The Letter Of Paul To The Philippians

Ben Witherington (III)

The Letter Of Paul To The Philippians:

Paul's Letter to the Philippians Gordon D. Fee, 1995-07-14 Gordon Fee's study on Paul's letter to the Philippians is a contribution to The New International Commentary on the New Testament Prepared by some of the world's leading scholars the series provides an exposition of the New Testament books that is thorough and fully abreast of modern scholarship yet faithful to the Scriptures as the infallible Word of God *The Letter of Paul to the Philippians* Pat Edwin Harrell, 1969

Friendship and Finances in Philippi Ben Witherington (III), 1994-11 Presents an exposition of Paul's letter following an introduction to the background and foreground of Paul and the Philippine letter Applies insights from the social sciences and from Greco Roman rhetoric to Philippians distilling the benefits of these new disciplines for the study of this letter **The Price of Partnership in the Letter of Paul to the Philippians** Mark A. Jennings, 2018-01-25 Mark A Jennings challenges the consensus that there is no clear single purpose that shapes the entire epistle to the Philippians instead arguing that there is significant evidence for Paul to have written the letter with the sole intent of persuading the church to maintain its exclusive partnership with him and his gospel mission Jennings examines each section of Philippians with standard historical critical methods rhetorical criticism and social scientific methods Establishing that Paul's argument is rooted in three fundamental tenets emphasis is first placed on koinonia and the agreement that Paul and the Philippians had entered into regarding his apostolic mission Second Jennings looks at the repeated proofs that Paul offers that simultaneously affirm the ordained superiority of his apostolic mission and repudiate the claims of his rivals Third Jennings analyses the issue of finances in the epistle discussing how Paul rhetorically transforms the Philippians financial support into a salient indicator that they esteem his gospel mission authentic Finally whereas other scholars have argued that Paul entreats the Philippians to be steadfast in their commitment to the gospel of Christ Jennings proposes that Paul urges the church to be steadfast in their commitment to his gospel of Christ Jennings then considers how this seemingly small distinction has profound ramifications for understanding the letter and shows the gap between these interpretations **A Handbook on Paul's**

Letter to the Philippians I-Jin Loh, Eugene Albert Nida, 1995 *Commentary on Paul's Letter to the Philippians* Zack Meaders Guess, 2017-10-17 Pastor Guess has been preaching for over fifty years and considers it a great privilege that God called him into the ministry During this time he has had a love affair with the Word of God Early in his ministry he was drawn to Paul's Epistle to the Philippians This church was extremely generous and helpful to Paul It was obviously a favorite church of Paul Brother Guess began to study the book and eventually memorized it He has preached through it several times He wrote this commentary as a labor of love He also loves the Koine Greek that the Lord used in the inspiration of the New Testament In writing this commentary he has heavily drawn from many of the divinely inspired grammatical constructions that cast much light on this epistle Also he has done extensive Greek word studies that provide a spiritual gold mine Any New Testament assembly that wants to please the Lord would do well to study and emulate this delightful church that caused the

beloved apostle such joy *The Letters of Paul as Rituals of Worship* John Paul Heil,2012-06-28 In this interpretation of the corpus of the thirteen New Testament letters attributed to Paul Heil establishes a connection between communal worship and the New Testament The author focuses on the key theme of worship understanding it in its most comprehensive sense in the biblical tradition with the liturgical and the ethical facets of worship held in dynamic interrelationship The reader is offered a fresh way of reading and listening to the letters of Paul for a deeper understanding of their original purpose and message Philippians Peter Oakes,2007-04-30 A case study in modelling the social make up of an early Christian community **The Epistle of Paul to the Philippians, Practically Explained** Augustus Neander,2009-05-07 **Paul's Letter to the Philippians in the Light of Disunity in the Church** Davorin Peterlin,1995 This study provides a new perspective on the contents of Philippians by investigating the wider context of disunity in the church which focused on the issue of financial support for Paul Paul for Everyone: The Prison Letters N. T. Wright,2004-01-01 Enlarged print edition now available Making use of his scholar s understanding yet writing in an approachable and anecdotal style Tom Wright captures the verve and sparkle of these letters Paul wrote the letters while in prison facing possible death but their passion and energy are undimmed They reveal Paul s longing to see young churches grow in faith and understanding rooted in Jesus himself and to see this faith worked out in practice Wright s stimulating comments are combined with his own fresh and inviting translation of the text Tom Wright has undertaken a tremendous task to provide guides to all the books of the New Testament and to include in them his own translation of the entire text Each short passage is followed by a highly readable discussion with background information useful explanations and suggestions and thoughts as to how the text can be relevant to our lives today A glossary is included at the back of the book The series is suitable for group study personal study or daily devotions The Letters of Paul to the Philippians and to the Thessalonians Kenneth Grayston,1967 A Distant Presence Tim Woodroof,2001 In A Distant Presence Woodroof envisions what life may have been like for believers in first century Philippi Readers feel transported to another time as Woodroof takes them on a journey through ancient Italy and Macedonia providing front row seats to the colorful interactions between the great apostle Paul and his trusted coworkers for the gospel

The Joyful Letter Howard D Chaney,2021-02-15 **Archaeology and the Letters of Paul** Laura Salah Nasrallah,2019 This study illuminates the social political economic and religious lives of those to whom the apostle Paul wrote It articulates a method for bringing together biblical texts with archaeological remains St. Paul's Epistle to the Philippians Charles John Vaughan,1885 The Letters to the Philippians, Colossians, and Thessalonians William Barclay,2003-11-30 Here are William Barclay s offerings on Paul s letters to the Philippians Colossians and Thessalonians Though written to the faithful in years gone by Paul s words come to life for readers today through Barclay s own translation and enlightening commentary For almost fifty years and for millions of readers the Daily Study Bible commentaries have been the ideal help for both devotional and serious Bible study Now with the release of the New Daily Study Bible a new
