McNutt, 1999-01-01 In this volume Paula McNutt provides a synthesis of recent research on the nature and development of the society of ancient Israel Focusing on Israelite history from the tribal period through the time of Persian domination McNutt employs a social scientific perspective to examine recent reconstructions of the social and cultural contexts that nurtured the literature of the Hebrew Bible She also offers a helpful overview of the components and dynamics of ancient Israelite society By investigating the intricate social processes that sustained the society of ancient Israel McNutt enables the reader to discern the forces at work during key periods of transition and transformation in early Israelite history Preaching the Old Testament Scott M. the history of Israel *The Social Roots Of Biblical Yahwism* Stephen L. Cook, 2004 Sure to provoke discussion and debate as it offers a unique approach to some old and perplexing issues in the history of ancient Israel and its religion Cook's study is a bold new proposal for synthesizing the social history of Israel's religious traditions Among the many Yahwisms coexisting in ancient Israel was an initially small minority stream of theological tradition composed of geographically and socially diverse groups in northern and southern Israel These groups shared a religious commitment to a covenantal village based land oriented Yahwism that arose before the emergence of Israelite kingship It eventually rose to dominance and its theology provided robust resources for dealing with the Babylonian exile It thus came to occupy a prominent place in the present canon of the Hebrew Bible Cook combines detailed study of biblical texts with a carefully constructed social scientific method and body of data to argue for the early origins of biblical Yahwism This book is written to be accessible to lay readers and also of significant interest to Hebrew Bible students and specialists Paperback edition is available from the Society of Biblical Literature www.sbl-site.org Preliminary biblical studies David M.
