

Strategies to grow as a situational leader

Developmental strategies to grow as a situational leader include:

1

engage in self-leadership
(e.g. be aware of the risk of
ethnocentrism and
prejudice)

3

learn as much as possible
about the local context
(e.g. from experienced
local mentors)

2

broaden one's comfort zone
through diverse experience
(e.g. seek out opportunities
to lead in distinctly different
environments)

4

use new leadership
situations as 'challenging
job assignments' (see
Unit 2) to accelerate the
developmental process

Situational Leader

George Barna
