Bible study guides including Face to Face With Jesus and Focus on Prophecy Book jacket      *Catch the Fire* Michael Wilkinson, Peter Althouse, 2014-03-15 A recent phenomenon of charismatic renewal took place in Toronto in the mid 1990s. Commonly known as the Toronto Blessing and operated by the former Vineyard Church leaders John and Carol Arnott, the renewal was defined by reports of uncontrollable laughter, weeping, speaking in tongues, animal noises, and falling on the floor during worship. Sympathetic Christians embraced these practices, while others who believed that this form of worship bordered on spectacle rejected them. By the end of the 1990s, most people thought that the renewal was over. Yet in the first decade of the twenty-first century, the authors, a sociologist and a theologian, heard rumors that the Toronto church, now known as Catch the Fire, was still holding mass meetings with upwards of 2,000 people in attendance. They also learned of an emerging practice of soaking prayer, an adaptation of Pentecostal charismatic prayer that participants and leaders claim facilitates and expands the reception of divine love in order to give it away in acts of forgiveness, reconciliation, compassion, and benevolence. Soaking, the authors reveal, is a metaphor for practices like resting in the Spirit, prayer for spiritual gifts, healing, prophecy, impartation, and supports overall charismatic spirituality. Attending Catch the Fire conferences, churches, and house meetings in the United States, Canada, Britain, Australia, and New Zealand, Wilkinson and Althouse observed firsthand how people soak, what it means to soak, and why soaking is considered an important practice among charismatics.

*Off-Road Disciplines* Earl Creps, 2010-12-03 In *Off Road Disciplines*, Earl Creps reveals that the on-road practices of prayer and Bible reading should be bolstered by the other kinds of encounters with God that occur unexpectedly, complete with the bumps and bruises that happen when you go off road. Becoming an off-road leader requires the cultivation of certain spiritual disciplines that allow the presence of the Holy Spirit to arrange your interior life. Earl Creps explores twelve central spiritual disciplines, six personal and six organizational, that Christian leaders of all ages and denominations need if they are to change themselves and their churches to reach out to the culture around them.      **Leadership Handbook of**

Berkley, 2008 This revised and expanded edition of a proven ministry resource contains new contributions from Leith Anderson, Rick Warren, Brian McLaren, Luis Palau, John Ortberg, Aubrey Malphurs, and many others.      **Frontiers**, 1999 A journal of women studies      **Remissioning Church** Josh Hayden, 2025-04-15

*Rediscover Your Church's Mission* Many churches are struggling to connect with their communities and are facing a decline. But there's hope. Quicke,2006-09-01 Leadership books and seminars notwithstanding many pastors remain unclear on how to effectively lead their congregations Some even believe that preaching needs to take a backseat to leadership Dismissing such comparisons as artificial pastor and professor Michael Quicke notes how the Scriptures themselves reveal transformational leadership through proclamation by preachers God s preachers Quicke asserts are inevitably his leaders Powerful preaching and disciple making leadership go hand in hand in the Bible as well as in the contemporary church Both are inspired by God s energy The intentional pastor will be renewed to discern that biblical preaching is central to the events of church life and mission      **Redeeming The Time** Daryl Poe,2024-10-08 The Church s immutable mission is to intentionally share Christ s kingdom The believer s divine journey remains absolute purposeful and communal Even so as the church endeavors to fulfill its mission obstacles obscure the pathway forward Our once enlightened society slowly dims with the dissolution of revered institutions especially those of marriage and the family Prevailing secular humanism assigns Christian orthodoxy to the realm of fictional radicalism Amid such traumatic chaos can the church maintain a faithful outlook In a post Christian world how does the Church move forward Redeeming the Time God s CLEAR Path Forward biblically examines Christ s transformational leadership as the standard required for church revitalization Meaningful Church membership can only be found by loving and following Christ alone He is The Way forward Accordingly church leaders must adopt Christ s servant leadership philosophy with a unified partnership that renews our ministries to our families church and community Believers are summoned to live a spiritually disciplined life for the purpose of godliness Essential discipleship therefore must center upon full obedience to the Holy Scripture not out of mere duty but from an intimate loving disciple s relationship The ministry objective is to engage discipleship not as a program or church function but as a Christian lifestyle that is begun and nurtured in the home Focusing on parental responsibility is not to suggest that the community of faith has no didactic role rather it better organizes and supports biblical discipleship in the context of the family unit Redeeming the Time biblically examines Christ s transformational leadership as the servant way the appointed way the passionate way and the challenging way For all who follow Him He is our CLEAR Path forward      *"Holistic Leadership Development* Habtamu Umer,2024-07-12 *Holistic Leadership Development A Biblical Framework for a Transformative Leadership Followership Process* by Habtamu Kedir Umer is a profound exploration into the heart of authentic Christian leadership Rooted in biblical principles and enriched by the author s extensive leadership experience the book introduces the transformative 7C Model calling commission character competencies context commitment and completion Each chapter intricately weaves scriptural insights with practical
