West Billy the Kid born Henry McCarty in 1859 and also known as William H Bonney emerges from these pages in all his complexity at once a gentleman and gregarious companion and a thief and violent murderer Tapping new depths of research Etulain traces Billy s short life from his mysterious origins in the East through his wanderings in New Mexico Arizona and Texas As we move from his peripatetic early years through the wild West to his fatal involvement in the Lincoln County Wars we see the impressionable boy give way to the conflicted young man and finally to the opportunistic and often amoral outlaw who was out for himself for revenge and for whatever he could steal along the way Against this deftly drawn portrait Etulain considers the stories and myths spawned by Billy s life and death Beginning with the dime novels featuring Billy the Kid even during his lifetime and ranging across the myriad newspaper accounts novels and movies that alternately celebrated his outlaw life and condemned his exploits Etulain offers a uniquely informed view of the changing interpretations that have shaped and reshaped the reputation of this enduring icon of the Old West In his portrayal Billy the Kid lives on not as a cut throat desperado or a young charmer but as both hero and villain myth and man fully realized in this twenty first century interpretation **Authentic Life of Billy, The Kid** Pat F. Garrett,1957 **The True Life of Billy the Kid** Edmund Fable,1980 A reprinted edition of an 1881 book about the most famous outlaw in the West
