The Temptress Paul Spicer,2025-08-22 In the spirit of Frances Osborne's *The Bolter*, this fascinating life of femme fatale and gorgeous Chicago heiress Alice de Janz offers a solution to the decades-old murder of Lord Erroll: the story at the center of James Fox's acclaimed book and movie *White Mischief*. A glamorous American multi-millionaire's daughter, Alice de Janz scandalized 1920s Paris when she left her aristocratic French husband for an English lover whom she later tried to kill in a failed murder-suicide in the Gare du Nord. Abandoning Paris for the moneyed British colonial society known as Kenya's Happy Valley, she became the lover of the handsome womanizer Joss Hay Lord Erroll. In 1941, Erroll was shot in his car on an isolated road. A cuckolded husband was brought to trial and acquitted, and the crime remained tantalizingly unsolved. Paul Spicer, whose mother was a confidante of Alice's, used personal letters and his own extensive research to piece together what really happened that fateful evening. He brings to life an era of unimaginable wealth and indulgence where people changed bed partners as easily as they would order a cocktail and where jealousy and hidden passions brewed. At the heart of *The Temptress* is Alice, whose seductive charms no man could resist and whose unfulfilled quest for love ended in her own suicide at age forty-two. The End of the Spanish Civil War Jonathan Whitehead,2024-04-04 A history of the final stages of Franco s victory The Spanish Civil War ended in Alicante After Catalonia fell to the Hitler and Mussolini backed military rebellion of Franco s Nationalists at the outset of 1939 the legitimate Republican government of Dr Negr n was faced with a choice between apparently futile resistance or unconditional surrender to the triumphant Nationalists Choosing the path of continued defiance until they could force concessions or at least implement a mass evacuation of those Republicans most at risk in Franco s new Spain the government withdrew to Elda in the province of Alicante However their plans were thwarted by a new rebellion of Republican officers led by Colonel Segismundo Casado who resented Negr n s reliance on the Communist Party and the USSR and believed themselves better equipped to negotiate a peace settlement with Franco They were misguided Franco had no wish and ultimately no need to negotiate Meanwhile faced with the imminent risk of arrest by the new junta the Prime Minister and his cabinet were forced to abandon Spain from the tiny aerodrome of Mon var A relatively quiet port on the eastern Mediterranean coast of Spain Alicante had remained at some distance from the frontlines throughout the fighting on the ground but swiftly became a target for Italian bombers operating out of bases in the Balearic Islands In May 1938 at the height of the air offensive Italian bombers attacked the marketplace causing a massacre as tragic as the events in Guernica yet largely ignored by historians As the war drew towards its conclusion Alicante became increasingly significant as attention

focused on the plight of the defeated Republicans In the second half of March 1939 the fronts collapsed and Madrid finally fell to the insurgents Tens of thousands of refugees descended on Alicante in the forlorn hope of rescue by French and British ships that had been promised but which failed to materialise Amid the tragedy as the British and French governments declined to engage in any humanitarian intervention that might offend Hitler and Mussolini a single hero emerged Captain Archibald Dickson the Welsh master of the Stanbrook who ditched his cargo and transported 3 000 refugees to safety in North Africa On 30 March 1939 Franco s vanguard the Italian Volunteer Corps under General Gastone Gambara occupied a town already under the control of the Fifth Column Two days later the Generalissimo issued a communique from his headquarters in Burgos declaring that the war was over The bulk of the Republicans surrounded and captured in the port were marched to an improvised internment camp known as the Campo de los Almendros Field of Almond Trees They were then transferred to the infamous concentration camp at Albatera to share the fate of defeated Republicans across Spain and to undergo the program of ideological cleansing of the new fascist authorities
