 1960s How did a small and marginal peace movement grow into the powerful Moratorium and did it have any impact on the course of the War *Harvest of Fear* is a beautifully crafted

*Making a City in the Country* Bruce Pennay,2005 A case study of what began as one of the Whitlam Government's boldest ventures to make a new city in the country so as to relieve the pressure on capital cities This book explains what was involved in that venture what went right and what went wrong It relates a specific case study to shifts in the wider political and economic context It is fresh in perspective in that it views the growth center strategy from an actual site rather than from government offices

*Johannes Bjelke-Petersen* Rae Wear,2002 A saviour to some reviled by others Johannes Bjelke Petersen became the butt of jokes and even assassination attempts His influence spread well beyond Queensland and in the mid 1970s he put an unknown french polisher into the Senate to help rub out the Whitlam government Young Joh had been a loner who worked hard to overcome crippling childhood polio and the poverty of life on his family's farm Enduring a long apprenticeship as an opposition backbencher he finally made it to the top bringing to his old style autocratic rule a more media savvy appeal to the electorate As this long awaited biography reveals Joh was as cunning as he was ruthless throughout his forty year political career Rae Wear analyses in detail his political psyche his unique leadership style and the reasons for his electoral support taking into account his Danish immigrant background and lifelong Christian piety Essential reading for anyone interested in Australian politics this biographical study explains in depth for the first time Bjelke Petersen's unlikely elevation to the premiership and his ultimate disgrace amid revelations of widespread corruption

**A Dictionary of Political Biography** Christopher Riches,Dennis Kavanagh,2013-09-19 Originally compiled by an expert team of contributors this dictionary covers all the major figures in world politics of the twentieth century Authoritative and wide ranging it describes and assesses the lives of more than 1 100 men and women who have shaped political events across the world Each entry includes an account of the background career and achievements of the individual concerned balancing fact with critical appraisal This second edition commissioned especially for Oxford Reference contains over 25 new entries and the whole text has been thoroughly revised and updated

Opposition Vanishing Ashley Lavelle,2017-09-02 This book questions the common understanding of party political behaviour explaining some of the sharp differences in political behaviour through a focused case study drawing

systematically on primary and archival research of the Australian Labor Party's political and policy directions during select periods in which it was out of office at the federal level from 1967-72, 1975-83 and 1996-2001. Why is it that some Oppositions contest elections with an extensive array of detailed policies many of which contrast with the approach of the government at the time while others can be widely criticised as policy lazy and opportunistic seemingly capitulating to the government of the day? Why do some Oppositions lurch to the right while others veer leftward? Each of these periods was in its own way crucial in the party's history and each raises important questions about Opposition behaviour. The book examines the factors that shaped the overall direction in which the party moved during its time in Opposition including whether it was oriented towards emphasising programmes traditionally associated with social democrats such as pensions, unemployment support and investment in public health, education, infrastructure and publicly owned enterprises as well as policies aimed at reducing the exploitation of workers. In each period of Opposition examined, an argument is made as to why Labor moved in a particular direction and how this period compared to the other periods surveyed. The book rounds off with analysis of the generalisability of the conclusions drawn: how relevant are they for understanding the behaviour of other parties elsewhere in the world? Where are social democratic parties such as the ALP heading? Is Opposition an institution in decline in the Western world?

### **The Leader A Political Biography Of Gough Whitman Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The Leader A Political Biography Of Gough Whitman PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The Leader A Political Biography Of Gough Whitman PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms

offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The Leader A Political Biography Of Gough Whitman free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About The Leader A Political Biography Of Gough Whitman Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Leader A Political Biography Of Gough Whitman is one of the best book in our library for free trial. We provide copy of The Leader A Political Biography Of Gough Whitman in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Leader A Political Biography Of Gough Whitman. Where to download The Leader A Political Biography Of Gough Whitman online for free? Are you looking for The Leader A Political Biography Of Gough Whitman PDF? This is definitely going to save you time and cash in something you should think about.
