Rantung, 2023-01-24 This is an open access book The Unima International Conference on Social Sciences and Humanity UNICSSH 2022 was conducted on October 11th 13th 2022 at The Grand Kawanua International City Manado North Sulawesi Indonesia In 2022 Universitas Negeri Manado will host the Indonesian National Education Convention KONASPI X Konaspi is a routine activity of the PPTKN which is held once every four years The fourth industrial revolution 4.0 is marked by

technological advances and supported by artificial intelligence that creates opportunities and challenges for the education system. University and vocational school graduates are facing a world transformed by technology which in turn is transforming the workplace from task based to human centered characteristics. Certain skills such as critical thinking, emotional intelligence, problem solving, cognitive flexibility, and knowledge production are required. To answer this demand, the education system must put revolutionary innovation on its agenda. Scholars, researchers, and practitioners are invited to share ideas, research results, and best practices about education science and technology now and in the future at an international conference held by Universitas Negeri Manado as part of the Indonesian National Education Convention KONASPI. As part of KONASPI X activities, Universitas Negeri Manado is holding the 2022 International Conference on Education, Social Science, and Humanities (ICESSHum). The topics in this international conference are Education, Law, Politics, and Social Sciences, Economics, Public Administration, and Humanities. Through these themes, it is expected to involve many professionals who have indirect roles in related fields. To enrich this event, the committee invites all national and international participants, including academics, researchers, professionals, and other relevant stakeholders, to send research papers or review papers to be presented at the conference.

Critical Essays on Resistance in Education David M. Moss, Terry A. Osborn, 2010. It is possible to say that resistance in education has always been resisted; the point of course is who is doing the resisting. Why they are resisting, what they are resisting, and whose interests are being served by these acts of resistance. David M. Moss and Terry A. Osborn's provocative collection of essays on educational resistance gives new scope and meaning to the term resistance in the context of today's challenges to and on behalf of social justice education. It is an important contribution to the field of critical education. Peter McLaren, Graduate School of Education and Information Studies, University of California Los Angeles. Book Jacket.
