Situation Comedy Humor In Recent Art:

Situation Comedy Dominic Molon, 2005 Admit it you've sometimes wanted to laugh at contemporary art. During the past decade, humor has turned up with increasing frequency in galleries and museums, perhaps as an acknowledgment of the urgent need among artists and audiences alike to laugh at the absurdity of daily existence and the art world itself. Situation Comedy presents more than 60 works, a selection of video and sound installations, paintings, sculptures, drawings, and photographs by younger as well as more established artists, including Tom Friedman, Rodney Graham, Christian Jankowski, Laura Nova, William Pope L., Richard Prince, Kay Rosen, Erika Rothenberg, John Waters, and Erwin Wurm. Employing parody, satire, slapstick, and practical jokes, they use the leveling power of comedy to break down barriers of taste and to question authority at every turn.

Humor in Global Contemporary Art Mette Gieskes, Gregory H. Williams, 2024-05-30 Pursuing a new and timely line of research in world art studies, *Humor in Global Contemporary Art* is the first edited collection to examine the role of culturally specific humor in contemporary art from a global perspective. Since the 1960s, increasing numbers of artists from around the world have applied humor as a tool for observation, critique, transformation, and debate. Exploring how humorous art produced over the past six decades is anchored in local sociopolitical contexts and translated or misconstrued when exhibited abroad, this book opens new conversations regarding the functioning of humor and the ways in which art travels across the globe. With contributions by an impressive array of internationally based scholars covering six major continental regions, the book is organized into four distinct geographical sections: Africa and the Middle East, Asia and Oceania, South and North America, and Europe. This structure highlights the cultural specificity of each region, while the book as a whole offers a critical perspective on the postcolonial globalized art network. Reflecting on present-day processes of globalization and biennialization, which confront viewers with humorous art from a variety of cultures and countries, this book will provide readers with a culturally sensitive understanding of how humor has become vital to many contemporary artists working in an unprecedentedly interconnected world.
