 the inner voice or the gut feeling an all encompassing source of creativity and wonder opens up which provides the answers
 to all questions and goes far beyond Man himself becomes a creator as part of a universal whole This can sometimes also
 happen in dreams but only the subconscious acts there so that the dreamed events usually only remain a vague memory and
 cannot effect anything in reality The coaching is therefore about establishing a conscious connection in order to distract the
 focus from rational mind and ego and finally to direct it into the heart The Brueckmann Method combines free imagination
