**The Band Director's Pocket Guide to Spiritual Growth** Donald Lee, 2022-12-25 In this little booklet you'll find a simple yet relatively unknown process you can use to make definite and rapid spiritual progress You'll find no theology no dogma no rules just three simple steps to help you become the person you want to be and God intended you to be If you have attended workshops and retreats read spiritual books gone on pilgrimages and sat for hours in prayer and meditation yet still feel like you're spiritually spinning your wheels this simple method might be the thing that finally gives you some traction This method transcends religion It doesn't matter which religion you follow or if you've no religion at all 1 The first step is to set spiritual goals We set goals in every other aspect of our lives Why not with our spirit But it's not quite the same Setting spiritual goals is a little different 2 The second step is connecting to the Divine within This might seem strange to you Maybe you thought God was something outside of you But there are some simple and direct ways to connect to that divine within whatever name you choose to give it 3 The third step is to practice Just like learning to play a musical instrument or learning any skill you have to practice This book gives you some guidance on how to do that In the end the Band Director can give you a musical instrument and some instruction but the instrument is in your hands It's up to you to become whatever you choose to be But you might want to consider the bigger vision that God has for you You are meant to be far more than you imagine On your spiritual journey you can choose to progress or regress to move slowly or quickly to pause and plateau or rush

forward with wild abandon Our destination is God Why tarry Why not choose the fast track of spiritual growth This booklet is about how to change yourself for the better You can be the person you desire to be You can be a saint In fact that is your destiny You are here for that God has put the desire into your heart He is calling to you Forge ahead timid pilgrim the Promised Land awaits
