Sino Japanese Axis

Caroline Rose

Sino Japanese Axis:

The Sino-Japanese Axis Robert Taylor, 2013-12-17 The book sets out to examine Sino Japanese relations especially since the re establishment of diplomatic ties between China and Japan in 1972 Post war political economic and cultural relations are placed in their historical context and the modernization processes in each country are compared First published in 1985 this title is part of the Bloomsbury Academic Collections series The Sino-Japanese Axis Robert Taylor, 1985

Interpreting History in Sino-Japanese Relations Caroline Rose, 2005-08-04 The first book length study to examine the re writing of school textbooks by the Japanese Education Ministry in an attempt to play down atrocities in China during World War II The famous textbook crisis in 1982 was at the centre of a diplomatic storm extending through the 1980s as Sino Japanese relations were beset by a series of political controversies This fascinating account of the period reveals that Chinese and Japanese policy makers were more concerned with changes taking place in international and domestic politics than with adopting a correct view of history

Japan's Relations With China Peng Er Lam, 2006-04-18 The essays in this collection examine Sino Japanese political relations given the phenomenon of a rising China and a stagnating Japan Questioning whether their relationship is one of cooperation or conflict the book reviews China and Japan s bilateral ties to see whether they have deepened and broadened despite differences in outlook national interest and political systems Adding a new perspective to the Sino Japanese political relations discussion the book looks beyond the interactions of central governments to examine the role of NGOs local governments and sub regional linkages The contributors adopt a range of analytical approaches and explore case studies including the Taiwan issue Japanese Official Development Policy towards China and joint fishery management in the East China Sea With perspectives from the US Russia and Malaysia the book yields new insights into this complex and multifaceted relationship and is a welcome addition to the current literature

A Decade of Sino-Japanese Relations, 1978-1988 Choan-young Chang, 1990 Northeast Asian Regionalism Christopher M. Dent, David W. F. Huang, 2002 This examination of developments in North East Asian regionalism looks at security international relations international political economy and politics together with historical social and cultural factors

Inside China's Grand Strategy Ye Zicheng, 2011-01-01 China s enormous size vast population abundant natural resources robust economy and modern military demonstrate that the nation has emerged as a great world power Inside China s Grand Strategy The Perspective from the People s Republic analyzes China s economic social political and military development assessing the extent of China s dominance Highly regarded Chinese scholar Ye Zicheng offers a rare insider s perspective on the country s geopolitical ambitions and strategic thinking Inside China s Grand Strategy argues that China s primary obstacle to achieving enduring status as a world power is its domestic state of affairs Ye examines the impact of unemployment corruption massive economic gaps between classes population size strains on natural and labor resources environmental degradation and other issues that impede China s continuing development Some analysts claim that

repressive domestic policies threaten the country's goal of modernization but Ye points to China's recent inclusion in the G 20 as an indicator of future success Ye contends that China's progress hinges on many factors peaceful development extensive governmental reform with a system of checks and balances social and economic development on the mainland and strategies for reunification especially with Taiwan Ye asserts that military pressure may be required to integrate Taiwanese separatist forces but advises that development should remain China's primary goal because it will eventually lead to unification Although Ye argues that democracy is the only way to repair the corrupt systems that perpetuate economic inequality he specifies that a Western style democracy is not what China needs As the United States destiny is increasingly bound to China's growth and American policies are being evaluated in the realm of geopolitics it is important to gauge and understand China's ambitions An authoritative and up to date analysis from within Chinese society Inside China's Grand Strategy is an indispensable resource for Western scholars offering a new window on Chinese development

Sino-Japanese Relations Niklas Swanström, 2013 Sino Japanese relations have been on the mend since Shinzo Abe assumed the Japanese Prime Minister's office in September 2006 His visit to China in October 2006 and the reciprocal visits of Chinese Prime Minister Wen Jiabao in April 2007 and President Hu Jintao in May 2008 facilitated the further thawing of bilateral relations under the framework of OCO mutually beneficial relationship based on common strategic relationship OCO A substantial number of additional events have indicated the continuation of the positive trend in the strengthening of the bilateral relations However several issues continue to obstruct the building of long term confidence between the two Asian giants Despite the overall improved relations there is very little structural thinking about how to move the Sino Japanese relations to the next level and how to institutionalize security dialogues at the regional and international level This book provides an overview of the current situation and also gives suggestions on what is needed to move beyond the haphazard level of cooperation in Northeast Asia especially as the six party talks seem to have broken down It focuses on Chinese and Japanese perceptions of the bilateral situation and the potential of and need for multilateral structures in managing the future

Area Bibliography of Japan Ria Koopmans-de Bruijn, 1998 Provides a general overview of literature relating to Japan and covers a broad range of subject matter from art feminism and linguistics to corporate culture history and medicine Includes books published since 1980 that are related to the geographical area of Japan and to Japanese culture within that area

Asia-Pacific Security Dynamics S. Mahmud Ali, 2025-01-22 This book examines the causes and consequences of the dramatic shift in Japanese national security perspectives and mutually exclusive policies toward China and the USA It sheds new light on the changing trajectories of triadic dynamics shaping U S China Japan strategic insecurity their historical roots its implications for trans Pacific peace and stability and their potential influence on emerging regional and systemic security architectures Against the backdrop of U S proclaimed great power competition with China as the defining feature and organizing principle of the U S led coalition's strategic and geopolitical responses to China's national rejuvenation with

primacy's displacement anxiety triggering a systemic transitional fluidity the book examines the origins and outcomes of Sino-Japanese insecurity its polarizing effects on U S China and U S Japan relations and the wider systemic resonances and dissonances as the post Cold War unipolar systemic structure gives way to an uncertain ambiguous and imprecise successor regime Finally historical lessons drawn from primary documents are used to illuminate the prospects for triangular relations in shaping the Asia Pacific security ecology over the medium term *Japan, China and Networked Regionalism in East Asia*

J. Rathus,2011-10-04 Viewing the rise of China from Japan's perspective the author elucidates Japanese policy responses and their implications for regional institution building It fills a gap in knowledge about the development of East Asian regional institutions and Sino-Japanese relationships **Canada's Road to the Pacific War** Timothy Wilford,2011-09-12 In

December 1941 Japan attacked multiple targets in the Far East and the Pacific including Canadian battalions stationed in Hong Kong The disaster suggested that the Allies were totally unprepared for war This book dispels that assumption by offering the first in depth account of Canadian intelligence gathering and strategic planning on the eve of the Pacific War Canadians worked closely with their US and Allied counterparts to develop a picture of Japan's intentions and a strategic plan to meet challenges in the Pacific Although Canada wanted to avoid conflict with Japan until US participation was assured policy makers anticipated action in the Pacific and made preparations for defence which included the internment of Japanese Canadians By highlighting Canada's role as a Pacific power Timothy Wilford sheds new light on events that led to the crisis in the Far East as well as to the creation of the Grand Alliance Contemporary China Jurgen Haacke,Peter Preston,2013-12-19 With a large and growing economy and a leadership dedicated both to domestic reform and the further integration into international society and the world economy China is facing and posing important challenges at the local national regional and wider international level This book analyses the developmental trajectories of China up to and into the new millennium Focusing on the substance and underlying forces of change it considers issues and developments in monetary policy foreign exchange policy the trade regime state owned enterprise reform regional economic development as well as social changes particularly those related to social welfare reform and the Internet The book also covers economic and political developments in Greater China particularly the prospects of reunification after Taiwan's presidential elections and analyses the core issues and challenges in China's contemporary relations with the USA Japan South East Asia and Europe

China, the United States and the Soviet Union Robert S. Ross,2016-09-16 This text considers the importance of various factors which influenced the policies of each country during the Cold War including strategic considerations domestic politics and ideology **International History of the Twentieth Century and Beyond** Anthony Best,2008 This major

global history of the twentieth century is written by four prominent international historians for first year undergraduate level and upward Using their thematic and regional expertise the authors cover events in Europe Asia the Middle East Africa and the Americas from the last century and beyond Among the areas this book covers are the decline of European hegemony over

the international order the diffusion of power to the two superpowers the rise of newly independent states in Asia and Africa the course and consequences of the major powers

China and the International System, 1840-1949 David Scott, 2008-11-07 As China continues its rapid ascent within the international system questions of where it came from have particular relevance Combining history with international relations theory David Scott considers China's first substantive modern period of encounter with the West from 1840 through 1949 a period characterized as the Century of Humiliation During this time China fell from Middle Kingdom preeminence to a position in the international system that remained an enigmatic and challenging one too strong to be taken over as a colony yet not strong enough to shape its own destiny At the heart of Scott's study is encounter and with it questions of power presence and perceptions He examines the images hopes and fears that were evoked during China's century long subservience to external powers including opposing views of China as a threat or China as the sick man of Asia and the West as evil or the West as savior China and the Chinese are explored in terms of their interaction with the international system with a particular focus on America and Australia

A New Look at Nagasaki, 1946 Eamon Doherty, 2008-10-20 This book takes both a historical and personal view of the atomic bombing of Nagasaki on August 9 1945 The historical view is provided by Dr Devine Joel Liebesfeld Todd Liebesfeld Esq and Prof Schubert The personal view is presented by Dr Doherty who discusses the account of Robert J Walsh a U S Army 34th Infantry soldier telephone lineman who was stationed near Nagasaki Robert took approximately 275 pictures for his photo album with a simple Kodak camera Many of the pictures are at ground zero and show the devastation of the atomic bomb as well as a marker for the epicenter Robert was also electrocuted on high voltage wires and fell off a telephone pole to the ground His back was broken in three places and he was put in a coma so that he would stay still and the back could be fused While in a coma Robert was lost in one of the nearby hospitals His mother received a telegram that he was lost His mother was completely beside herself and turned to Congressman Fred A Hartley Jr for help Congressman Hartley launched an investigation and found Robert in a hospital in Japan Robert was in a body cast for two years part of it in a coma but did not get a bed sore due to the results of a Japanese nurse named Snowball who invented a special medical instrument that she used with Robert Robert was brought back home and brought back to Walter Reed Hospital where doctors used innovative techniques to help him heal and walk again The book also ends with Robert as a senior citizen who lives a normal life leading a dance group at his retirement center

Japan's Cold War Policy and China Yutaka Kanda, 2019-11-22 From 1960s to the early 1970s in East Asia the Cold War bipolar system centering on the US and USSR shifted to a more complicated structure After the Cuban Missile Crisis Washington and Moscow accelerated the détente process leading China to fear a collusion of the two superpowers Publicly attacking its former ally while continuing to fight against America China rose as a symbol of multipolarization in international politics during this era Focusing on Japan's policy toward this changing paradigm Kanda examines Japanese leaders' perceptions of the international order and how they reacted to this changing international

environment This book moves beyond the traditional Eurocentric view of the Cold War emphasizing the significant role Japan played The research provides insight into the foreign policy patterns of post World War II Japanese diplomacy particularly in relation to China and the USSR The investigation relies on careful readings of archival records from Japan China Taiwan the US the UK Australia and the UN published diplomatic documents from France and Germany and personal papers diaries and memoirs This volume will appeal to anyone who is interested in postwar Japan s politics and diplomacy international history of East Asia and the Cold War history in general

International History of the Twentieth Century and Beyond Antony Best, Jussi M. Hanhimäki, Joseph A. Maiolo, Kirsten E. Schulze, 2014-12-17 This hugely successful global history of the twentieth century is written by four prominent international historians for first year undergraduate level and upward Using their thematic and regional expertise the authors have produced an authoritative yet accessible and seamless account of the history of international relations in the last century covering events in Europe Asia the Middle East Africa and the Americas They focus on the history of relations between states and on the broad ideological economic and cultural forces that have influenced the evolution of international politics over the past one hundred years The third edition is thoroughly updated throughout to take account of the most recent research and global developments and includes a new chapter on the international history of human rights and its advocacy organizations including NGOs Additional new features include New material on the Arab Spring including specific focus on Libya and Syria Increased debate on the question of US decline and the rise of China A timeline to give increased context to those studying the topic for the first time A fully revised companion website including links to further resources and self testing material can be found at www.routledge.com/cw/best Antony Best is Associate Professor in International History at the London School of Economics Jussi M Hanhimäki is Professor of International History and Politics at the Graduate Institute of International Studies Geneva Joseph A Maiolo is Professor of International History at the Department of War Studies Kings College London Kirsten E Schulze is Associate Professor in International History at the London School of Economics

New Regionalism and the European Union Alex Warleigh-Lack, Nick Robinson, Ben Rosamond, 2011-06 This book explores regionalism in the European Union in comparative context with Latin American African Asian North American regionalism It also investigates the links between the EU and other regional organisations and assesses the implications for the study of contemporary regionalism both inside and beyond Europe
