**The Life of Jesus Christ** Russell Shaw, 2021-07-23 How often have you heard the Gospel at Sunday Mass and wondered What happens next Often our only experience of the Gospels is of those isolated segments taken out of context like unassembled pieces of a jigsaw puzzle rather than the story of our Savior's life The Life of Jesus Christ Understanding the Story of the Gospels aims to change that experience Author Russell Shaw weaves together the events of Matthew Mark Luke and John's narratives in chronological order to capture a true and rounded picture of Jesus' life The Life of Jesus Christ is the scriptural companion you've been searching for Together the four Gospels reveal Jesus Christ God Incarnate as a man of complexity and depth compassionate but stern who knew how to laugh and how to cry a charismatic leader uninterested in worldly power a subtle thinker who drew sublime messages from ordinary life With Shaw guiding you you'll truly get to know the Son of God in a new way

**The Life of Jesus Christ** Ludolphus de Saxonia, Milton T. Walsh, 2018      **The Amazing Life of Jesus Christ, Part Two** Big Dream Ministries, Leslie Strater, 2017-08      **The Life of Jesus Christ** James M. Stalker, 2016-03-17 Through the years there have been many biographies of Christ published but none have endured in popularity and demand as this work. It was first published in 1884 and translated into many foreign languages but now for the first time it is updated and revised leaving the majority of the original material intact. It is easy to see why this work has seen continued success. The details of Christ's life are presented in a vibrant and cohesive style that brings alive the life of Christ. Stalker, a noted Scottish theologian, has carefully crafted a doctrinally sound and accurate masterpiece on the life of Jesus Christ that will long outlast the modern attempts at portraying his life. The language and format was updated for modern readers and the English Standard Version (ESV) has been used for a modern translation of scripture. Maps and timelines have been added to provide the most recent scholarly research. An updated bibliography and index of subjects is also provided to assist the user in accessing the material. The chapters include The Birth, Infancy and Youth of Jesus, The Nation and the Time, The Final Stages of His Preparation, The Year of Obscurity, The Year of Public Favor, The Year of Opposition, The End, Hints for Teachers and Questions for Pupils. This work concludes with a suitable resource intended for laypeople who want to know more about Jesus Christ, whether in seminary courses, college classrooms, homeschooling, grade 8 and up church groups, or personal study. Mr. Stalker gives a masterly miniature, and thousands will see more of Jesus in it than in the life-sized portraits. Charles H. Spurgeon, Prince of Preachers. It is remarkable for its originality, clarity of method, clearness of style, comprehensiveness of view, and suggestiveness of matter. William M. Taylor, D.D.      **The Life of Christ** Rufus Matthew Jones, 1926      **The Life of Jesus Christ according to the Gospel history** Anthony J. Maas, 1952      **The Amazing Life of Jesus Christ** Maria Athanasiou, 2010-03-20 Laced with lively illustrations, biblical references, and words, *The Amazing Life of Jesus* focuses on the three years of Jesus' ministry: the miracles he made and his life story. It explains to readers in detail how Jesus' coming was predicted and how he impacted people who knew him. Readers will also find compelling art works reflecting events and people from the Bible, from the Nativity to the wedding at Cana, Christ's exploits with the twelve disciples, and so much more. It also highlights several religious lessons about entering the Kingdom of Heaven and achieving spiritual purity. With its compelling narrative and presentation, this release promises to make it easy for readers, especially children, to understand and learn the Word of God deeply. A collection of the Holy Scriptures accompanied with vivid iconographic watercolor illustrations tell the story of Jesus and show that the Prophecy of the Old Testament is fulfilled. Furthermore, this book emphasizes how relevant and essential the Messiah's teachings remain to this day. This release is a must-have for devout Christians and people seeking direction in their lives.      **The Life of the Lord Jesus Christ: a Complete Critical Examination of the Origin, Contents, and Connection of the Gospels. Translated from the German** Johann Peter Lange, 1864      **Jesus Christ** Joshua Roy Porter, 2004 Illuminating the life of Jesus, his historical context, his religious teachings, and the changing perceptions of him over the centuries, this lavishly

illustrated volume offers one of the most comprehensive and authoritative accounts available of this great and charismatic man. Featuring some 180 illustrations including 20 full color maps and numerous boxed and sidebar features that shed light on interesting facets of the story, Jesus Christ paints a vivid portrait of Christ's life from the Nativity to the Ascension. Drawing on the Gospels and other evidence, J. R. Porter disentangles many of the mysteries and confusions surrounding the life of the historical Jesus, such as the role of women in his career and the political issues surrounding his trial, and paints a detailed background portrait of all aspects of society in first century Palestine from the fishing communities of Lake Galilee to life under Roman rule. Porter also explores the teachings of Christ, looking at his use of parable, his view of Hebrew Scriptures, and his attitude toward the law and his thinking about the Kingdom of God. And the book assesses the many interpretations of Christ down through the ages from his immediate impact on the early Church to the changing image of Jesus in art and illustration to his perceived role as apocalyptic preacher, revolutionary, mystic, and prophet. A marvelous gift at Easter time or for a child's confirmation, this attractive informative volume gives us an inspiring portrait of one of the most complex figures in world history.     The Life of Jesus Christ Frank Pakenham Earl of Longford, 1974
