

Career Path to Become a Social Worker

The path to a career in social work can vary, but for those just starting their journey, here are some steps to consider.

1

Pave Your Path

Learn what you can about a social work career and start to think about which specialty would be the best fit for you.

2

Find a Program

Once you have a better idea of what kind of social worker you want to be, find a program that can help you get there.

4

Finance Your Education

Know your financial aid options. The government has a student loan forgiveness program for people in public service careers.

3

Prepare for Admission

Familiarize yourself with admission requirements and brainstorm ways to make yourself a competitive candidate.

5

Work Under Supervision

Many states require a period of board-approved supervised work. This can last 2-3 years.

6

Take Licensing Exams

Research your state's licensing requirements and make sure you have all requirements taken care of to obtain a license, if necessary.

8

Obtain a Credential

Credentials are optional, but they may boost your resume or make it easier to get a license in a new jurisdiction.

7

Get Hired

Network with others in the industry, perfect your resume, and take advantage of all available resources to help land your ideal job in social work.

Social Work

Social Work:

Introduction to Social Work, Fourth Edition Ira Colby, Sophia F. Dziegielewski, 2015-06 There are certain questions that all students considering social work ask Who are social workers What is it that social workers do How is the social work profession changing What does it take to become a social worker Ira Colby and Sophia Dziegielewski bring their decades of experience in social work practice and education to answer these questions This engaging text gives readers a practical guide to the many ways in which social workers effect change in their communities and the world The authors offer an overview and history of the profession introduce readers to the practice of social work at the micro mezzo and macro level and finally look closely at the many settings and populations that social workers work with While realistically portraying the pressures and obstacles that social workers face Colby and Dziegielewski communicate their own passion for social work

Encyclopedia of Social Work, 1965 **Introduction to Social Work** Lisa E. Cox, Carolyn J. Tice, Dennis D. Long, 2017-11-29 Winner of the 2019 Textbook Excellence Award from the Textbook Academic Authors Association TAA The best selling *Introduction to Social Work* takes students to the root of the social work profession by covering its history practice settings and career paths within a unique advocacy framework This advocacy practice and policy model comprised of four components economic and social justice a supportive environment human needs and rights and political access provides an effective lens for viewing today's social issues Throughout the book an emphasis on advocacy underscores the transformative opportunities and contributions of social work on not just the clinical client level but also at organizational community national and international levels The Second Edition closely aligns with the latest Educational Policy and Accreditation Standards EPAS from the Council on Social Work Education CSWE and references the 2018 Code of Ethics from the National Association of Social Workers NASW Through the authors inclusion of reflective practice students will be encouraged to engage in critical thought and contemplate a career in social work Free Poster What Can You Do with a Degree in Social Work **Social Work in the 21st Century** Michael Reisch, Eileen Gambrill, 1997-02-05 I am enthusiastic about this publication it is an excellent manuscript well conceived well written and the contributors all appear to be very well qualified Philip Popple Western Michigan University This book will be helpful to you in teaching policy practice or introductory social work courses at the BSW or MSW level if you want to Generate stimulating discussion and debate among your students on how social work's roles are changing now and may change further in the future Expose your students to the thoughts and opinions of many of today's leaders in social work education in essays specially written for this volume **The Work of Social Work** Allan R. Mendelsohn, 1980 **School Social Work** JoAnn Jarolmen, 2013-03-28 Offering a unique focus on evidence based interventions critical thinking and diversity *School Social Work A Direct Practice Guide* covers the foundations of working with children and adolescents in the schools Each chapter reviews a basic concept and then provides two in depth activities that allow readers to apply the concepts to real life practice situations Practical hands on experiences

best practice approaches and case examples throughout the book demonstrate assessments and techniques in action with vulnerable populations and help readers to understand the nuances and complexities of working in a school environment The book begins with an overview of theory important to social work in the school setting then covers a wide array of topics including a typical day in the life of a school social worker skills and techniques special education crisis intervention collaboration and school consultation current issues in education ethical dilemmas policy program development and evaluation and global issues in school social work

Digital Social Work Lauri Goldkind, Lea Wolf, Paul P. Freddolino, 2019 In a digitally powered society social workers are frequently challenged to embrace new interventions and enhance existing strategies in order to effectively promote social justice The cases in this volume present engaging examples of technology tools in use across micro mezzo and macro practice thereby illuminating the knowledge skills and values required of those who practice social work

2 0 **Comprehensive Handbook of Social Work and Social Welfare, The Profession of Social Work**, 2008-03-11 Comprehensive Handbook of Social Work and Social Welfare Volume 1 The Profession of Social Work features contributions from leading international researchers and practitioners and presents the most comprehensive in depth source of information on the field of social work and social welfare

Generalist Social Work Practice Janice Gasker, 2018-11-06 Generalist Social Work Practice provides students with the foundational skills and knowledge needed to serve clients across micro mezzo and macro areas of practice Author Janice Gasker brings a focus on self reflection as the first stage in the planned change process and writes with the perspective that we consider work at all levels of practice simultaneously rather than in isolation In accordance with the 2015 Educational Policy and Accreditation Standards EPAS set forth by the Council of Social Work Education CSWE the planned change process is presented as dynamic and interactive providing students with a clear understanding of how each stage of the planned change process can be utilized at any point when serving a client system The text spotlights the distinctive characteristics of the worker their values attitudes and experiences that may influence client interaction The text also includes case studies collaborative learning exercises and critical thinking questions to help students apply concepts to practice

Social Work Treatment Francis J. Turner, 2011-03-15 First published in 1974 Social Work Treatment remains the most popular and trusted compendium of theories available to social work students and practitioners It explores the full range of theoretical approaches that drive social work treatment and knowledge development from psychoanalysis to crisis intervention This treasure trove of practice knowledge equips professionals with a broad array of theoretical approaches each of which shine a spotlight on a different aspect of the human condition Emphasizing the importance of a broad based theoretical approach to practice it helps the reader avoid the pitfalls of becoming overly identified with a narrow focus that limits their understanding of clients and their contexts This sweeping overview of the field untangles the increasingly complex problems ideologies and value sets that define contemporary social work practice The result is an essential A to Z reference that charts the full range of theoretical

approaches available to social workers regardless of their setting or specialty *Social Work and Social Justice* Michael Reisch, Charles D. Garvin, 2016-03-10 *Social Work and Social Justice* transcends discussions of abstract social justice concepts and goals by focusing on how these concepts can be used as guides for socially just practice at the interpersonal, organizational, community, and societal levels. In addition to emphasizing the importance of social justice work through compelling examples, case studies, and exercises, this book vividly illustrates its complexity and discusses how social workers can negotiate the practical and ethical challenges involved. Unlike many books on the subject, the text integrates diverse and often conflicting approaches to social justice to promote critical thinking and underscore the value of incorporating various perspectives into one's practice. Other distinguishing features include its emphasis on the complementary nature of socially just goals and processes, its use of well-developed case examples often drawn from the authors' experience, and the authors' reflection on the implications of these examples from both micro and macro perspectives, along with a discussion of how practitioners with diverse understandings of social justice might interpret the case. *Social Work and Social Justice* is based on the authors' extensive teaching and practice experience in a wide variety of fields, both in the U.S. and internationally, and on their research on such varied topics as welfare reform, mental health, social work practice theory, social work values and ethics, and the history and philosophy of social welfare and social work. It is undeniably a must-have resource for students and faculty in undergraduate and graduate social work programs, as well as practitioners in social work and the human services.

Social Work Practice and the Law Lyn K. Slater, Kara R. Finck, 2011-10-17 This is the first book to give social workers the tools to understand their clients' legal needs and rights and to address them collaboratively and effectively. Lyn Slater and Kara Finck ground their text in a comprehensive grasp of the legal system and the inequities of race, class, and gender that shape clients' experiences. *Social Work Practice and the Law* is a powerful call for social workers to be passionate and skillful advocates for their clients. Essential reading for social workers and lawyers alike who serve low-income people entangled in systems that so often fail them. Dorothy Roberts, JD, Kirkland Ellis Professor, Northwestern University School of Law. Author *Shattered Bonds: The Color of Child Welfare*. Based on the author's innovative and nationally recognized prototype for interprofessional work at Fordham University, this is the only volume about social work and the legal system that is written from the social worker's perspective. Devoid of legalese, the book is designed to help social workers develop the ability to reappraise, question, and challenge the law to best serve their clients. It aims to promote the development of a more strategic relationship with the legal system, a partnership that can achieve more creative and just solutions to social problems. Exhaustive in scope, *Social Work and the Law* identifies current national and international trends and legal movements that support and invite interprofessional, critically competent social work participation. The book also identifies and explains the essential knowledge, skills, values, and attitudes necessary for the attainment of collaborative critical competence when interacting with the legal system. Each chapter includes vivid case studies based on actual collaborations that illustrate the

application of theory to practice Chapters also include legal social work and evidence based resources Key Features Promotes a proactive approach to the ways in which social workers can use law to promote clients best interests Addresses all domains of social work practice child welfare housing law educational access disability law benefits and more Offers abundant case studies taken from the authors real life work Devoid of legalese and written from a social worker s perspective
