

The Life And Times Of Arthur Henry

Leslie Stephen, Sir Sidney Lee

The Life And Times Of Arthur Henry:

Life and Times of Arthur Henry Arthur Henry Creighton,1994

An Economic History of Ireland Since

Independence Andy Bielenberg,Raymond Ryan,2013-05-20 This book provides a cogent summary of the economic history of the Irish Free State Republic of Ireland It takes the Irish story from the 1920s right through to the present providing an excellent case study of one of many European states which obtained independence during and after the First World War The book covers the transition to protectionism and import substitution between the 1930s and the 1950s and the second major transition to trade liberalisation from the 1960s In a wider European context the Irish experience since EEC entry in 1973 was the most extreme European example of the achievement of industrialisation through foreign direct investment The eager adoption of successive governments in recent decades of a neo liberal economic model more particularly de regulation in banking and construction has recently led the Republic of Ireland to the most extreme economic crash of any western society since the Great Depression

Forgotten Heroes Zulu & Basuto Wars including Medal Roll 1877-8-9

Roy Dutton,2010-05-01 A work of reference with details of the Colonial and Imperial forces engaged in the Zulu and Basuto Wars between 1877 to 1879 Over 36 600 men are listed with medal entitlement causality lists and troop deployments together with numerous biographical details Also includes first hand accounts of the many campaigns with illustrated maps An invaluable guide for both medal collectors and historians These men at great personal sacrifice helped to build an Empire on which the sun would never set
