The Legend Of Morning:

The Legend of Morning M. McGriff, T. Gardner, 2004-08 Many a tale has been told about the Wild West but none have been told quite this way In this ironic account of past versus present the parallel stories of four young people from the past and four from the present are brought to you in tantalizing fashion They are all forced to face the dark sides of their personalities when confronted with love greed sex violence and in the end discovery Peppered with graphic visuals you can almost taste the dirt and smell the cinders these accounts of life in both modern and classical eras will appeal to the senses and render readers awestruck by the passionate plot and poignant characters TL Gardner Horror and Michelle McGriff Mystery two fresh voices on the mainstream scene step away from their normal genres to entertain readers with this paradoxically unique story Michelle McGriff and TL Gardner combine their talents and genres to blaze a new literary trail Fascinating tale Evelyn Palfrey author of *The Price of Passion* *The Morning Myth* Frank J. Rumbauskas, Jr., 2019-06-26 Does the early bird always catch the worm Society largely praises early risers while maligning so called night owls However countless research studies have shown that night owls are more successful and wealthier than early risers The Morning Myth proves that indeed night owls are generally more successful in life than early risers It restores night owls self confidence and encourages them to achieve more on their natural schedules In The Morning Myth Frank J Rumbauskas provides practical tips to help night owls thrive Informs employers about how much productivity they re losing by forcing night owls to be at work bright and early Offers advice on how to schedule both early risers and night owls for maximum productivity Shows night owls how to achieve maximum happiness at work Coaches managers on getting the most out of their night owl employees Whether you re a night owl yourself or employ those who find their work mojo later in the day The Morning Myth breaks down stereotypes and shows you how to increase productivity around the clock *Chos?n the land of the morning calm* P. Lowell, 1888 **"The Morning Cometh."** David James Burrell, 1893 *The Morning of Life* Morning, 1859
