Social Ministry An Urgent Agenda For Pastors And Churches:

Social Ministry Haskell M. Miller, 2000 Passionately and directly the author addresses pastors asking them in language that is personal and accessible yet supported by theory to take seriously the importance of social ministry Though too often carelessly neglected by pastors social action is an integral and vital part of pastoral responsibility In twelve chapters Miller offers a step by step guide to understanding issues of justice the pastor s social responsibility social action types theology and challenges Undergirding it all is the urgent imperative for pastors to act Social Ministry will be useful as a supplemental text in seminary courses pastors at every stage of experience should find it stimulating and lay persons in local groups will find it a useful study book Forthcoming Books Rose Arny, 2000 *American Book Publishing Record*, 2000-07 *Social Ministry* Dieter T. Hessel, 1992-01-01 This work challenges pastors seminarians and active members of the laity to rethink the social character of their ministry Dieter Hessel calls on parish communities to meet human need with good Samaritan love while acting for justice with prophetic boldness In this updated edition Hessel assesses major new developments that have occurred in both church and society since the first publication of *Social Ministry* He gives special attention to the uncertainty that churches face today in regard to their public role Transitional Ministry Today Norman B. Bendroth, 2014-12-05 Transitional ministry can be tremendously helpful for congregations in times of change and yet to be successful today transitional ministers and churches need to take into account the major changes in the religious landscape From the decline of mainline churches to the rise of those who don t identify with any religious tradition the religious scene has changed dramatically since transitional ministry began three decades ago and to remain vital today the practice of transitional ministry must change as well This book provides transitional ministers and congregations with essential information on rethinking transitional ministry in ways that take the current religious climate into account Ten experienced authors including seasoned practitioners of transitional ministry and those who oversee transitional ministry denomination wide propose new ways to approach transitional ministry today Chapters address practical theology leadership specialized interim situations renewal during interim time alternative models of transitional ministry and more Essays address a range of diverse churches in size racial ethnic background and location *Transitional Ministry Today* highlights how creative and cutting edge ministry can be done during the in between time through creative thinking and practice in the face of new realities **When the Spirit Meets the Spirits** Julie C. Ma, 2010-04-01 What would happen when the Christian message is introduced to various groups of people How would their contexts and worldviews influence their responses to the message To this age old missiological question the study takes the readers to a narrowed and concerted question What is the effect of Pentecostal messages on animistic people or in other words What are results when the Holy Spirit meets the spirits of the tribal people Julie Ma chose the Kankanaey tribe in the northern Philippines to prove that the Pentecostal type of Christian has invited a very positive response from the Kankanaeys She approaches the matter from historical anthropological and theological

perspectives This may challenge the readers to look more closely at the phenomenal Pentecostal movement especially with their potential for mission She also urges her fellow Pentecostals to be more appreciative of their heritage and to fully appropriate it to reach the end of the earth

Subject Guide to Books in Print ,1971 **The British National Bibliography** Arthur James Wells,2001 Minutes, ... Biennial Convention of the Lutheran Church in America Lutheran Church in America. Convention,1978 The Workers are Few J. Alexander Rutherford,2025-01-31 By all indications the Western Church is facing a crisis of pastoral ministry Pastoral ministry is on a trajectory of decline despite the fact that God has opened a massive mission field on our doorstep a mission field that requires workers Moreover we continue to export the same model of ministry to the global Church inviting them to join us in the state of crisis In Matthew 9 37 38 Jesus invites his disciples to consider the vast harvest of souls God has prepared a harvest awaiting workers If we want to see our churches healthy and our neighbours come to know Jesus we must be interested in God s work to prepare workers for the harvest This book is an attempt to repair what is broken to contribute to the repair of pastoral ministry I am convinced that no problem is more urgent to the church globally than this one yet I am also convinced the solution to this problem is quite simple This book argues that our crisis is the result of swapping the biblical vision of pastoral ministry for a poor substitute and our failure to raise disciples in our local church Part 1 identifies significant reasons why we are in a crisis Part 2 lays a biblical foundation for rebuilding a biblical model of pastoral ministry and Part 3 shows how this foundation can be built upon in the life of a local church
