Situated Lives Gender And Culture In Everyday Life:

Situated Lives Louise Lamphere, Helena Ragoné, Patricia Zavella, 1997 Utilizing rich ethnographic accounts and first person narratives the contributors to this work examine how ordinary people are responding to the complexities of living in today's world Among the issues discussed are counseling surrogate motherhood the abortion debate and cultural and economic domination in Jamaica and on the U S Mexican border *Feminist Anthropology* Pamela L. Geller, Miranda K. Stockett, 2007-06-19 Feminist Anthropology probes critical issues in the study of gender sex and sexuality While feminist anthropology is often perceived as fragmented this vital new work establishes common ground and situates feminist inquiries within the larger context of social theory and anthropological practice **The Bioarchaeology of Socio-Sexual Lives** Pamela L. Geller, 2016-07-28 This volume uses bioarchaeological remains to examine the complexities and diversity of past socio sexual lives This book does not begin with the presumption that certain aspects of sex gender and sexuality are universal and longstanding Rather the case studies within extend from Neolithic Europe to pre Columbian Mesoamerica to the nineteenth century United States highlight the importance of culturally and historically contextualizing socio sexual beliefs and practices The Bioarchaeology of Socio Sexual Lives highlights a major shortcoming in many scholarly and popular presentations of past socio sexual lives They reveal little about the ancient or historic group under study and much about Western society's modern state of heteronormative affairs To interrogate commonsensical thinking about socio sexual identities and interactions this volume draws from critical feminist and queer studies Reciprocally bioarchaeological studies extend social theorizing about sex gender and sexuality that emphasizes the modern conceptual and discursive Ultimately The Bioarchaeology of Socio Sexual Lives invites readers to think more deeply about humanity's diversity the naturalization of culture and the past's presentation in mass media communications **Theory in Social and Cultural Anthropology** R. Jon McGee, Richard L. Warms, 2013-08-28 Social and cultural anthropology and archaeology are rich subjects with deep connections in the social and physical sciences Over the past 150 years the subject matter and different theoretical perspectives have expanded so greatly that no single individual can command all of it Consequently both advanced students and professionals may be confronted with theoretical positions and names of theorists with whom they are only partially familiar if they have heard of them at all Students in particular are likely to turn to the web to find quick background information on theorists and theories However most web based information is inaccurate and or lacks depth Students and professionals need a source to provide a quick overview of a particular theory and theorist with just the basics the who what where how and why if you will In response SAGE Reference plans to publish the two volume Theory in Social and Cultural Anthropology An Encyclopedia Features Benefits Two volumes containing approximately 335 signed entries provide users with the most authoritative and thorough reference resource available on anthropology theory both in terms of breadth and depth of coverage To ease navigation between and among related entries a Reader's Guide groups entries thematically and

each entry is followed by Cross References In the electronic version the Reader s Guide combines with the Cross References and a detailed Index to provide robust search and browse capabilities An appendix with a Chronology of Anthropology Theory allows students to easily chart directions and trends in thought and theory from early times to the present Suggestions for Further Reading at the end of each entry and a Master Bibliography at the end guide readers to sources for more detailed research and discussion

Gendering Bodies Sara L. Crawley, Lara J. Foley, Constance L. Shehan, 2008 Crawley Foley and Shehan demonstrate how gendered messages about bodies and the social world shape our physical bodies and social selves At work in sports and during sex gendered messages constantly organize our common everyday settings through a feedback loop of confirmations and disruptions in everyday talk and interaction
