Love Never Dies: From Heaven My Sister Speaks Angela Dawn, 2014-09-04 Two sisters bound by love and courage continue their oh so familiar conversations regardless of being separated between the paths of life and death This is a true story of two deaths and one life which has proven that the bonds of love do exist beyond the grave After the sudden death of Angela's mother and shortly thereafter her sister Angela refused to believe that she had lost them forever She set off on a journey in search of the truth Her mother and sister guided and supported her as she discovered a world of existence in the afterlife They speak about their life in heaven about God the Creator the universe mankind the reason for living and the soul's purpose The discovery and understanding that Angela experienced brought much comfort in a time of grief Join Angela as she is taken on a journey in which she unravels the truth the truth of life **From Grief to Glory** Francine

Lessons from Saint Thérèse John Paul Thomas,2017-10-30 I will spend my Heaven doing good on Earth For more than a century Saint Thérèse of Lisieux also known as The Little Flower has captivated countless minds and hearts Her simple and pure heart burned with a deep love for our Lord and that love overflowed into the lives of many She daily inspired those who knew her and she continues to inspire those who read her story Her autobiography captures the beauty and profundity of her love in the most tender and affectionate way Her story reveals how devoted she was to Jesus and how she longed to be with Him forever in Heaven even from the earliest moments of her childhood This book offers 99 short lessons reflections and prayers from the life of Saint Thérèse of the Child Jesus and the Holy Face The lessons are based upon Saint Thérèse s own words as she shared her faith and her heart in the pages of the three manuscripts of her autobiography Story of a Soul Each subsequent reflection attempts to capture one of her countless virtues so as to savor the fragrance of this precious little flower of God and to apply it to the reader s daily life The prayer to conclude each lesson is not written only to be read it is written to be prayed You may find it helpful to pray that prayer slowly and meditatively at the end of each lesson and return to that prayer at the end of each day especially to the prayers that are most pertinent to your life The reader might wish to use this book as a daily reflection book reading one lesson each day Doing so will allow you to ponder one lesson from her saintly life at a time so as to absorb the sweetness of her love and the depth of her life However you might find it just as beneficial to read several lessons at a time This book is not intended to be a onetime read Rather the lessons we learn from Saint Thérèse s life are worth absorbing many times over The reflection and prayer after each lesson make this book a helpful source of daily self examination and prayer throughout life You who are parents might also find the lessons of St Thérèse of benefit in the formation of your children Telling Little Thérèse s stories will inspire and challenge your children as they grow and mature in their own lives of faith **Brady: Life Lessons From a Legend** Brian Boone,2023-09-05 Brady Life Lessons

Life Lessons from Slasher Films Jessica Robinson, 2012-06-07 Horror and slasher films are often dismissed for their apparent lack of sophistication and dearth of redeemable values However despite criticism from film snobs who turn up their noses and moralists who look down upon the genre slasher films are more than just movies filled with gory mayhem Such films can actually serve a purpose and offer their audiences something more than split skulls and severed heads In *Life Lessons from Slasher Films* Jessica Robinson looks at representative works that have been scaring audiences for decades from Alfred Hitchcock's seminal shocker *Psycho* to the cult classic *Black Christmas* and iconic thrillers like *The Texas Chainsaw Massacre* *Halloween* *Friday the 13th* and *Scream* In this book Robinson examines common themes that have emerged in these films their various sequels and countless imitators a maniacal and seemingly indestructible executioner sexual encounters that invariably lead to death increasingly gruesome ways to slaughter helpless victims and a lone female survivor who finds a way to vanquish the killer and looks beyond such tropes for what these films can teach us about life From practical advice listen to your elders to moral platitudes teens never learn each chapter considers a different lesson that these films teach Robinson discusses how the events portrayed in slasher films can resonate with viewers and perhaps offer constructive advice on how to conduct our lives A fun read for fans and scholars alike *Life Lessons from Slasher Films* offers an entertaining and persuasive look at how life can imitate art and what art can say about life
