The Life of Antonio Fogazzaro ... Translated by Mary Prichard Agnetti Tommaso GALLARATI SCOTTI (Duke di S. Pietro in Galatina.), Mary Prichard AGNETTI, Antonio FOGAZZARO, 1922 **Gerald O'Donovan: A Life** John F. Ryan, 2022-11-17 This is the first full length study of the life and work of novelist Gerald O'Donovan 1871-1942 a Catholic priest and social and cultural activist who having abandoned the priesthood became a writer and publisher As a priest in Loughrea Co Galway he was a very public figure in Irish life in several different areas He was friendly with W B Yeats Lady Gregory and George Moore and actively promoted the Celtic Revival He was also a friend of Douglas Hyde and Sir Horace Plunkett and for a number of years he was a national figure in their respective organizations the Gaelic League and the Co-operative Movement After his marriage to Beryl Verschoyle he moved to England and subsequently published six novels the best known and most controversial of which was *Father Ralph* 1913 a portrait of the artist as a priest He also spent time working in the British Department of Propaganda under Lord Northcliffe where H G Wells was one of his colleagues This biography of an important and strangely neglected figure allows us new insights into a whole range of interesting cultural moments in twentieth century Irish life including the beginnings of literary modernism the flourishing of the Irish literary revival and the emergence of a dissident strand within the Catholic clergy Based on a rich and previously untapped array of archival material in Ireland Britain and the US the book provides both a much needed reassessment of O'Donovan's work and also a history of Irish writing during those early decades of the twentieth century that saw the development of a new and powerful national literature **Italian Literature since 1900 in English Translation** Robin Healey, 2019-03-14 Providing the most complete record possible of texts by Italian writers active after 1900 this annotated bibliography covers over 4 800 distinct editions of writings by some 1 700 Italian authors Many entries are accompanied by useful notes that provide information on the authors works translators and the reception of the translations This book includes the works of Pirandello Calvino Eco and more recently Andrea Camilleri and Valerio Manfredi Together with Robin Healey's *Italian Literature before 1900 in English Translation* also published by University of Toronto Press in 2011 this volume makes comprehensive information on translations from Italian accessible for schools libraries and those interested in comparative literature **The Nation and Athenæum**, 1923 *The Pilgrim* William Temple, 1922 Includes section Recent books *The Nation and the Athenaeum*, 1923 Baron Friedrich Von Hügel and the Modernist Crisis in England Lawrence F. Barmann, 1972-04-27 Between 1890 and 1910 the Roman Catholic Church underwent a severe moral and intellectual crisis A group of progressive Catholic scholars later dubbed the modernists challenged the authority of official Catholic teaching in many areas basing their ideas on contemporary movements generally The official reaction was at first discouraging and then openly hostile most of the modernists were forced to leave the Church and their writings were placed in the Index As one might expect the accounts of the crisis by those who were closely involved in it are generally strongly partisan moreover its effects are still evident in

present disputes in the Church but in 1972 the time came for an objective historical assessment of the major figures of the crisis as a means for understanding the movement as a whole In this authoritative study Dr Barmann reconstructs in detail von Hugel s involvement in the modernist movement particularly in England and rejects the received explanations of his survival in the Church The American Church Monthly ,1923 Bulletin of the New York Public Library New York Public Library,1923 Includes its Report 1896 19 *Catholic World* ,1923 **Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971** New York Public Library.
