Smiling Through the Apocalypse ,1969 **Sauntering Through Apocalypse** Jim Cleveland,2014-04 Readers can join the Absurd Sojourns and Spirit mind quests of the author over a couple of decades in which in two centuries collide Eternal satirical questions are considered in part one Can literary giants such as Shakespeare Hemingway and Faulkner explain why the chicken crossed the road Is Little Richard the epitome of philosophic simplism Can dark sibling Forrest Grump find reconciliation and also direct Can Snake Pleskin escape both Sedona and Iraq Does the white man s manifest destiny include photo ops with pliant Indians and black kids with watermelons Can a novice movie reviewer separate bombs and bombshells Will Christians Jews and Muslims continue to kill each other with expensive explosives and send us the bill How can the herdings of cats lead to wealth and fame And in part two humans have a spiritual endowment and personal mission they can t begin to imagine Is your own personal Truth Beauty Goodness your very best religion Will you consider 21 new spiritual enlightenments for the 21st century How have slavery segregation and other acrimonious separations contributed to a malaise of spiritual poverty in the deep South Are you persuaded by the spiritual realities expressed by a celestial Melchizedek Did you know that the practice of Stillness can lead to fortuitous contact with spiritual teachers representing our Universal Father Both parts lift the reader into a philosophical framework that combines perceptive topical humor and a sound path to weave personal spiritual growth into a crazy world **America in White, Black, and Gray** Klaus P. Landslide Jonathan Darman, 2014-09-23 In politics the man who takes the highest spot after a landslide is not standing on solid ground In this riveting work of narrative nonfiction Jonathan Darman tells the story of two giants of American politics Lyndon Johnson and Ronald Reagan and shows how from 1963 to 1966 these two men the same age and driven by the same heroic ambitions changed American politics forever The liberal and the conservative The deal making arm twister and the cool communicator The Texas rancher and the Hollywood star Opposites in politics and style Johnson and Reagan shared a defining impulse to set forth a grand story of America a story in which he could be the hero In the tumultuous days after the Kennedy assassination Johnson and Reagan each in turn seized the chance to offer the country a new vision for the future Bringing to life their vivid personalities and the anxious mood of America in a radically transformative time Darman shows how in promising the impossible Johnson and Reagan jointly dismantled the long American tradition of consensus politics and ushered in a new era of fracture History comes to life in Darman's vivid fly on the wall storytelling Even as Johnson publicly revels in his triumphs we see him grow obsessed with dark forces he believes are out to destroy him while his wife Lady Bird urges her husband to put aside his paranoia and see the world as it really is And as the war in Vietnam threatens to overtake his presidency we witness Johnson desperately struggling to compensate with ever more extravagant promises for his Great Society On the other side of the country Ronald Reagan a fading actor years removed from his Hollywood glory gradually turns toward a new career in

California politics We watch him delivering speeches to crowds who are desperate for a new leader And we see him wielding his well honed instinct for timing waiting for Johnson s majestic promises to prove empty before he steps back into the spotlight on his long journey toward the presidency From Johnson s election in 1964 the greatest popular vote landslide in American history to the pivotal 1966 midterms when Reagan burst forth onto the national stage Landslide brings alive a country transformed by riots protests the rise of television the shattering of consensus and the two towering personalities whose choices in those moments would reverberate through the country for decades to come Praise for Landslide Richly detailed Landslide is a vivid retelling of a tumultuous three years in American history and Mr Darman captures in full the personalities and motives of two of the twentieth century s most consequential politicians The New York Times Novel and even surprising Landslide deftly reminds readers that Johnson and Reagan both trafficked in grandiose oratory and promoted utopian visions at odds with the social complexity of modern America The Washington Post Riveting Darman portrays Johnson and Reagan as polar opposites of political attraction Animated by the artful insight that they were men of disappointment headed toward an appointment with history A tale about myths and a nation that believed them about a world of a half century ago now gone forever The Boston Globe Alert to the subtleties of politics and political history Darman a former correspondent for Newsweek nimbly explores delusion and self delusion at the highest levels The New York Times Book Review *Ex Libris* Michiko Kakutani,2020-10-20 Pulitzer Prize winning literary critic Michiko Kakutani shares 100 personal thought provoking essays about books that have mattered to her and that help illuminate the world we live in today with beautiful illustrations throughout A book tailor-made for bibliophiles Oprah Winfrey An ebullient celebration of books and reading Publishers Weekly starred review In the introduction to her new collection of essays *Ex Libris* 100 Books to Read and Reread Michiko Kakutani writes In a world riven by political and social divisions literature can connect people across time zones and zip codes across cultures and religions national boundaries and historical eras It can give us an understanding of lives very different from our own and a sense of the shared joys and losses of human experience Readers will discover novels and memoirs by some of the most gifted writers working today favorite classics worth reading or rereading and nonfiction works both old and new that illuminate our social and political landscape and some of today s most pressing issues from climate change to medicine to the consequences of digital innovation There are essential works in American history The Federalist Papers The Writings and Speeches of Martin Luther King Jr books that address timely cultural dynamics Elizabeth Kolbert s *The Sixth Extinction* Daniel J Boorstin s *The Image* Margaret Atwood s *The Handmaid s Tale* classics of children s literature the Harry Potter novels *Where the Wild Things Are* and novels by acclaimed contemporary writers like Don DeLillo William Gibson Chimamanda Ngozi Adichie and Ian McEwan With richly detailed illustrations by lettering artist Dana Tanamachi that evoke vintage bookplates *Ex Libris* is an impassioned reminder of why reading matters more than ever Scriptures for a Generation Philip D.
