Sixty-Minute Shakespeare Cass Foster, William Shakespeare, 2016-06 *The Tempest* a story about family treachery and love revolves around a father's magical manipulations that control his daughter's romantic fate and exact revenge upon his enemies The lead figure Prospero uses magic to shipwreck his brother Alonso and Alonso's companions after they steal his position as Duke and leave him and his daughter Miranda to die Much like its title the play explores not only the stormy seas called forth by magic but the whirlwind of emotions that rule Prospero's actions and those of his foes In the end calmer seas prevail Miranda's happiness in finding love leads Prospero to forgive his brother and to eventually ask the audience to also forgive him for his selfish actions
