## **Social Work And Child Sexual Abuse:**

Social Work and Child Sexual Abuse David A Shore, Jon Conte, 2016-01-28 Here is an indispensable book highlighting information on the problem of child sexual abuse for anyone concerned with the welfare of young children Focusing on the social worker's role in responding to the abuse of children this highly practical volume assesses the state of knowledge about sexual abuse It includes reviews of the historical context in which sexual abuse takes place and sheds light on issues surrounding the professional's responses to sexual abuse alternative models of sexual abuse treatment programs and practice knowledge developments The contributors have also addressed a number of clinical issues including family treatment and social work treatment at a juvenile court as well as the role of the courts and the problem of sexual abuse and sexual education in child caring institutions

**The Sexual Abuse of Adolescent Girls** Stewart Kirk, 2019-01-04 First published in 1999 this volume examines the meanings specific child protection cases involving the familial sexual abuse of adolescent girls hold for social workers This is achieved through a qualitative analysis of a series of interviews with social workers regarding current or recent cases The analysis reveals various influences on social workers practice the organisation and administrative structure of child protection governmental requirements to interagency coordination the abused girl her family and the skills and limitations of the social worker The findings point to a series of tensions between social workers perceptions of appropriate intervention practice on the one hand and organisational needs the demands of the criminal justice system and client choice on the other This leads to recommendations for improved in service training including joint training for social workers and police officers and a review of the transitional procedures between child protection and adult services

*Ethical Issues in Social Work* Richard Hugman, David Smith, 2002-09-09 It has always been recognised that the practice of social work raises ethical questions and dilemmas Recently however traditional ways of addressing ethical issues in social work have come to seem inadequate as a result of developments both in philosophy and in social work theory and practice This collection of thought provoking essays explores the ethics of social work practice on the light of these changes *Ethical Issues in Social Work* provides up to date critical analyses of the ethical implications of new legislation in community care and criminal justice and of trends in social work thought and policy such as managerialism user empowerment feminism and anti oppressive practice This study provides important and stimulating reading for social work students and their teachers and for all practitioners and managers who are concerned about the ethical dimensions of their work

Handbook of Social Work in Child and Adolescent Sexual Abuse Carolyn Hilarski, John S. Wodarski, Marvin D. Feit, 2012-01-26 The enlightening collection of new approaches to understanding sexual abuse When sexual abuse occurs helping those directly affected can be a difficult and convoluted task The Handbook of Social Work in Child Adolescent Sexual Abuse is a comprehensive guide that provides the latest information on assessment management prevention and policy Through insightful and accessible discussions this collection of essays encompasses the full spectrum of child and adolescent sexual

abuse to shed needed light on an affecting issue This innovative text is the up to date source for unique and compassionate ways of supporting and treating survivors The increased attention given to child sexual abuse in recent years has revealed how little we know about this tragedy The Handbook of Social Work in Child Adolescent Sexual Abuse is the practical compendium that covers the already existing information regarding violence against children and delves into practical methods for treating those immediately affected by it From its historical place in society to contemporary issues of prevention that have only recently come to light contributors examine essential details in depth and provide concise empirical directions for short and long term support Also included is the important and newly available assessment and treatment information focusing on ethnicity gender and comorbid influences as they relate to family member treatment Among the topics discussed in the Handbook of Social Work in Child Adolescent Sexual Abuse are historical views of and responses to sexual abuse risk and protective factors life stage consequences theories of family dysfunction comorbidity and attachment intrafamilial abuse the non family offender current empirical assessment methods approaches to treatment in children approaches to treatment in adolescents neurological effects of abuse treatment for the non offending caregiver the role of the internet and other media policy and practice implications the prevalence and consequences of abuse new methods of abuse prevention and child protection the etiology of sexual offending in an attachment framework and much more The Handbook of Social Work in Child Adolescent Sexual Abuse is an essential resource for educators medical practitioners psychologists psychiatrists social workers counselors family therapists and students researchers and academics in the field of social work

**Social Work and Child Sexual Abuse** Jon R. Conte, David A. Shore, 1982 Here is an indispensable book highlighting information on the problem of child sexual abuse for anyone concerned with the welfare of young children Focusing on the social worker's role in responding to the abuse of children this highly practical volume assesses the state of knowledge about sexual abuse It includes reviews of the historical context in which sexual abuse takes place and sheds light on issues surrounding the professional's responses to sexual abuse alternative models of sexual abuse treatment programs and practice knowledge developments The contributors have also addressed a number of clinical issues including family treatment and social work treatment at a juvenile court as well as the role of the courts and the problem of sexual abuse and sexual education in child caring institutions

*Social Work Practice in Sexual Problems* James Gipton, Mary Valentich, 1986 This pioneering volume explores the diversity of the social work profession's involvement in working with clients sexual problems including those related to age lifestyle and gender identity The informative chapters reflect the development of practical knowledge and technology in this area and shed light on this emerging practice speciality Gain unique insights into clinical intervention in relation to sexual incompatability performance problems and oppression of sexual expression based on social status

**Social Work with Children and Their Families** Christopher G. Petr, 2003-09-18 An extensively revised version of the first edition this text focuses on the practical foundational knowledge required to practice social work

effectively in the complex and fast changing world of services to children and their families The core organizing framework consists of eight pragmatic perspectives combating adultcentrism family centered practice the strengths perspective respect for diversity and difference the least restrictive alternative ecological perspective organization and financing and achieving outcomes Unlike most texts that focus either on direct practice or on policy Petr s revised volume integrates current policy including recent reform efforts with best practices The student thus gains a deep appreciation for how direct social work practice is linked to and even guided by contemporary policy initiatives and the values that underscore those initiatives Two new chapters are devoted specifically to the fields of child welfare and children s mental health providing an overview of the laws policies practices and terminology pertaining to each setting The next eight chapters focus on each pragmatic perspective and its relevance to child welfare and children s mental health The in depth case studies that comprise the concluding two chapters illustrate how typical client situations can be successfully addressed within the context of the pragmatic perspectives Packed with case studies specific practice instruction chapter summaries and suggested learning activities this book prepares students and practitioners to think and act professionally in ways that are consistent with current laws values policies and reform efforts in the field

**Seeing the Child in Child Protection Social Work** Sue Kennedy, 2019-12-19 Recent Serious Case Reviews into child deaths have concluded that social workers attention is drawn away from the child by demands placed on them by the adults organisational structures and systems This book repositions social work thinking and practice by placing the child s lived experience at the centre of its illustrative examples and cases

Social Work and Family Violence Joan McClennen, 2010-02-08 To competently serve families social work students must understand the theories and issues surrounding family violence This innovative textbook comprehensively discusses three types of family violence child abuse and maltreatment intimate partner violence and elder abuse Discussions on assessments and interventions are provided for the adult victims of family violence adult survivors of child abuse child witnesses of domestic violence adolescent victims of dating violence elderly victims and perpetrators of abuse Assessment procedures and evidence based treatments are also discussed This book also covers a broad range of vulnerable populations and addresses their needs for particular services legislative action and strategies for effective intervention The book meets the criteria of the Council on Social Work Education with its focus on ethics populations at risk and diversity Intended for both bachelor s and master s level social work students this text includes a variety of features such as case studies from real life stories of family violence in every chapter key terms discussion questions and more Key topics Court structures and procedures specialized court services for families experiencing violence investigative interviewing and social workers roles within the judicial system Identifying and investigating child maltreatment discussing symptoms and consequences child interviewing ethical dilemmas of mandated reporting and the foster care system Intimate partner violence including theoretical perspectives laws and policies financial costs learned helplessness the battered woman syndrome orders of protection

mandatory arrest and more Elder abuse including an overview of theories assessments risk factors Adult Protective Services caregiver interventions and more Instructor s Guide Available as an electronic file the instructor s guide features a sample syllabus suitable for a Family Violence course It also features chapter objectives questions multiple choice true false and discussion and answers and PowerPoint slides for each chapter Qualified instructors may contact us to receive the files To request a copy please email [textbook.springerpub.com](mailto:textbook.springerpub.com)

**The Handbook of Social Work and Social Development in Africa** Mel Gray, 2016-10-26 All recent books on international social work mention Africa only briefly and few engage with the broader field of development studies This book focuses solely on the unique African context engaging with issues relating to social work and development more broadly thus enabling a deeper examination and more complex and nuanced picture to emerge Unlike most academic works this book highlights multiple practitioner voices with authors or co authors that have recently been or are currently practising social workers As an edited book it draws from both academic research as well as lived practice experience supported by strong theoretical positioning and guidance in introductory chapters drawing on African literature wherever possible Looking at case studies from Lesotho Botswana Kenya Zimbabwe Ethiopia Namibia Uganda Nigeria Kenya South Africa Rwanda Zambia and Tanzania and covering established areas of practice such as child protection working with older people working with people with disabilities mental health and mainstream services targeting women as well as emerging areas of developmental social work practice such as humanitarian assistance in post conflict situations work with immigrants and refugees and the training of community based workers this book takes a future oriented perspective that aims to move beyond well worn critiques to envision constructive and sustainable futures for social work and social development in Africa from a critical perspective

*Social Work in Juvenile and Criminal Justice Settings* Albert R. Roberts, David W. Springer, 2007 In this completely revised and updated classic Professors Roberts and Springer along with 51 justice oriented and forensic experts have set the standard of care for mental health treatment and the delivery of social services to crime victims juvenile and adult offenders and their families The second edition of *Social Work in Juvenile and Criminal Justice Settings* was published almost ten years ago in 1997 and was also translated to Chinese Now Dr Roberts Dr Springer and their team of 51 prominent chapter authors have done such a thorough job of updating and finding new authors that the end result is a comprehensive new book In this third edition 16 of the 31 chapters are new and specially written for this book A growing number of mental health professionals are recognizing the need to examine current evidence based program developments assessment and treatment practices with crime victims and offenders This book focuses on the multiple roles and practices of justice social workers also known as forensic social workers and crisis counselors Many professional social workers counselors and field placement students work in corrections and probation forensic mental health addictions treatment juvenile justice victim assistance and police social work settings In the words of Dean Barbara W White former President Council on Social Work Education and NASW in her laudatory Foreword to this edition This groundbreaking

book provides the necessary blueprints and guidelines for best practices with crime victims as well as juvenile and adult offenders in institutional community based diversion and aftercare programs This is the first all inclusive authoritative exceptionally well written volume on social policies and social work practices in both juvenile justice and criminal justice settings This book is a landmark achievement An increasing number of offenders and victims have been found to be

**Proactive Child Protection and Social Work** Liz Davies, Nora Duckett, 2008-10-28 Protecting children from abuse is a serious matter demanding critical thinking tenacity resilience courage and compassion This book is designed to show how the social work task of protecting children works It aims to increase the confidence of those undertaking the work who need to know and understand the processes involved to be better able to form part of the proactive child protection network It locates knowledge and skills within a series of case examples from the authors actual practice making the book an indispensable resource for students professionals and others concerned with protecting children

**Treatment of Sex Offenders in Social Work and Mental Health Settings** John S. Wodarski, 1989 This timely book focuses on social work practice with sexual offenders in community mental health settings Practicing professionals and academicians present both theoretical and empirical material covering three major classifications the incest offender the violent offender and the social decency offender Because today s sexual offenders are often turned away from psychiatric hospitals and instead served in open community centers professionals in mental health centers and related human service agencies must be prepared to treat them In this remarkably candid and instructive volume experts equip psychiatrists psychologists social workers and other professionals in mental health settings with valid up to date techniques for working with sexually aggressive children mentally retarded sex offenders and incest families

**Encyclopedia of Canadian Social Work** Francis J. Turner, 2009-07-23 All of us as Canadians are touched throughout our lives by some aspect of social welfare either as recipients donors or taxpayers But despite the importance of the social network in our country there has been no single source of information about this critical component of our society Even professionals in the field of social work or social services have not had a comprehensive volume addressing the myriad features of this critical societal structure The Encyclopedia of Canadian Social Work fills this need Over five hundred topics important to Canadian social work are covered written by a highly diverse group of social workers covering all aspects of the field and all areas of the country Practitioners policy makers academics social advocates researchers students and administrators present a rich overview of the complexity and diversity of social work and social welfare as it exists in Canada The principal finding from this project underscores the long held perception that there is a Canadian model of social work that is unique and stands as a useful model to other countries The Encyclopedia of Canadian Social Work will be an important source of information both to Canadians and to interested groups around the world The Encyclopedia of Canadian Social Work is available in e book version by subscription or from university and college libraries through the following vendors Canadian Electronic Library Ebrary MyiLibrary and

Netlibrary      SOCIAL WORK IN JUVENILE AND CRIMINAL JUSTICE SYSTEMS (4th Ed.) David W. Springer, Albert R. Roberts, 2017-05-16 Social Work in Juvenile and Criminal Justice Systems sets the standard of care for mental health treatment and the delivery of social services to crime victims juvenile and adult offenders and their families The chapters all authored by experts in the field and all committed to the mission of social justice are written with the clear understanding that we cannot study criminal justice in a vacuum Therefore a major focus of the book is on the renewed growing sense of the profession's obligation to social justice Each chapter interconnects with the various components of juvenile and criminal justice Another prominent aspect of the book is that it is strength based It views those involved in the criminal and juvenile justice systems as individuals rather than inmates or criminals each with unique positive talents and abilities The book is divided into four sections The first section discusses forensic social work including crime and delinquency theories trends and ethical issues The second section prepares social workers for practice in correctional institutions and explores crisis intervention with victims of violence reentry of adult offenders in society and aging in prison The third section covers assessment and intervention in child sexual abuse mental health and substance abuse interpersonal violence and prevention child welfare and juvenile justice The final section presents an overview on social work in the twenty first century which includes restorative justice and the justice system new ways of delivering justice domestic violence neighborhood revitalization race and ethnicity and social work practice with LGBTQ offenders This book will be the best single source on social work in criminal justice settings and will prove to be an invaluable resource for the many professionals who have responsibility for formulating and carrying out the mandates of the criminal justice system      Social Work Practice with Children and Families Francis K. O. Yuen, 2014-06-11 Effectively engage clients in working for personal change Social Work Practice with Children and Families presents the framework for family health social work and its applications in various practice environments This vital textbook provides a unique blend of academic deliberations and practical service guidelines Case examples or discussion questions are included at the end of each chapter to facilitate more in depth understanding and discussion among graduate and undergraduate students professors and educators in health and human service areas Social Work Practice with Children and Families is organized into two major sections entitled Practice Interventions and Policy Programs and Emerging Families This book will supply you with intervention and change strategies for promoting the physical mental emotional social economic cultural and spiritual growth and development of the family unit and each of its members resulting in its holistic well being The book covers a wide variety of family dynamics that you will encounter including gay lesbian parents single parents and grandparents as caregivers In this resource you will also find case studies adaptive strategies and intervention models for working with families dealing with abuse and violence disability loss and grief HIV AIDS migrating and seasonal farm work and more Social Work Practice with Children and Families will show you how to adopt and use family health social work practice methodology and models in your casework As a supplemental text it

will help you harness the resources of the household the government and the community to develop interventions and services that promote the interests and welfare of your clients and their loved ones Evidence Discovery and Assessment in Social Work Practice Pack, Margaret, 2014-10-31 Social workers play a crucial part in contemporary society by ensuring that individuals are able to address overcome and manage obstacles in their daily lives In an effort to better serve their clients many practitioners have turned to evidence based practice Evidence Discovery and Assessment in Social Work Practice provides practitioners with the tools necessary to locate analyze and apply the latest empirical research findings in the field to their individual practice This premier reference work provides insights and support to professionals and researchers working in the fields of social work counseling psychotherapy case management and psychology **Police Social Work** George T. Patterson, 2022-01-31 Grounded in contemporary social work practice approaches such as trauma informed practice cultural competency and systems theory this book provides a model for developing implementing and evaluating police social work and social service collaboration within the context of contemporary policing strategies The practice of professional social work in law enforcement agencies is increasingly becoming an important area of practice Police social work as it is known benefits community residents and assists law enforcement agencies with accomplishing community policing and other problem solving initiatives Throughout 13 chapters this book covers The practice of professional social work within law enforcement agencies The types of social problems addressed and characteristics of police social work collaborations Ethical and other practice issues that arise when collaborating with law enforcement agencies and required practice skills to address these issues An examination of collaborations formed between law enforcement agencies and social services agencies in which the service providers are not professional social workers A model for developing police social work collaborations and investigating collaboration effectiveness Expanded roles for police social work practice such as consultation officer selection training recruits and police officers and assisting their families Police Social Work provides a wealth of case studies and other reference material to prepare students for police social work practice as well as serving as a resource for police officers recruits and students majoring in policing APAIS 1994: Australian public affairs information service , *School Social Work* JoDee Keller, Giesela Grumbach, 2022-01-13 Informed by a social justice approach this user friendly text for social work students provides a comprehensive introduction to contemporary school social work practice structured around the 2022 CSWE EPAS Competencies With a focus on skills development this innovative text is competency based and encompasses professionalism cross disciplinary collaboration research applications theoretical foundations policies engagement assessment intervention and evaluation Following a brief historical overview and introduction to the discipline the book delves into school social work practice and delivers timely content regarding professional identity supervision anti racism diversity equity inclusion and social justice Practice knowledge is examined through social work theory evidence informed practice use of data and policies regarding school

children and families The text addresses the full range of client engagement service provision the multi tiered system of supports trauma based practices social emotional learning termination and transition planning An instructor s manual sample syllabus and PowerPoints accompany each chapter Purchase includes digital access for use on most mobile devices or computers Key Features Organizes content by the CSWE professional competencies Provides case scenarios and practitioner spotlights in each chapter to illuminate the varied roles and responsibilities of school social workers Includes skill development activities additional resources and reflection boxes to foster understanding and creative thinking Delivers a comprehensive focus covering policy practice and theory Addresses the full range of client engagement and service provision Incorporates contemporary issues relevant to school practice MTSS SEL IDEA ESSA Views the discipline through a decolonial lens and acknowledges structural racism in the school system
