**A Girl's Life in Moon River Village, Thailand** Ted Gugelyk,2013-10-18 Village girls torn between two worlds indulge in sex at a very early age Teen age pregnancy drug use dropping out of school and running away from home have become common Extended families once dependent on young people for labor are left on their own Young people escape from the villages Some will return to die of HIV privately hiding their illness silently adding more shame to their family s lives Fathers and mothers and grandparents illiterate but hard working and honest are left wondering How did all this come about so quickly Why did village life centuries old break apart This is a story about Happy a young girl from a rural Thai farming village She is a happy girl because she escaped the confines of her parent s rice fields and the restrictions of village life where everyone knows everyone and everyone contributes to village labor She is happy because she is liberated from all that is loved by her farmer parents and traditional village people She is free of farm labor and free from helping her extended family harvest rice Happy is free because she entered the entertainment industry of Bangkok Pattaya and Phuket free to dance naked to the intoxicating sounds of rap music free and happy to sell her sex Poverty and lack of education is the sex trafficker It is more anonymous but its face is everywhere It is the mother of ignorance and the father of futility This is a story written by the only Western man living in a remote Thai village He writes what he observes He writes about the characters in his small village Happy The Solder Man and his wife The Pumpui Fat Lady Buddhist Monks who come to rid a place from bad spirits manifesting themselves as pests bed bugs cock roaches and fleas And he writes about Kitty a seven year old girl infected by HIV brought to the village by her prostitute mother who hopes to find someone to care for Kitty before mama dies It is a story of dramatic social change and the breakup of traditional Thai village life Keywords Thailand Rural Thai Village Life

Prostitution Social Change Issan Teen Pregnancy **Wanted Cultured Ladies Only!** Neepa Majumdar,2010-10-01 Wanted Cultured Ladies Only maps out the early culture of cinema stardom in India from its emergence in the silent era to the decade after Indian independence in the mid twentieth century Neepa Majumdar combines readings of specific films and stars with an analysis of the historical and cultural configurations that gave rise to distinctly Indian notions of celebrity She argues that discussions of early cinematic stardom in India must be placed in the context of the general legitimizing

discourse of colonial improvement that marked other civic and cultural spheres as well and that vernacular modernist anxieties over the New Woman had limited resonance here Rather it was through emphatically nationalist discourses that Indian cinema found its model for modern female identities Considering questions of spectatorship gossip popularity and the dominance of a star based production system Majumdar details the rise of film stars such as Sulochana Fearless Nadia Lata Mangeshkar and Nargis *Sunday School Times* ,1894

**Good Books Matter** Larry Swartz,Debbie Nyman,2008 Based on extensive research on the features that make children s books appealing and appropriate this valuable teacher resource offers guidance on selecting books strategies for specific grade levels suggestions for extension and tips for assessment This teacher friendly book is organized around the major genres traditional literature picture books nonfiction poetry and multicultural texts that will inspire young readers Throughout the book teachers will find suggestions for using literature to implement shared reading reading aloud and response strategies with emergent developing and independent readers This comprehensive book is rooted in the belief that educators must consider and offer a wide range of choice to ensure that students read good books It argues that the choices children make about what they read should be governed by their interests and desire to learn not by a grade or reading level *Fallen Women, Problem Girls* Regina G. Kunzel,1993-01-01

During the first half of the twentieth century out of wedlock pregnancy came to be seen as one of the most urgent and compelling problems of the day The effort to define its meaning fueled a struggle among three groups of women evangelical reformers who regarded unmarried mothers as fallen sisters to be saved a new generation of social workers who viewed them as problem girls to be treated and unmarried mothers themselves Drawing on previously unexamined case records from maternity homes Regina Kunzel explores how women negotiated the crisis of single pregnancy and analyzes the different ways they understood and represented unmarried motherhood *Fallen Women Problem Girls* is a social and cultural history of out of wedlock pregnancy in the United States from 1890 to 1945 Kunzel analyzes how evangelical women drew on a long tradition of female benevolence to create maternity homes that would redeem and reclaim unmarried mothers She shows how by the 1910s social workers struggling to achieve professional legitimacy tried to dissociate their own work from that earlier tradition replacing the reform rhetoric of sisterhood with the scientific language of professionalism By analyzing the important and unexplored transition from the conventions of nineteenth century reform to the professional imperatives of twentieth century social welfare Kunzel offers a new interpretation of gender and professionalization Kunzel places shifting constructions of out of wedlock pregnancy within a broad history of gender sexuality class and race and argues that the contests among evangelical women social workers and unmarried mothers distilled larger generational and cross class conflicts among women in the first half of the twentieth century
