

The background of the cover is a painting of a winter scene. In the foreground, there are snow-covered evergreen trees and branches. In the middle ground, there is a body of water, possibly a lake or a wide river, reflecting the light. The sky is dark and overcast. The overall mood is serene and quiet.

The Legend Of Wapsipinicon:

The Legend of Wapsipinicon Jan Short,2003-12 The Legend of Wapsipinicon is not only written as an historical fiction novella but also with other literary elements With the implementation of time travel characters were given the vehicle of expedition into the future The characters depth could be enhanced by his or her Christian values and beliefs Poetry and prose is my style of sententious writing which offers a variety for readers Few words with more meaning gives me the opportunity to cover events quickly but critically Since Quasqueton is only a few miles from my house I call this area my home It was an honor for me to write about historical individuals whose names were immortalized by this beautiful river It s beauty is equally shared by the people who also call this lovely location home I received much assistance from certain people who were named in this novel Unfortunately all the people of this great area could not be mentioned but their spirits were represented in this writing A special thank you to all of the citizens of Quasqueton for keeping your town alive and well for so many years You have much to be proud of and especially your generosity of sharing it with others

The Natural Family Where it Belongs Allan C. Carlson,2017-07-12 The Natural Family Where It Belongs emphasizes the vital bond of the natural family to an agrarian like household where the sexual merges with the economic through marriage and child rearing and where the family is defined by its material efforts This agrarianism is alive and well in twenty first century America and Europe Allan C Carlson argues that recreating a family centered economy portends renewal of the true democracy dreamed of by Washington Adams and Jefferson Critically well received this paperback edition makes The Natural Family Where It Belongs available to teachers and students of twentieth century American social history and the American family system It will also be welcomed by practitioners involved with the new agrarian revival of the last twenty five years As Carlson demonstrates agrarian households represent the touchstones of a sustainable human future Written by one of the most prestigious and respected scholars in the field The Natural Family Where It Belongs will influence how today s family life is viewed in America and abroad This volume is the latest in Transaction s Marriage and Family Studies series
