## **The Liberation Of The Laity:**

**The Liberation of the Laity** Paul Lakeland, The present crisis in the American Catholic Church stems from a two fold source lay people are powerless while the bishops are accountable to no one but the pope and the curia While the number of lay people exercising ministries in the church has grown enormously over the past thirty years largely due to the shortage of priests there has been little or no theological reflection till now on the genuine role of the laity It is only from such reflection that structural reform of the church will come The first half of *The Liberation of the Laity* concentrates on the fortunes of the laity theologically speaking between Vatican I 1870 and Vatican II 1962 65 It examines the growth of the new theology in France in the 1940s and 1950s and shows how in the work of one of its leading practitioners Yves Congar much of the vision of the laity expressed at Vatican II was anticipated Seeing the years after the council as decades of missed opportunities to recognize the role of the laity the book then turns to a series of constructive proposals for the liberation of the laity and thus the liberation of the church It discusses the importance of secularity the need for a lay liberation theology and the centrality of the struggles against global capitalism in the mission of the church It ends with a chapter envisioning dramatic changes in ministry and governing structures in which accountability will be central servant leaders will include women and married people and both ecclesiastical careerism and the College of Cardinals will be history

**The Liberation of the Laity** Paul Lakeland, 2004-05-19 Theological reflections explore the genuine role of the Catholic laity leading to proposals for a lay liberation theology and structural reform of the Catholic church Throughout Lakeland does an admirable job of balancing his style to make the work useful for both general and specialized readers Lakeland surveys the contributions of an impressive number of historical and contemporary writers on the laity QWilliam A Clark Catholic Books Review Continuum Books

*The Liberation of the Laity* Anne Rowthorn, 2000-12-06 A passionate call for a new liberation movement this time within the church in North America The genius of *The Liberation of the Laity* is not so much that it provides new information or even an entirely original thesis but that it lays piece after piece together until the pattern emerges for us and we have the eyes to see the repetition and extension of that pattern in our own experiences of church life Books and Religion The author in this deeply felt and powerfully argued book tackles the issues of the nature of ministry priesthood ordination lay theology a spirituality of life in the world The argument is clearly expressed draws upon a wide range of scholarship the example of the early church as well as the experience of the author I cannot be dispassionate in recommending this book It provides a model of what a theology of the people should be like in the way it argues the case for such a theology Zadok Perspectives a quarterly journal of the Zadok Institute for Christianity and Society Australia If I could have one wish fulfilled I d wish that Anne Rowthorn s *The Liberation of the Laity* would be required reading for Christians everywhere She is a voice for the church s voiceless Irene V Jackson Brown *The Liberation of the Laity* will irritate inform and inspire And it should be read by all lay and ordained who are willing to have their eyes and most especially their hearts opened a little wider Virginia

Seminary Journal The Liberation of the Laity is a provocative book that challenges the clericalist culture of the church and provides practical advice and sound counsel toward a more inclusive future Further the book affirms the history and theology of the ministry of all baptized persons in a deep and thought provoking way The Liberation of the Laity will spark conversation and reflection among those most concerned about the future of ministry and the need for the church to support the vocations of all the baptized Sheryl A Kujawa Holbrook Director of Congregational Studies Associate Professor Episcopal Divinity School *The Liberation of the Laity for Ministry* Oliver Watson Clark,1974 Doing Ministry in the Igbo Context Cajetan E. Ebuziem,2011 Doing Ministry in the Igbo Context Towards an Emerging Model and Method for the Church in Africaarises out of reflection on experience and practice The volume reflects on the author s own cultural context religious heritage and pastoral functioning In addition it considers the author s personal experiences in relation to the common experiences of others within the author s cultural and religious traditions and places these experiences and the voices they represent into mutually critical correlation Thus commonalities and dissonances in them emerge leading to insights where to go from there in providing ministry to the People of God in the local church context and still within the framework of one universal church This book presents a contextual model of local theology that begins its reflection with the Igbo cultural context The Igbo or Nigerian or African Church can have a pattern of ministry with a model and a method that are consistent with the peoples values To accomplish this goal a local cultural value must be explored and brought into the scene Since the Igbo society is the heart of Christianity and Catholicism in Africa the author relies on Igboland as his situational context The exploration of the indigenous Igbo value of collaboration will be an advantage in ministering to the rest of the African people who have cultural resemblances to Igbos The African Church has to learn from the Igbo values ofumunna bu ike Umunna is the basic Igbo unit and possibly the most powerful missionary force in Igboland and potentially an Igbo gift to the Church in Nigeria and Africa and even beyond Back cover **Catholicism and the Spirit** Stephen Ebo Annan,2018-02-22 The resurgence of Pentecostal charismatic Christianity epitomized in the global South has thrown Catholicism back on itself and has challenged it to reassess its ecclesial self understanding The Catholic Church has been accused of having forgotten the Spirit Despite the progress made by the Catholic Church to redress this so called pneumatological deficit it nonetheless remains the case that Roman Catholicism and charismatic Christianity seems to be mutually exclusive Why and how does the Roman Catholic Church today still lack a fully developed pneumatological charismatic ecclesiology Catholicism and the Spirit sets out to address such questions and argues that the Church must overcome its ultraconservatism and re envision a robust Spirit led ecclesiology to meet the demands of ecclesial renewal **Priesthood in a New Millennium** R. David Cox,2004 This important book examines priestly identity as it has evolved within Anglicanism over the last 15 years including the ways in which the once nearly synonymous terms English and Anglican diverged over the years In the process the author delineates an intellectual and social history of modern Anglicanism **The Promise of Renewal** Marie Crowley,2017-03-30

With variety and breadth these essays celebrate the 800th anniversary of the foundation of the Dominican Order as well as the richness in Catholic thought and praxis during the past hundred years around the world Their themes range from Yves Congar's view of the hierarchy to Jacques Loew's theory of ministry in the workplace Ideas from thinkers interacting with Islam and Judaism lead on to a theology of refugees A book for those pondering theology amid history and culture

Renewal Anne Hendershott, Christopher White, 2013-12-03 In the wake of the clergy abuse scandal of the last decade many media commentators predicted the end of the Catholic priesthood Demands for an end to celibacy coupled with calls for women's ordination dominated discussions on the effectiveness of the Catholic Church in America Renewal argues that rather than a decline of the priesthood and a diminishing influence of the Catholic Church we are living in a time of transformation and revitalization The aging generation of progressives that continues to lobby Church leaders to change Catholic teachings on reproductive rights same sex marriage and women's ordination is being replaced by younger men and women who are attracted to the Church because of the very timelessness of its teachings
