Sinicization Beyond Great Wall:

Sinicization Beyond the Great Wall Anwar Rahman, 2005 Describes Xinjiang and its native indigenous people under the Chinese rule since the People's Republic of China was founded in 1949 The highlights of this book are the author's analyses on the modern Chinese policies towards its minority nationals It is a useful handbook for those interested in China's ethnic problems and Central Asian studies Beyond the Great Wall Jeffrey Alford, Naomi Duguid, 2008-05-01 WINNER OF THE 2009 JAMES BEARD FOUNDATION INTERNATIONAL COOKBOOK AWARD WINNER OF THE 2009 IACP BEST

INTERNATIONAL COOKBOOK AWARD A bold and eye opening new cookbook with magnificent photos and unforgettable stories In the West when we think about food in China what usually comes to mind are the signature dishes of Beijing Hong Kong Shanghai But beyond the urbanized eastern third of China lie the high open spaces and sacred places of Tibet the Silk Road oases of Xinjiang the steppelands of Inner Mongolia and the steeply terraced hills of Yunnan and Guizhou The peoples who live in these regions are culturally distinct with their own history and their own unique culinary traditions In Beyond the Great Wall the inimitable duo of Jeffrey Alford and Naomi Duguid who first met as young travelers in Tibet bring home the enticing flavors of this other China For more than twenty five years both separately and together Duguid and Alford have journeyed all over the outlying regions of China sampling local home cooking and street food making friends and taking lustrous photographs Beyond the Great Wall shares the experience in a rich mosaic of recipes from Central Asian cumin scented kebabs and flatbreads to Tibetan stews and Mongolian hot pots photos and stories A must have for every food lover and an inspiration for cooks and armchair travelers alike **Xinjiang in the Twenty-First Century** Michael

Dillon, 2018-10-03 There has been a significant increase in the twenty first century in the frequency and intensity of violent incidents in the Xinjiang Uyghur Autonomous Region the far northwest province of China where the Uyghurs the Turkic speaking Muslim people who historically constituted the majority population feel themselves displaced and discriminated against by the growing in migration of Han Chinese The book explores the continuing unrest in Xinjiang It focuses in particular on the major violence of July 2009 in the city of Urumqi on repression and the practice of Islam in southern Xinjiang and on the policy of the Chinese Communist Party which has used the rhetoric of the War on Terror to justify its repression in terms which it hopes will gain sympathy from the international community The book relates these particular points to the development of China Uyghur relations more broadly in the longer historical perspective and concludes by discussing how the situation is likely to unfold in future **A Chinese Rebel Beyond the Great Wall** Tiejun Cheng, TJ

Cheng, Uradyn E. Bulag, Mark Selden, 2023-10-24 During Mao Zedong's Great Leap Forward hundreds of thousands of famine refugees in the recently founded People's Republic of China set their sights on the agricultural promise of Inner Mongolia Cheng Tiejun was one of those refugees arriving in Inner Mongolia in 1959 In 1966 as the PRC plunged into the tumultuous events of the Cultural Revolution he joined the millions of students and young intellectuals in the Red Guards who saw in the

early days of the Cultural Revolution an opportunity to shape a new nation embracing freedom and equality In Inner Mongolia however that year saw the Party led destruction of the Mongol centered autonomous polity led by Ulanhu In the years after the fall of Ulanhu s administration the region descended into a living hell for Mongols Even those among the rebels were accused of being Ulanhu sympathizers and tortured for information At the heart of this book are Cheng s first person recollections of his experiences as a rebel These are supplemented by a close examination of the documentary record of the era as patchwork and censored as it is from co authors Mark Selden and Uradyn E Bulag The final chapter offers a theoretical framework to understand such persecution Its goal was not to destroy the Mongols as a people or as a culture that is it was not a genocide It was however a politicide an attempt to destroy an officially and politically recognized nationality in possession of an autonomous region forcing Mongols to assimilate as ethnic minorities within a Chinese nation This unusual narrative provides urgently needed primary material to understand the events of the Cultural Revolution while at once offering a novel way to understand contemporary Chinese minority politics

Islam in China & The Plight of the Uighurs Cometan,2019-12-19 Full title Critical analysis of the presence of Islam in China and the current plight of the Uighur Muslims in Xinjiang The central postulation made in this essay is that the current plight of the Uighur Muslims in the Xinjiang province of China is two pronged in its cause The first involves a deeply rooted historical rejection or at least suspicion of any religion that is not Chinese in origin and secondly involves a concerted effort on behalf of the Chinese Communist Party to gain greater control over a people group whom it sees as representing a threat to its authority and dominance in the province of Xinjiang To justify the validity of this statement this essay will be divided into three distinct parts the first two parts will explore the historical background and present day context of Islam in China with the aim of clarifying the Chinese worldview on foreign religions and people groups These will act as important contributions to culminate into the third part which will focus on the current occurrence of sinofication sinicisation in the Xinjiang province to the detriment of the human rights religious and cultural liberties and the very existence of the Uighur Muslim ethnic group The essay will provide a historical context by explaining the timeline of the presence of Islam across different parts of China where it experienced the most activity and adherence This particularly includes the southwestern ports where it was brought into the country by Arab traders as well as in the westernmost reaches as a result of being part of the outer edges of different Islamic empires that held territory across Central Asia

Ethnic Identity and National Conflict in China A. Acharya,R. Gunaratna,W. Pengxin,2010-06-21 While not discounting the potency of the radical Islamic religious discourse in fuelling the contemporary wave of terrorism this book makes an attempt to explain terrorism in China as an ethno nationalist conflict rooted in issues involving minority identity However a largely domestic conflict is being hijacked by the radical Islamists

Uyghur Texts in Context Frederick de Jong,2017-11-01 The current volume presents a selection of 126 texts in Uyghur posted in public spaces translated and annotated for this book The author started photographing Uyghur texts in 2008 at the

time of the Beijing olympics and continued to do so during 2009 the year of the so called Urumqi uprising of July 5 This event generated a stream of texts posted in public spaces that reflected the efforts made by the authorities to re establish control In the course of his travels in the years thereafter the author continued to add to the corpus of photographed Uyghur texts At the same time he started collecting as comprehensively as possible various types of folders brochures handouts and product wrappings with texts illustrating aspects of Uyghur culture and society The texts published here for the first time are primary source materials documenting a wide variety of aspects of daily life of the Uyghurs in Xinjiang The implicit messages or explicit references contained in many of these texts give them significance as clues towards an understanding of the existential realities they reflect or illustrate
