Life of Rev. Mother Saint Joseph , Foundress of the Congregation of Sisters of St. Joseph of Bordeaux Pierre François Lebeurier,2024-06-11 Reprint of the original first published in 1876 [The Life and Glories of St. Joseph](#) Edward Healy Thompson,Edward Healy Thompson Ma,2013-04-21 Spend your life in honouring St Joseph and your love and homage will never equal the love and homage paid to him by Mary it will approach never so distantly to the obedience the love the homage paid to him for thirty years on earth by the Son of God But in proportion as your heart grows towards him in the reverence and unbounded confidence of a son will you trace in your soul a more faithful copy of the Incarnate Word Letter on Devotion to St Joseph by Herbert Bishop of Salford 1877 Passages from the visions and revelations of saints and holy contemplatives St Bridget Sister Maria of Agreda and others have been interwoven with the narrative simply in the way of illustration and not as being invested with authority except in the sense in which after due examination they have been favoured with ecclesiastical approval namely as containing nothing contrary to faith and morals and affording pious and profitable helps to meditation Finally observations and reflections have been introduced as occasion offered which were suggested by various authors whose works have been consulted or which occurred to the writer s own mind from consideration of the materials before him It is no uncommon idea even among Catholics that the devotion paid to St Joseph and the lofty estimate of his prerogatives now prevailing in the Church are innovations of comparatively modern date and that they have no precedent or sanction in antiquity But this is far from being the case In the writings of the ancient Fathers are to be found not only what may be called prolific germs but also positive and explicit statements of doctrine which sufficiently show how deep in the consciousness of the Church lay the belief of Joseph s exalted dignity and sanctity and how definite a shape it had assumed even in the early ages The devotion paid to him has it is true been much more distinctly

formulated in later centuries when his place in the celestial hierarchy came to be more fully recognised but from the first this great Saint had a peculiar attraction for many holy and gifted souls who regarded him with singular veneration and affection as the citations given abundantly testify *The Book of Joseph (Condensed Edition)* José Rodrigues, 2024-12-11 From Fr Donald Calloway MIC The Book of Joseph is one of the best books I have read on St Joseph There are many academic works that have been written on St Joseph but sometimes the scholarship gets in the way of devotion making for a boring and dry presentation That s not the case with this book Jos Rodrigues definitely knows and loves St Joseph This book is scholarly but also very pious and devotional appealing to the heart and offering the best of Catholic tradition on St Joseph I highly recommend this book Fr Donald Calloway MIC author of Consecration to St Joseph The Wonders of Our Spiritual Father Using the words of Popes Saints and approved mystics The Book of Joseph aims to dispel the common belief held by many that nothing is known about the saint other than what is mentioned briefly in the Holy Bible This work which has been granted the Imprimatur presents the life of St Joseph beginning with the faithful prayers of his parents to conceive a son his birth and childhood harassments by the devil his marriage to the Blessed Virgin Mary the birth of and life with Christ through to the circumstances of his holy death his glorification in Heaven and his life in the Church This book also includes a section on prayer and devotion and features a selection of artwork
