

Social Issues

Leon H. Ginsberg

Social Issues:

Social Problems and Public Policy, 1974 *Investigating Social Problems* A. Javier Trevino, 2014-08-08 Each chapter in this innovative social problems text is written by a specialist or pair of specialists from appropriate subfields within sociology The typical single author approach is limiting given the complexity of the contemporary issues surrounding each social problem discussed Involving many content experts ensures that the theories research and examples used in each chapter will be as current and relevant as possible Chapters open with personal statements from the contributing authors discussing how they got involved with studying the problem they are writing about Javier Trevino serves as the general editor making sure that each author follows the chapter template and maintains a consistency in level and style **Social Issues in America** James Ciment, 2015-03-04 More than 150 key social issues confronting the United States today are covered in this eight volume set from abortion and adoption to capital punishment and corporate crime from obesity and organized crime to sweatshops and xenophobia *Understanding Social Problems, Policies, and Programs* Leon H. Ginsberg, 1994 Understanding Social Problems Policies and Programs offers a comprehensive analysis of policies used in the United States to address social problems and to develop social programs Leon Ginsberg a respected authority in the field of social work policy provides a framework for understanding some of the most controversial issues facing the nation including welfare assistance food stamps and health care reform In this timely volume he defines the components of social welfare policy and illuminates the complex issues encountered by helping professionals Intended for practitioners educators administrators and students Understanding Social Problems Policies and Programs focuses on the history and analysis of social welfare policies as well as the political process of policymaking Ginsberg describes social problems as their inevitable result of people living together in complex societies and he traces society's desire to help its most vulnerable members the children the elderly the homeless and the poor By explaining how policies and programs are developed Ginsberg offers insight into the ways that individuals and groups might initiate modify and implement improved programs for the disadvantaged BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Current Societal Concerns about Justice** Leo Montada, Melvin J. Lerner, 1996-10-31 What role does justice play in the formation of public opinion and the scholarly debates about contemporary societal problems This insightful volume explores this question in its examination of such issues as protection of natural ecology and resources gender inequalities mass unemployment and the intergenerational contract Important chapters discuss the conflict between justice concerns and motives and other motivations including the common welfare self interest and altruism The book features problem sets that focus on how justice motives can be used to define and solve social issues **Addressing Social Issues in the Classroom and Beyond** Samuel Totten, Jon Pedersen, 2007-01-01 Addressing Social Issues in the Classroom and Beyond The Pedagogical Efforts of Pioneers in the Field is comprised of essays that delineate the genesis and evolution of the thought and work of pioneers in the field of social issues and education The

authors many of whom themselves are noted professors of education and who have done significant work in the field of social issues and education delineate and analyze the efforts e g theoretical work research curriculum development and teaching of such pioneers within the larger framework of their life story As a result the reader is not only introduced to the significant work of each pioneer but valuable and often fascinating insights into how his her life experiences informed his her thinking beliefs goals and work This book constitutes a rich and unusual record of the thinking and accomplishments of those luminaries who worked tirelessly in the belief that a well educated and well informed populace was absolutely imperative in a democracy if the latter were to remain healthy and vibrant Beyond current scholars and students we believe that this book will be of great interest to a wide spectrum of individuals teacher educators who perceive the need to avail their students of the rich history rationales and methods for incorporating the study of social issues across the curriculum professors who teach history of curriculum courses and or history of education courses are likely to be drawn to the book both for the rich stories as well as the bounty of information found in each chapter those who specialize in autobiographical studies in the field of education are likely to find the book to be remarkably rich and valuable both for their own research as well as in their teaching secondary level teachers in science social studies and English who are interested in incorporating the study of social issues into the courses they teach will glean incredibly rich insights into why and how to go about such an endeavor and future scholars and students who care deeply about how society impacts education education impacts society and how individuals and groups can have a positive impact on society through their collective efforts are bound to find the book both fascinating and instructive Ethical and Social Issues in Professional Education Celeste M. Brody,James

Wallace,1994-07-01 This book reflects and extends the great debates that schools colleges and universities are having in response to the profound moral conflicts and personal questions facing professionals today What should we teach our students What values should we communicate and nurture What should be the role of the traditional liberal arts in professional education How should schools and colleges respond to the demands of women and minorities for a more inclusive curriculum The authors explore ongoing theoretical and practical considerations of graduate professional education through the ethical and social issues facing professionals in public service Administrators teachers counselors nurses or lawyers are recognizing that they face similar questions about their personal and professional lives Is it possible to sustain a set of fully human values as a practicing professional As a member of a public organization how does one deal with dilemmas involving conflicting priorities and ambiguous goals The authors responses to these questions are presented as themes describing connections between curriculum and pedagogy They have designed an approach to ethical and social questions respectful of the contributions of adult learners and the need to provide diverse perspectives *Social Issues in Sport, Leisure, and Health* Sine Agergaard,David Karen,2023-10-03 This book examines how social issues shape and influence our engagement with sport leisure time physical activity and health promoting exercise Connecting the personal with the public

it helps the reader understand how individual exercise leisure and sport participation are both facilitated and constrained by their social contexts Presenting a series of in depth descriptions of grassroots sport urban lifestyle sport physical activity across the life course sport for children with special needs and the development of creative climates in sport this book seeks to encourage what C Wright Mills described as the sociological imagination Every chapter begins with an individual level account centred on everyday challenges with accessing sport partaking in leisure activities and meeting guidelines for daily exercise before exploring the larger socially determined patterns in which those experiences are located establishing a vital template for the social scientific study of sport leisure and health Touching on key contemporary themes including diversity inclusion health inequalities and physical inactivity as well as selection and intensification in sports this book offers new case material and theoretical tools for understanding the relationships between sport leisure health and the wider society This is an indispensable companion for any course on the sociology of sport exercise leisure or physical activity and health

Encyclopedia of Social Problems Vincent N. Parrillo, 2008-05-22 From terrorism to social inequality and from health care to environmental issues social problems affect us all The Encyclopedia will offer an interdisciplinary perspective into these and many other social problems that are a continuing concern in our lives whether we confront them on a personal local regional national or global level

Psychosocial Interventions for Social Issues in Contemporary India U. Vindhya, 2025-09-24 This edited volume focuses on psychosocial interventions for some of the most persistent social concerns in contemporary India These social issues range from agrarian distress and farmers suicide violence against women socio economic disparities and mental health concerns contexts of social and political conflict and inter group tensions to substance use in youth suicide in students and youth in particular and the recent public health crisis of Covid The field of mainstream psychology particularly in India is primarily preoccupied with interventions to alleviate psychological distress at the individual level This volume however expands this traditional focus on the individual and spotlights instead the psychosocial Through illustrative examples of psychosocial interventions it underscores the necessity of blending a recognition and understanding of the structural inequities and power imbalances that impact well being with psychological processes of intervention that are attuned to the principles of social justice human rights and inclusion This volume is based on interventions that have either been carried out or are a work in progress located in regions across India This volume is helpful to students researchers and practitioners of varied fields spanning psychology social work and allied disciplines as well as those in the development and social policy sector for gaining new perspectives and insights It aims to stimulate new ideas for conceptualizing and setting in practice interventions that integrate the psychological and the social while addressing issues of contemporary social concern

Seeing Social Problems Ira Silver, 2024-10-14 Within the last four years the death of George Floyd brought a new level of urgency to understanding police violence the world experienced two of the three hottest years on record drug overdose deaths in the U S surpassed 100 000 per year for the first time the foreign born

percentage of the population became the highest ever and COVID 19 transformed education work and public health Seeing Social Problems The Hidden Stories Behind Contemporary Issues Second Edition shows students how to think about social problems in a new way by exploring the connection between their own experiences and larger social forces The personal relevance of this book s content is at the forefront of every discussion Chapters engage students in thinking about the world sociologically by focusing on case studies that represent broader social problems In each chapter learning objectives attune students to important concepts Two sets of discussion questions First Impressions and What Do You Know Now encourage students to recognize how the chapter has broadened their perspectives An exploration of social policy at the end of each chapter shows students that how someone understands an issue influences the ways they go about addressing it New to the Second Edition New chapter LGBTQ People and Their Critics explores different ways of understanding growing diversity in American society based on gender identity and sexual orientation New chapter Education and Upward Mobility encourages readers to think more expansively about their schooling experiences starting when they were very young and continuing through college New chapter Immigration and Border Security exposes competing ways of seeing the rising influx of migrants entering the U S from Mexico New chapter Health and the Environment draws on discussion about familiar topics including Covid 19 obesity and climate change New chapter Technology and Instant Pleasure motivates students to recognize the wider societal impacts of their frequent usage of mobile devices to make life more convenient **Social Problems**

Henry George, William Saunders, Francis Amasa Walker, Francis George Shaw, 1884 Social Problems Ian Robertson, 1980
