The Left Wing In Japanese Politics

Ian Neary

The Left Wing In Japanese Politics:

The Left Wing in Japanese Politics Evelyn S. Colbert,1973 **The Left Wing in Japanese Politics** Evelyn Speyer Colbert,1952 **The Presidentialization of Japanese Politics** Masahiro Iwasaki,2023-04-14 Are we seeing the presidentialization of politics in Japan Certainly many recent prime ministers have demonstrated powerful leadership notably Junichiro Koizumi and Shinzo Abe While the phenomenon of presidentialization has been much discussed for years the Japanese case has not received much attention in the English language Iwasaki analyses the state of Japanese politics using the established analytical framework of presidentialization looking at leadership power resources leadership autonomy and the personalization of the electoral process and assesses the factors that have been claimed to lead to similar changes in other countries He argues that there are also unique variables that contribute to the presidentialization of Japanese politics Most notably the introduction of public subsidies to political parties and electoral reform in 1994 A valuable contribution to the global scholarship on presidentialization which will be of particular interest to scholars of Japanese politics

Introduction to Japanese Politics Louis D. Hayes,2016-09-17 This classic introduction to the Japanese political system has been revised and updated to take the account of a time of turmoil in the country s political life It incorporates new coverage of the end of the Koizumi era the brief and troubled premiership of Abe and the selection of Fukuda as prime minister This edition also includes expanded material on bubble and post bubble economic developments as well as all new coverage of health care policy The text opens with an overview of Japan s geographical setting and history The next group of chapters covers political institutions processes and actors Two sections then address the country s distinctive social order and economy educational healthcare and public safety systems Part five looks at the increasingly contentious realm of foreign relations and security issues including China s expanding role and the issue of North Korea A concluding section considers dynamics of change in Japanese politics *The Left in the Shaping of Japanese Democracy* David Williams,Rikki Kersten,2004-03 This book focuses on the influence exerted by the Left on the political landscape of Japan in the modern era

International Politics and the Left Wing Student Movement in Japan, 1952-1970 Nick Sarkady,1970 *The Logic of Japanese Politics* Gerald L. Curtis,2000-11-05 Widely recognized both in America and Japan for his insider knowledge and penetrating analyses of Japanese politics Gerald Curtis is the political analyst best positioned to explore the complexities of the Japanese political scene today Curtis has personally known most of the key players in Japanese politics for more than thirty years and he draws on their candid comments to provide invaluable and graphic insights into the world of Japanese politics By relating the behavior of Japanese political leaders to the institutions within which they must operate Curtis makes sense out of what others have regarded as enigmatic or illogical He utilizes his skills as a scholar and his knowledge of the inner workings of the Japanese political system to highlight the commonalities of Japanese and Western political practices while at the same time explaining what sets Japan apart Curtis rejects the notion that cultural

distinctiveness and consensus are the defining elements of Japan's political decision making emphasizing instead the competition among and the profound influence of individuals operating within particular institutional contexts on the development of Japan's politics. The discussions featured here as they survey both the detailed events and the broad structures shaping the mercurial Japanese political scene of the 1990s draw on extensive conversations with virtually all of the decade's political leaders and focus on the interactions among specific politicians as they struggle for political power. The Logic of Japanese Politics covers such important political developments as the Liberal Democratic Party's egress from power in 1993 after reigning for nearly four decades and their crushing defeat in the voters revolt of the 1998 upper house election the formation of the 1993 seven party coalition government led by prime minister Morihiro Hosokawa and its collapse eight months later the historic electoral reform of 1994 which replaced the electoral system operative since the adoption of universal manhood suffrage in 1925 and the decline of machine politics and the rise of the mutohaso the floating nonparty voter. Scrutinizing and interpreting a complex and changing political system this multi layered chronicle reveals the dynamics of democracy at work Japanese style. In the process The Logic of Japanese Politics not only offers a fascinating picture of Japanese politics and politicians but also provides a framework for understanding Japan's attempts to surmount its present problems and helps readers gain insight into Japan's future.

The ^AOxford Handbook of Japanese Politics Robert J. Pekkanen, Saadia Pekkanen, 2021-10-11 Through more than 40 chapters by leading specialists the Oxford Handbook of Japanese Politics examines major aspects of both domestic politics and international relations. In addition to providing a broad overview of contemporary Japanese politics the chapters are united by a shared question what is the nature and quality of Japanese democracy. Contributors consider this matter alongside their individual subjects which together comprehensively address the central research topics of the field.

Dictionary of the Modern Politics of Japan Prof J A A Stockwin, J. A. A. Stockwin, 2003-08-27 An accessible work of reference bringing together information and authoritative analysis on all aspects of the politics of Japan and the Japanese political system.

The Oxford Handbook of Japanese Politics Robert Pekkanen, Saadia M. Pekkanen, 2021-10-25 Book Abstract and Keywords The study of Japanese politics has flourished over the past several decades. This Handbook provides a state of the field overview for students and researchers of Japanese. The volume also serves to introduce Japanese politics to readers less familiar with Japan. In addition the volume has a theme of evaluating Japan's democracy. Taken as a whole the volume provides a positive evaluation of the state of Japan's democracy. The volume is divided into two parts roughly corresponding to domestic Japanese politics and Japan's international politics. Within the domestic politics part there are four distinct sections Domestic Political Actors and Institutions covering the Japanese Constitution electoral systems prime minister Diet bureaucracy judiciary and local government Political Parties and Coalitions covering the Liberal Democratic Party coalition government K meit and the political opposition Policymaking and the Public covering the policymaking process public opinion civil society and populism.

and Political Economy and Social Policy covering industrial energy social welfare agricultural monetary and immigration policies as well as social inequality In the international relations part there are four sections International Relations Frameworks covering grand strategy international organizations and international status International Political Economy covering trade finance foreign direct investment the environment economic regionalism and the linkage between security and economics International Security covering remilitarization global and regional security multilateralism nuclear nonproliferation naval power space security and cybersecurity and Foreign Relations covering Japan's relations with the United States China South Korea ASEAN India the European Union and Russia Keywords international relations comparative politics democracy international order alliances space security elections Liberal Democratic Party multilateralism remilitarization international organizations populism civil society coalitions political parties trade finance monetary policy foreign direct investment cybersecurity

Dōwa Policy and Japanese Politics Ian Neary, 2021-08-26 This book locates the development of Dōwa policy projects within their historical and political context offering examples of human rights protection in a non Western society Charting Dōwa policy from its origins in the pre war period to its revival after 1945 up to the turn of the 21st century chapters in this study provide a social and historical review supplemented by detailed analyses of policy process and implementation at both national and local levels No previous publication on the Buraku Problem has focused on the direct impact of Dōwa policy in overcoming prejudice and economic inequalities Topics covered range from left wing Buraku Liberation League demands in the late 1950s the Special Measures Law for Dōwa Policy Projects SML in the 1960s and the evolution of a human rights based Dōwa policy into the 1970s 1980s and 1990s Through its evaluation of the relative successes and failures to improve local infrastructure and opportunities for marginal communities this book invites comparative analysis with policies in other Asian and Western polities which seek to mitigate descent based and racial discrimination Dōwa Policy and Japanese Politics will prove a valuable resource for students and scholars of international relations human rights politics and Japanese studies

Shin Kanemaru and the Tragedy of Japan's Political System U. Kruze, 2015-01-28 Shin Kanemaru 1914 1996 served as a key power broker at the national level in Japan from the 1970s until the early 1990s He was at the heart of the 1955 system of conservative political rule Though never Prime Minister himself he controlled or strongly influenced the administrations of five Japanese Prime Ministers

Japan's New Left Movements Takemasa Ando, 2013-10-08 The Fukushima Daiichi nuclear accident that followed the March 2011 tsunami and earthquake in Japan shocked the world In the wake the of the disaster questions were asked as to why Japanese antinuclear movements were not able to prevent those with vested interests such as businesses bureaucrats the media and academics from facilitating nuclear energy policies Taking this question as its starting point this book looks more widely at the development and powerlessness of Japanese civil society and seeks to untangle this intersection between social movements and civil society in postwar Japan Central to this book are the Japanese New Left movements that emerged in the 1960s and 1970s

and the impact they have had on civil society and politics By focusing on a key idea that a wide range of new leftists shared the self revolution in everydayness Takemasa Ando shows how these groups did not seek immediate change in the realms of politics and legislation but rather it was believed that personal transformation would lead to broader social and political change By reconsidering the relationship between Japanese New Left movements of the 1960s and later social movements this book crucially connects the constructive and disruptive legacies of the movements and in doing so provides valuable insights into the powerlessness that plagues Japanese civil society today Presenting a comprehensive picture of the New Left movements and their legacies in Japan this book will be of great interest to students and scholars working in the fields of Japanese politics Japanese history and Japanese culture and society Assassination and Political Violence, Vol. 8 United States President of the United States,1969 **Assassination and Political Violence** James F. Kirkham, Sheldon G. Levy, William J. Crotty, United States. Task Force on Assassination and Political Violence, United States. National Commission on the Causes and Prevention of Violence, 1969 Report of the Task Force on Assassination and Political Violence Includes bibliographical references *Empires at War* Francis Pike, 2011-02-28 As the major geopolitical power bloc Asia with 4 billion people two thirds of the world s population a huge land mass and the fastest growing economies has shifted the global political balance *Empires at War* gives a dramatic narrative account of how Modern Asia came into being Ranging over the whole of Asia from Japan to Pakistan the modern history of this important region is placed in the context of the struggle between America and the Soviet Union Francis Pike shows that America s domination of post war Asia was a continuation of a 100 year competition for power in the region He also argues cogently that contrary to the largely Western centric viewpoint Asian nations were not simply the passive and biddable entities of the superpowers but had a political development which was both separate and unique with a dynamic that was largely independent of the superpower conflict And in conclusion the book traces the unwinding of American influence and the end of its Empire a crucial development in international history which is already having repercussions throughout the world *Understanding Japanese Society* Joy Hendry, 2012-10-02 With the ever growing contact between Japan and the rest of the world comes an increasingly important need to understand a society that is fascinating but still often confusing to the outsider In this brand new fourth edition of *Understanding Japanese Society* Joy Hendry brings the reader up to date both with recent changes as Japan hit the world headlines under the triple 2011 disasters and with underlying continuities in ways of thinking that have matured over a long history of dealing with foreign influences and an unpredictable environment This welcome new edition of Hendry s bestselling introductory textbook provides a clear accessible and readable introduction to Japanese society which does not require any previous knowledge of the country Fully updated revised and expanded the fourth edition contains new material on the effects of the earthquake tsunami and nuclear disasters of 2011 a renewed interest in politics and popular participation increased frequency of local spiritual support as unemployment continues to grow and marriage gets later and

later the effects of a dramatic drop in the birth rate on Japan's education system the continuing global success of Japanese animation manga and computer games despite a turn away from international travel the cool new Ainu the attraction of healing Okinawa and changes among other Japanese minorities a new role for Japanese fathers in child rearing This book will be invaluable to all students studying Japan It will also enlighten those travellers and business people wishing to gain an understanding of the Japanese people

Contemporary Japanese Politics Tomohito Shinoda, 2013-08-27 Tomohito Shinoda tracks slow yet steady changes in the operation of and tensions between Japan's political parties and the public's behavior in Japanese elections as well as in the government's ability to coordinate diverse policy preferences and respond to political crises

Sexual Harassment in Japanese Politics Emma Dalton, 2021-09-24 Sexual harassment in Japanese politics examines a problem that violates women's human rights and prevents a flourishing democracy Japan fares badly in international gender equality indices especially for female political representation The scarcity of women in politics reflects the status of women and also exacerbates it Based on interviews with female politicians around the country from all levels of government this book sheds light on the sexist and sometimes dangerous environments in Japanese legislative assemblies These environments reflect and recreate broader sexual inequalities in Japanese society and are a hothouse for sexual harassment Like many places around the world workplace sexual harassment laws and regulations in Japan often fail to protect women from being harassed Even more in the workplace of the legislative council such regulations are typically absent This book discusses what this means for women in politics in the context of a broader culture whereby victims of sexual violence are largely silenced

Japanese Legal System Dean, 2002-02-14 Meryll Dean's superb new edition of Japanese Legal System provides a wide ranging and unique insight into the legal system of a country which is at the forefront of global development yet rarely examined by legal scholars It is a major contribution to the study of comparative law and through its multidisciplinary approach breaks new ground in providing a comprehensive text on the subject It draws on the author's first hand knowledge of Japan but is written for non Japanese speakers Through its approachable yet scholarly style the reader is introduced to the essentials of the legal system and guided through historical and cultural context from which they will be able to develop an informed critique The book covers the history structure and tradition of the Japanese legal system as well as providing an insight into areas of substantive law It contains extracts from diverse contemporary sources which together with the author's commentary guide the reader through the complexities of a different culture The use of multidisciplinary sources which are contextualised by the author make what would otherwise be inaccessible material available for comparative analysis This book may be used as a textbook for undergraduate and postgraduate courses It will be useful for those engaged in the study of history politics international relations and law as well as being of value to academics practitioners and those in business

The Left Wing In Japanese Politics Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The Left Wing In Japanese Politics free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The Left Wing In Japanese Politics free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The Left Wing In Japanese Politics free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading The Left Wing In Japanese Politics. In conclusion,

the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The Left Wing In Japanese Politics any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About The Left Wing In Japanese Politics Books

1. Where can I buy The Left Wing In Japanese Politics books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
