THE LIVES OF AMERICA'S SUFFRAGISTS

JEAN H. BAKER

Sisters The Lives Of Americas Suffragists

E Durkheim

Sisters The Lives Of Americas Suffragists:

Sisters Jean H. Baker, 2006-08-22 Jean H Baker's *Sisters* shows how the personal became political In the fight to grant women civil rights They forever changed America Lucy Stone Susan B Anthony Elizabeth Cady Stanton Frances Willard Alice Paul At their revolution's start in the 1840s a woman's right to speak in public was questioned By its conclusion in 1920 the victory in woman's suffrage had also encompassed the most fundamental rights of citizenship the right to control wages hold property to contract to sue to testify in court Their struggle was confrontational women were the first to picket the White House for a political cause and violent women were arrested jailed and force fed in prisons And like every revolutionary before them their struggle was personal For the first time the eminent historian Jean H Baker tellingly interweaves these women's private lives with their public achievements presenting these revolutionary women in three dimensions humanized and marvelously approachable

Legends and Stories for a Compassionate America Luigi Morelli, 2014-05-05 Legends the second records periodic efforts to revive the original founding impulses Through the biographies of important individuals the role of national holidays and determining events the book allows the American soul to reveal itself When these phenomena appear in their fullest light the American dream appears as a whole that is more than the sum of its parts the stories and legends moreover it is a whole that is universal The book speaks with relevance and urgency to all who want to renew hope in the future of our nation and of the world Luigi Morelli is also the author of *A Revolution of Hope Spirituality Culture and Social Change*

The Woman's Hour Elaine Weiss, 2019-03-05 Both a page turning drama and an inspiration for every reader Hillary Rodham Clinton The nail biting climax of one of the greatest political battles in American history the ratification of the constitutional amendment that granted women the right to vote Nashville August 1920 Thirty five states have approved the Nineteenth Amendment granting women the right to vote one last state Tennessee is needed for women's voting rights to be the law of the land The suffragists face vicious opposition from politicians clergy corporations and racists who don't want black women voting And then there are the Antis women who oppose their own enfranchisement fearing suffrage will bring about the nation's moral collapse And in one hot summer they all converge for a confrontation replete with booze and blackmail betrayal and courage Following a handful of remarkable women who led their respective forces into battle *The Woman's Hour* is the gripping story of how America's women won their own freedom and the opening campaign in the great twentieth century battles for civil rights

The Suffragist Playbook: Your Guide to Changing the World Lucinda Robb, Rebecca Boggs Roberts, 2022-09-27 Do you have a cause you're passionate about Take a few tips from the suffragists who led one of the largest and longest movements in American history The women's suffrage movement was decades in the making and came with many harsh setbacks But it resulted in a permanent victory women's right to vote How did the suffragists do it One hundred years later an eye opening look at their playbook shows that some of their strategies seem oddly familiar Women's marches at inauguration time Check Publicity stunts optics and influencers They practically

invented them Petitions lobbying speeches raising money and writing articles All of that too From moments of inspiration to some of the movement s darker aspects including the racism of some suffragist leaders violence against picketers and hunger strikes in jail this International Literacy Association Young Adult Book Award winner takes a clear eyed view of the role of key figures Susan B Anthony Lucy Stone Sojourner Truth Elizabeth Cady Stanton Frances Willard Ida B Wells Alice Paul and many more Engagingly narrated by Lucinda Robb and Rebecca Boggs Roberts whose friendship goes back generations to their grandmothers Lady Bird Johnson and Lindy Boggs and their mothers Lynda Robb and Cokie Roberts this unique melding of seminal history and smart tactics is sure to capture the attention of activists in the making today Fight of the Century Barb Rosenstock,2020-06-16 The fight for women s suffrage between women s rights leader Alice Paul and President Woodrow Wilson is creatively presented as a four round boxing match in this energetic nonfiction picture book When Woodrow Wilson was elected President he didn t know that he would be participating in one of the greatest fights of the century the battle for women s right to vote The formidable Alice Paul led the women s suffrage movement and saw President Wilson s election as an opportunity to win the vote to women She battered her opponent with endless strategic arguments and carefully coordinated protests calling for a new amendment granting women the right to vote With a spirit and determination that never quit even when peaceful protests were met with violence and even when many women were thrown in jail Paul eventually convinced President Wilson to support her cause changing the country forever Cleverly framed as a boxing match this book provides a fascinating and compelling look at an important moment in American history Sarah Green s bright detailed illustrations perfectly accompany award winning author Barb Rosenstock s captivating narrative

Seeking the Right to Vote LeeAnne Gelletly,2014-09-02 It was women who first picketed the White House for a political cause In 1917 they held banners and signs calling for suffrage for women They wanted the right to vote These suffragists were continuing a protest that had begun in 1848 Elizabeth Cady Stanton helped found the suffrage movement Her friend Susan B Anthony shaped it They would both live long enough to see women gain the vote in a few states But it would take another generation to finish the campaign Among those activists were Carrie Chapman Catt who took a disciplined and moderate approach and Alice Paul whose confrontational style led to picketing the White House The fight to achieve the vote was long and hard Suffragists followed both moderate and militant paths But they shared the belief that women were citizens of the United States And that meant they had a right to vote
