Our Love Could Light the World Anne Leigh Parrish,2025-07-30 You know the Dugans They re that scrappy family that lives down the street Their yard is overgrown they don't pick up after their dog their five children run free leaving chaos in their wake and the father hasn t earned a cent in years The wife holds them together on her income alone You wouldn't want them for neighbors but from a distance they re quite entertaining You can tell from the empty bottles lying under the bush out front that alcohol is an issue in the household and all things considered you can hardly blame the wife for leaving one day Without her at the helm the rest carry on the best they can Their strong sense of family keeps them going They help and in some cases rescue each other as they struggle for a better life And while they never follow the rules or completely conquer the adversity with which they re faced they do manage to meet their challenges and even earn some much needed respect Along the way they might even make you proud Set in the Finger Lakes region of upstate New York the twelve linked stories of Our Love Could Light The World depict a dysfunctional family that s messy and rude cruel and kind and loyal to the end
