Sir Gadabout:

Sir Gadabout: Sir Gadabout and the Camelot Calamity Martyn Beardsley, 2008-09-18 Morag and Demelza Sir Gadabout's old adversaries have taken over the pet shop in Camelot village. They have adopted elaborate disguises and are keeping the real owner under lock and key, intending to cause so much chaos at the Round Table that they can move in and install themselves as King and Queen with their ridiculous claim to the throne backed up by doctored family trees. The knights at Camelot begin to realise that their pet food is having a strange effect and that pets they have bought from the shop aren't all they expected. Sir Gadabout himself has a little lizard which grows rapidly into a crocodile and terrifies everyone. The cause of the problem is eventually traced back to the pet shop and our determined knight is sent to investigate, resulting in the usual mayhem.

Sir Gadabout Martyn Beardsley, 2012-10-11 Sir Gadabout is a walking disaster. Voted the knight most likely to chop his own foot off in a fight, he shivers in his rusty armour when he has to face the brave Sir Lancelot in a joust. Sir Gads travels with his loyal squire Herbert to the wizard Merlin's cottage to get his ear stuck back in place after the joust and survives an attack by Merlin's crazed guard turtle. Then when Queen Guinevere is kidnapped, Sir Gads sets out to save the day. Join the loveable Sir Gadabout, loyal Herbert and Merlin's sarcastic cat Sidney Smith on a chaotic quest that will make every reader, child or adult, laugh out loud.

Sir Gadabout Gets Worse Martyn Beardsley, 2012-10-11 Meet Sir Gadabout, the Worst Knight in the World. When Excalibur is stolen, Sir Gads sets off with his trusty band of followers to find the evil Sir Ruyard the Rancid. They must face the worst if they are to return the mighty sword to its rightful home.

Sir Gadabout Does His Best Martyn Beardsley, 2012-10-11 Sir Gads, the Worst Knight in the World, is back with all his old friends: King Arthur and Queen Guinevere, Herbert, his faithful squire Sydney Smith, Merlin's sarcastic cat, and Dr McPherson. Merlin's Kung fu guard turtle to name but a few. This time he challenges Sir Mistabiti in a tournament and goes in search of Lucky, a three-legged goat last seen heading towards dangerous dragon country.

Sir Gadabout Martyn Beardsley, 2007

Sir Gadabout and the Little Horror Martyn Beardsley, 2012-10-11 Owing to a shortage of suitable knights, Sir Gadabout is entrusted with escorting one of King Arthur's children to Camelot. The beastly brat gives him the slip and poor Sir Gadabout ends up in terrible trouble, not surprising since he's the worst knight in the world.

Sir Gadabout Goes to Knight School Martyn Beardsley, 2012-10-11 When Sir Lancelot is called away from Knight School, Sir Gadabout becomes the teacher, even though he's the one who needs to learn a thing or two about courtly conduct. How can the lads defeat the King of Gaul and his angry mob with the worst knight in the world as their leader? A story full of comic cunning and chaos.

Sir Gadabout and the Ghost Martyn Beardsley, 2012-10-11 Sir Gadabout nods off at the Round Table and wakes up to find himself in the same room as a ghost. At first the ghost of Sir Henry makes Sir Gads clank his armour with fright, but he soon recovers his spirits and sets off on another calamitous quest to clear Sir Henry's name of the ghastly crime of pilchard stealing. Another side-splitting adventure with Sir Gads, his trusty squire Herbert and Merlin's sarcastic ginger cat Sidney Smith, raising a riot.

in Camelot **Sir Gadabout Out of Time** Martyn Beardsley, 2012-10-11 King Arthur desperately needs a haircut and because the royal barber is away he foolishly accepts Sir Gads offer to do the job The result is a disaster of course so he turns to Merlin for help Merlin s quick solution is a turn back time spell so that Arthur can return to the hour just before Sir Gads wreaked havoc on his hair However Sir Gads intervenes once more and King Arthur finds himself unexpectedly in the present day instead Trapped in the future Sir Gads must find a way to help Arthur and himself return to mediaeval times Knowing Sir Gadabout as we do it s not going to be easy *The Middle Ages in Popular Culture: Medievalism and Genre* Helen Young, 2015-07-08 This fascinating study places multiple genres in dialogue and considers both medievalism and genre to be frameworks from which meaning can be produced It explores works from a wide range of genres children s and young adult historical cyberpunk fantasy science fiction romance and crime and across multiple media fiction film television video games and music The range of media types and genres enable comparison and the identification of overarching trends while also allowing comparison of contrasting phenomena As the first volume to explore the nexus of medievalism and genre across such a wide range of texts this collection illustrates the fractured ideologies of contemporary popular culture The Middle Ages are more usually and often more prominently aligned with conservative ideologies for example around gender roles but the Middle Ages can also be the site of resistance and progressive politics Exploring the interplay of past and present and the ways writers and readers work engage with them demonstrates the conscious processes of identity construction at work throughout Western popular culture The collection also demonstrates that while scholars may have by and large abandoned the concept of accuracy when considering contemporary medievalisms the Middle Ages are widely associated with authenticity and the authenticity of identity in the popular imagination the idea of the real Middle Ages matters even when historical realities do not This book will be of interest to scholars of medievalism popular culture and genre
