Sir Gibbie

George MacDonald

Sir Gibbie:

Sir Gibbie George MacDonald, 2018-08-04 *Sir Gibbie* George MacDonald, 1880 *Sir Gibbie. Novel by George MacDonald*, 2017-01-28 *Sir Gibbie* is an 1879 novel by the Scottish author George MacDonald. It is notable for its Doric dialogue but has been criticised especially by members of the Scottish Renaissance for being part of the kailyard movement. Despite this, there are far more who claim the book paints a fair view of urban as well as rural life. The book doesn't seem to dwell as long on physical geography as it does on the spiritual geography of the soul. MacDonald's editor Elizabeth Yates wrote of *Sir Gibbie*: "It moved me the way books did when as a child the great gates of literature began to open and first encounters with noble thoughts and utterances were unspeakably thrilling." The book shows a complex cast of characters from all the social levels from the laird to the homeless going through a couple of priests, one of them prone to yield to worldly considerations although he's good enough or clever enough not to fall into wickedness, the other merely pompous and self-righteous. Wee *Sir Gibbie* has all the numbers to become one of the dregs of society: a drunkard father, as a child he gets in a den of assassins in rags and poverty, he flies away, then he is punished for having done good to others. But he grows to become a Christ figure, a knight errant, a wrong righter. In 1937 the novel was included in an influential list of notable English language literature entitled *Literary Taste: How to Form It*, second edition. *Sir Gibbie (Esprios Classics)* George MacDonald, 2022-01-12 George MacDonald 1824-1905 was a Scottish author, poet, and Christian minister. He was a pioneering figure in the field of modern fantasy literature and the mentor of fellow writer Lewis Carroll. In addition to his fairy tales, MacDonald wrote several works of Christian theology, including several collections of sermons. His writings have been cited as a major literary influence by many notable authors. MacDonald's first novel, *David Elginbrod*, was published in 1863. His best-known works are *Phantastes*, *The Princess and the Goblin*, *At the Back of the North Wind*, and *Lilith* (1895). All fantasy novels and fairy tales such as *The Light Princess*, *The Golden Key*, and *The Wise Woman*. MacDonald also published some volumes of sermons, the pulpit not having proved an unreservedly successful venue. **Sir Gibbie George Macdonald** George MacDonald, 2017-06-22 *Sir Gibbie* is an 1879 novel by the Scottish author George MacDonald, written in the Doric dialogue of Scotland that presents a narrative rags to riches arc for the title character in the context of the actual emphasis on the integrity of Gibbie as an obedient Christian servant and indeed as a Christ-like figure despite his challenges and circumstances. Created as a means of supplemental income for MacDonald and his family, the characters of this and thematically related other works of his popular fiction also provided a means by which MacDonald's principle devotion, the spread of the Christian message and of his conception of Christian obedience, could be furthered as well. **Sir Gibbie** George MacDonald, 2015-08-08 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact and remains as true to the original work as possible.
