Sri Aurobindo,2016-07-31 This volume consists primarily of articles originally published in the nationalist newspaper Karmayogin between June 1909 and February 1910 It also includes speeches delivered by Sri Aurobindo in 1909 The aim of the newspaper was to encourage a spirit of nationalism to help India recover her true heritage and remould it for her future Its view was that the freedom and greatness of India were essential to fulfilling her destiny to lead the spiritual evolution of humanity **The Essential Aurobindo** Sri Aurobindo,2001 Who wrote the Gospel of John The author identifies himself only as the disciple whom Jesus loved and Christian tradition tells us that this disciple was the apostle John However during the past century scholars have increasingly come to doubt that attribution In 1902 Rudolf Steiner wrote that the author of the Gospel of John was in fact Lazarus Steiner's position stemmed from his insight that Lazarus's encounter with death involved far more than people realized an initiation into higher spiritual realities that uniquely qualified him to write this gospel Edward Smith takes up this argument and shows that subsequent research has tended to favor Lazarus for reasons grounded in John's Gospel itself More important Smith shows that subsequent discoveries at Nag Hammadi and Mar Saba corroborate Steiner's reasoning about the nature of the raising of Lazarus pointing to Lazarus as the rich young ruler of Mark's Gospel

The Future Evolution of Man Sri Aurobindo,2016-07-31 The modern world's structures are changing rapidly as new problems arise from advances in science and technology Man's mind is unable to keep pace with the movement he has himself set in motion and the unsolvable problems that confront him yet he aspires to self mastery perfection peace beauty and love What is the meaning of terrestrial life and the present evolutionary crisis This anthology compiled from Sri Aurobindo's The Life Divine The Synthesis of Yoga and The Human Cycle deals with this crucial question tracing the past and pointing to the future of human evolution both individual and social **The Life of Sri Aurobindo** Ambalal Balkrishna Purani,1964

The Hour of God Sri Aurobindo,1959-08-15 The pieces collected together in this book were written by Sri Aurobindo between 1910 and 1940 None of them were published during his lifetime none received the final revision he gave to his major works Most of the pieces were first printed in various journals published by the Ashram and subsequently in the different editions of The Hour of God beginning with the first edition 1959 In reading these essays one gets the very distinct feeling that the author really does know whereof he speaks Here we are able to sit in his lap and listen as he fabricates one description after another of the ineffable and explains how we too can share in the realization awaiting us at the end of what seems in the clarity of his vision to be not such an arduous path It is not that he ever says that the way is easy quite the contrary but the certainty with which he speaks seems to put it into reach **The Life Divine** Sri Aurobindo,1990 The Life Divine explores for the Modern mind the great streams of Indian metaphysical thought reconciling the truths behind each and from this synthesis extends in terms of consciousness the concept of evolution The unfolding of Earth's and man's spiritual destiny is illuminated pointing the way to a Divine Life on Earth Index **Mystic Fire** Atulindra Nath
