Social Credit Vincent Brussee, 2023-05-30 China's Social Credit System has fundamentally re-shaped global notions of surveillance making it into European Union legislation and hundreds of media headlines Drawing on a rich body of empirical evidence this book offers one of the first comprehensive assessments of this infamous system from its fragmented implementation to its implications for both human rights and the market order Surprisingly it illustrates even China's government is confused about this messy initiative Separating fact from fiction Social Credit is an invaluable resource for anyone interested in technology governance and surveillance in China and beyond Social Classes and Social Credit in Alberta Edward Bell, 1993 The Social Credit party in Alberta has traditionally been presented as petty bourgeois in its ideology and appeals reflecting what was believed to be the dominant class in the province at the time Edward Bell challenges these widely held interpretations of the ideology popular class basis and behaviour in office of the early Social Credit movement 1932-40 *The West* Conway, John F., 2006 In time for Alberta's and Saskatchewan's 100th anniversary of Confederation political commentator and writer John Conway examines the unique way the West has shaped the rest of Canada The Riel Rebellions the Winnipeg General Strike the founding of the CCF Social Credit and Reform parties the struggle for provincial control of resources much of the impetus for political social and economic change in Canada has come from the West From pre Confederation to the present author John Conway himself a Westerner tells the story of the colourful and controversial figures who molded the region His lively history of the West and its peoples offers insight into the experience of Western Canadians and documents their contribution to Canadian economic and political life The third edition of this popular and successful history describes Stephen Harper's arrival on the political scene as well as the rise and fall of such figures as Grant Devine Bill Vander Zalm Glen Clark Roy Romanow and Stockwell Day It also describes how the West the cradle of Canadian social democracy was transformed into the bastion of the right during the last decade The Quiet Revolution Colin James, 2015-12-21 In *The Quiet Revolution* leading political commentator Colin James analyses New Zealand's market based reforms of the 1980s as they are happening Writing a first draft of history he examines how the quiet revolution is seen alternately as a betrayal a dangerous experiment and a liberation Combining economic and political analysis he describes the behind the scenes manoeuvring that formed the backdrop to the reforms and the effects of the reform programme itself He also sees a groundswell of optimism that he argues could forge a new and very different society in New Zealand *China's Logic: The Balance Development* Lixing Zou, 2017-10-10 The law of balance is not just a motivating power but also serves the purpose of development How did human society develop in a balanced manner in history How is China's Modernization impacted by the law of equilibrium How does the law of balance affect China's economic and trade relations with other countries This book attempts to answer these questions and more It applies the balance law methodology to systematically analyze major factors influencing the sustainable development of the Chinese

economy and society and to discuss the balanced way of thinking market credit innovation energy and international collaboration that boost sustainable development While the theoretical system of socialism with Chinese characteristics needs a balanced development perspective solving the problem of imbalance requires a balanced approach as well as a balanced interaction between man nature and society which is the key factor for economic development in the 21st century

Canadian Plains Research Center,2004 From the optimism associated with provincial status in 1905 through the trials of Depression and war the boom times of the post war period and the economic vagaries of the 1980s and the 1990s the twentieth century was a time of growth and hardship development and change for Alberta and its people And during the century twelve men from a variety of political parties and from very different backgrounds led the government of this

province The names of some like William Aberhart Ernest Manning and Peter Lougheed are still household names while others like Arthur Sifton Herbert Greenfield and Richard Reid have been all but forgotten Yet each in his unique way for better or for worse helped to mould and steer the destiny of the province he governed These are their stories [A Brief History of Canada](#) Roger E. Riendeau,2007 Presents a concise history of Canada from the time of early exploration by Europeans to the present day

That's Rich: the Rise and Fall of the BC Liberals Judi Tyabji,2024-08-30 In the unpredictable tangle of British Columbian politics people and the parties they represent can appear ascend and then vanish in notoriety or irrelevance all before your eyes The piece de resistance Truth doesn't have to factor into it A scandalous narrative has the power to control public perception This is untangled in the story of Rich Coleman and the BC Liberals Coleman was in the hot seat for twenty four years In his time he was called everything from Wyatt Earp to a knuckle dragger a criminal to a hero The truth of course is always more complicated than the sound bites and his story deserves more accuracy than the news stories gave it Through Coleman's eyes you'll have a close look at the highs and lows of the BC Liberals political journey You'll also see the painstaking critical work behind the scenes while the province was distracted by controversies Coleman's work restructured institutions and built a new BC industry Whatever you think of the BC Liberals you will have to admit it's quite the story and Rich Coleman will surprise you if you give him the chance

Full Circle: Death and Resurrection In Canadian Conservative Politics Bob Plamondon,2014-11-21 Full Circle tells the dramatic story of how the Canadian conservative movement was fractured in the 1990s and how it was restored to glory and was returned to power in 2006 It recounts the humiliating defeat of the Progressive Conservative Party the rise of the Reform Party and a decade long sojourn for conservatives in the political wilderness It lays out step by step the strokes and counterstrokes the promises made and broken the betrayals and defections within a movement riven by faction Based on meticulous background research and interviews with the key players Full Circle takes the reader behind the scenes in a high octane exposé of political machination intrigue and the ultimate battle for survival and supremacy Sweeping in its breadth and scope captivating in its detail Full Circle is the definitive account of this unprecedented period in Canadian political history Even those involved in conservative politics will be shocked by the startling revelations and debunking of popular myths The death and resurrection of Canada's conservative political movement over the past two decades is a story that has never been told from beginning to end until now

A Long Way to Paradise Robert A.J. McDonald,2021-10-15 The political landscape of British Columbia has been characterized by divisiveness since Confederation As outsized personalities from Amor De Cosmos to W A C Bennett dominated the halls of power militant radicals and reformers took to the streets and hustings A Long Way to Paradise traces the evolution of political ideas from 1871 to 1972 to explore British Columbia's journey to socio political maturity answering both why and how British Columbia became Canada's most fractious province Robert McDonald explains its classic left right divide as a product of common sense liberalism that also shaped how British Columbians met the

challenges of a modernizing world McDonald tackles key questions Why were the Liberal and Conservative parties obliterated in the 1950s What can account for Bennett s decades long reign And why did parties as diametrically opposed as Social Credit and the NDP succeed This lively overview provides fresh insight into the fascinating story of provincial politics in Canada s lotus land

Nott, Robin Edward Feenstra, 2011 Ezra Pound 1885 1972 is widely remembered not only as one of the most influential voices in twentieth century literary modernism but also for his notorious anti Semitic writings and radio broadcasts that supported Mussolini s Italian Fascist regime His ideological turn from poetics and aestheticism to extremist economics and politics has long been an area of controversy within literary studies One Must Not Go Altogether with the Tide collects the letters between Pound and London publisher Stanley Nott 1887 1978 to open a door to Pound s thinking and publications during the 1930s Nott who published Jefferson and or Mussolini 1935 was an interested and encouraging interlocutor for a poet seeking re invention as an economist and political commentator someone who sustained Pound as he swam against the tide Pound s close involvement with his publisher illuminates an important episode in literary modernism as well as For The study of print culture in the interwar period This edition of the letters retains Pound s idiosyncratic epistolary idiom and analyzes letter writing as a genre critical to Pound s intellectual and cultural project capturing Pound as a collaborator at work

Code Politics Jared J. Wesley, 2011-04-01 Politics on the Canadian Prairies are puzzling The provinces share a common landscape and history but they have nurtured three distinct political cultures Alberta is Canada s bastion of conservatism Saskatchewan its cradle of social democracy and Manitoba its progressive centre The roots of these

cultures run deep yet their persistence over a century has yet to be explained Drawing on over eight hundred pieces of campaign literature Jared Wesley reveals that dominant political parties have used one key device rhetoric to foster and carry forward their province s cultural values or political code Social Credit and Progressive Conservative leaders in Alberta emphasized freedom whereas New Democrats in Saskatchewan stressed security Successful politicians in Manitoba by contrast underscored the importance of moderation Although the content of their campaigns differed leaders from William Aberhart to Tommy Douglas to Gary Doer have employed distinct codes to ensure their parties success and shape their provinces political landscapes
