Legends Buddhaghosa,1999 **Sons of the Buddha** Jason A. Carbine,2011-05-04 Intended as a methodological and theoretical contribution to the study of religion and society this book examines Buddhist monasticism in Myanmar The book focuses on the Shwegyin one of the most important but least understood monastic groups in the country Analyzing the group as a tradition constructed around ideas of continuity and disruption rupture the study illuminates key aspects of monastic and wider Burmese Buddhist thought and practice and ultimately argues for the distinctiveness of elements of that thought and practice in comparison to the Buddhist cultures of Sri Lanka and Laos After situating the Shwegyin within the history of Buddhist monasticism more generally and within the vicissitudes of modern Burmese political history the book proceeds along two scholarly avenues It adopts an interdisciplinary method with attention to biographical administrative doctrinal and ethnographic evidence Theoretically the book engages scholarly discussion about traditions and their traditionalisms and advances a specific type of interpretive approach built on bringing the viewpoints and practices of the Shwegyin into conversation with the enterprise of understanding larger historical and cultural patterns in the Buddhist societies of South and Southeast Asia The Buddha and His Teachings Narada,2006-01-01 Description The Buddha was the first most active missionary in the world He wandered from place to place for forty five years preaching His doctrine to the masses and the intelligentsia Till His last moment He served humaity both by example and by percept His distinguished disciples followed suit Penniless they even travelled to distant lands to propogate the Dhamma expecting nothing in return This treatise written by a member of the Order of the Sangha is based on the pali Texts commentaries and traditions prevailing in Buddhist countries The first part of the book deals with the Life of the Buddha the second with the Dhamma the Pali term for His Doctrine *Buddha and His Teachings, The Ven. Narada Thera*,2017-06-10 This is one of the clearest and most detailed introductions to the fundamental teachings of Buddhism available in English In simple and lucid language the author explains the doctrines and concepts which form the common bedrock of Buddhism as they have been preserved by the Theravada school The first part of the work is devoted to the life of the Buddha The remainder of the book explains in detail the Buddha s teachings the final chapter showing the relevance of Buddhism to the problems of modern life Buddha's Dying Words Erik Knud-Hansen,2025-05-19 In Buddha s Dying Words author Erik Knud Hansen offers a condensed personal view of the Buddha s enlightenment and what he himself regarded as the most essential elements of practical wisdom to preserve after his death in 486 BC His insights into the true nature of mind and the root cause of human suffering had profound effects on many people from all walks of life and many were inspired to practice and share his teachings Buddha s Dying Words focuses on the timeless spiritual knowledge that the Buddha left as guidance to help us see through the confusions and illusions within our own minds to see for ourselves what is true without needing to take anyone else s word for it The Dharma he taught elucidates a way of awakening intuitive insight from the inside out liberating the mind from all that hinders clarity in our true heart of consciousness This empowers faith and confidence in our inner refuge of deep presence even when we face

our own dying moments Ultimately it is compassionate to share this wisdom and wise to practice kindness and compassion

Moving Picture World and View Photographer ,1917 **Receptacle of the Sacred** Jinah Kim,2013-04-12 In considering medieval illustrated Buddhist manuscripts as sacred objects of cultic innovation Receptacle of the Sacred explores how and why the South Asian Buddhist book cult has survived for almost two millennia to the present A book manuscript should be understood as a form of sacred space a temple in microcosm not only imbued with divine presence but also layered with the memories of many generations of users Jinah Kim argues that illustrating a manuscript with Buddhist imagery not only empowered it as a three dimensional sacred object but also made it a suitable tool for the spiritual transformation of medieval Indian practitioners Through a detailed historical analysis of Sanskrit colophons on patronage production and use of illustrated manuscripts she suggests that while Buddhism s disappearance in eastern India was a slow and gradual process the Buddhist book cult played an important role in sustaining its identity In addition by examining the physical traces left by later Nepalese users and the contemporary ritual use of the book in Nepal Kim shows how human agency was critical in perpetuating and intensifying the potency of a manuscript as a sacred object throughout time **Bulletin of the New York Public Library** New York Public Library,1916 Includes its Report 1896 19 *The Circle of Bliss* John C. From one of the world's leading Buddhist scholars a deeply researched and unprecedented portrait of the Buddha Like Jesus and Muhammad the Buddha is one of the most significant figures in history But is he a historical figure In this revelatory book Donald S Lopez Jr explores this question and considers what is at stake in the answer Using stories of the Buddha's life drawn from the earliest biographies the work of other scholars and his own research Lopez traces a single narrative from the Buddha's birth to his enlightenment to his passage into nirvana Unlike those who transformed the Buddha into a rationalist philosopher Lopez seeks to remythologize the Buddha restoring the rainbow that encircled the Buddha for centuries radiating his teachings around the world Complementing traditional Buddhist sources with insights from Gustave Flaubert Oscar Wilde George Eliot and others Lopez produces a rich accessible and unprecedented portrait of one of the world's most important religious figures
