classic features Enlarged 7 x 10 pages for easy reading Author's original page layouts Classic weathered type font New retro style cover design Josephine was a model of character Headley wrote her biography to make the study of her life more general and to extend the admiration of her pure beauty in contrast to all the forms of corruption that humanity could present in a period of bloody Revolution He felt that The Empress was a greater personage than Napoleon in the elements of moral grandeur and retained her sovereignty in the hearts of the people while he ruled by the unrivaled splendor of his genius The name Josephine is invested with a romantic and mournful interest From the quiet life of her island home she rose to the splendor of royalty which borrowed lustre from her virtues then heart broken found retirement where with a meek resignation that contrasts beautifully with the untamed ambition of the illustrious exile of St Helena she lived till her death
