LGBTQ Politics Marla Brettschneider, Susan Burgess, Christine Keating, 2017-09-19 A definitive collection of original essays on queer politics in the U S and around the world From Harvey Milk to Barney Frank to ACT UP to Proposition 8 in the last few decades no political change has been more significant than the civil rights advancements of LGBTQ citizens LGBTQ Politics is the first authoritative reader to approach the complexity of queer politics from a political science perspective bringing together original contributions from leading scholars in the field on key issues of LGBTQ politics These original essays cover a wide range of essential topics including marriage equality transgender discrimination gay and lesbian political candidates LGBTQ human rights advocacy HIV prevention and LGBTQ movements of the Global South The volume also includes a number of critical essays that reflect upon the state of political science as a discipline that has struggled to address queer politics Contributors draw from a variety of subfields in political science including comparative politics political theory American politics public law and international relations Essays that focus on mainstream institutional politics appear alongside contributions grounded in grassroots movements and critical theory While some essays express concerns that the democratic basis of the LGBTQ movement has been undermined others celebrate the movement's successes and offer visions for the future A comprehensive thought provoking and authoritative collection LGBTQ Politics A Critical Reader is required reading for anyone looking to learn about the politics of sexuality

Teaching LGBTQ Politics Edward F. Kammerer, Jr., Royal G. Cravens, III, Erin Mayo-Adam, 2025-08-01 An innovative collection of advice resources and ideas for faculty teaching LGBTQ politics Limited resources exist to support faculty teaching LGBTQ politics The first of its kind this edited volume brings together scholars from across the discipline of political science to offer guidance on how to better teach LGBTQ issues Rooted in and focused on the US context the book is divided into three sections The first addresses developing and teaching LGBTQ politics courses at both the undergraduate and graduate levels The second offers suggestions for incorporating LGBTQ topics into other political science courses And the last homes in on various pedagogical concerns that can arise when teaching LGBTQ politics Contributors provide a host of resources including lesson plan templates reading assignments and strategies and takeaways from their own experiences teaching in the field

Queering Tribal Folktales from East and Northeast India Kaustav Chakraborty, 2020-12-08 This book explores queer potentialities in the tribal folktales of India It elucidates the queer elements in the oral narratives of four indigenous communities from East and Northeast India which are found to be significant repositories of gender fluidity and non normative desires Departing from the popular understanding that Otherness results largely from undue exposure to Western permissiveness the author reveals how minority sexualities actually have their roots in aboriginal indigenous cultures and do not necessarily constitute a mimicry of the West The volume endeavours to demystify the politics behind such vindictive propagation to sensitize the queerphobic mainstream about the essential endogenous presence of the queer in the spaces that are aboriginal Based on

extensive interdisciplinary research this book is a first of its kind in the study of indigenous queer narratives It will be useful to scholars and researchers of queer studies gender studies tribal and indigenous studies literature cultural studies postcolonialism sociology political studies and South Asian studies *Queer Activism After Marriage Equality* Joseph DeFilippis, Michael Yarbrough, Angela Jones, 2018-05-15 *Queer Activism After Marriage Equality* focuses on the implications of legal same sex marriage for LGBTQ social movements and organizing It asks how the agendas strategies structures and financing of LGBTQ movement organizations are changing now that same sex marriage is legal in some countries Building on a major conference held in 2016 entitled *After Marriage The Future of LGBTQ Politics and Scholarship* this collection draws from critical and intersectional perspectives to explore the questions and issues facing the next chapter of LGBTQ activism and social movement work It comprises academic papers international case studies edited transcripts of selected conference sessions and interviews with activists These take a critical look at the high profile work of national and state wide equality organizations analyzing the costs of winning marriage equality and what that has meant for other LGBTQ activism In addition to this the book examines other forms of queer activism that have existed for years in the shadows of the marriage equality movement as well as new social movements that have developed more recently Finally it looks to examples of activism in other countries and considers lessons U S activists can learn from them By presenting research on these and other trends this volume helps translate queer critiques advanced during the marriage campaigns into a framework for ongoing critical research in the after marriage period *The Third Gender: Stain and Pain* Ashish Kumar Gupta and Grishma Khobragade, 2018-01-01 The comprehensive compendium *The Third Gender Stain and Pain* is packed with prodigious research papers articles and case studies of well versed academicians from all over India The anthology addresses the myriad facets of a transgender s life Their problems of social identity inequality marginalisation social exclusion health care issues documentation education unemployment and poverty have been discoursed from social political economic cultural and jurisprudential along with scientific angles The book incorporates not only the troubles and deplorable plights but also intimates some resolutions that can mitigate the embarrassing abasements of the Third Gender **Social Text**, 2001

21st Century Anthropology: A Reference Handbook H. James Bix, 2010-06-10 Highlighting the most important topics issues questions and debates these two volumes offer full coverage of major subthemes and subfields within the discipline of anthropology **Transgenders in India** Veerendra Mishra, 2023-04-24 This introductory volume studies the challenges faced by the transgender community in India It traces the history of the representation of the community in Hindu texts to understand the evolution of their status within Indian society The book looks at various themes such as the concept of establishing identity through the processes of coming out and transitioning and analyses how race ethnicity sexual orientation class nation religion and ability have cross influenced to shape the transgender experience and trans culture across and beyond the binary Lucid and topical the book debunks myths and critiques the stigma and discrimination

surrounding the transgender community It will be an essential read for scholars and researchers of gender studies queer studies exclusion and discrimination studies political science sociology social anthropology and South Asian studies

Making Globalization Work for Women Valentine M. Moghadam, Suzanne Franzway, Mary Margaret Fonow, 2011-11-28 Making Globalization Work for Women explores the potential for trade unions to defend the socioeconomic rights of women in a global context Looking at labor policies and interviews with people in unions and nongovernmental organizations the essays diagnose the problems faced by women workers across the world and assess the progress that unions in various countries have made in responding to those problems Some concerns addressed include the masculine culture of many unions and the challenges of female leadership within them laissez faire governance and the limited success of organizations working on these issues globally Making Globalization Work for Women brings together in a synthetic and fruitful conversation the work and ideas of feminists unions NGOs and other human rights workers

Out and Organizing, 2000 Out Front Patrick McCreery, Kitty Krupat, 1999 The contributors to Out Front take a hard look at the emergent relationship between sexual politics and the labor movement With a fundamental focus on the relationship between class and social identity they explore real and potential connections between the gay rights and labor movements Encompassing a range of political issues concerning rights and representation the essays have been shaped by the combined influences of trade unionism and identity politics of New Left social movements In their examinations of worker and gay rights the scholars artists and activists who speak in this volume argue that neither the labor movement nor the gay rights movement will make substantial progress without a deeper understanding of the connections between identity politics and class Included is a major policy statement by AFL CIO president John J Sweeney Four other labor leaders Bill Fletcher Jr Yvette Hererra Gloria Johnson and Van Allen Sheets discuss homophobia as labor s new frontier Nikhil Pal Singh s conversation with lesbian activist Amber Hollibaugh and a virtuoso piece by filmmaker Tami Gold offer incisive personal histories and commentaries which Cathy J Cohen takes the mainstream gay and lesbian movement to task for not adequately or consistently focusing on issues of class Contributors Cathy J Cohen Bill Fletcher Jr Tami Gold Yvette Herrera Amber Hollibaugh Gloria Johnson Kitty Krupat Patrick McCreery Van Allen Sheets Nikhal Pal Singh John J Sweeney

Feminist Futures Kum-Kum Bhavnani, John Foran, Priya A. Kurian, Debashish Munshi, 2016-10-15 Straddling disciplines and continents Feminist Futures interweaves scholarship and social activism to explore the evolving position of women in the South Working at the intersection of cultural studies critical development studies and feminist theory the book s contributors articulate a radical and innovative framework for understanding the linkages between women culture and development applying it to issues ranging from sexuality and the gendered body to the environment technology and the cultural politics of representation This revised and updated edition brings together leading academics as well as a new generation of activists and scholars to provide a fresh perspective on the ways in which women in the South are transforming our understanding of
