Internal Migration, Crime, and Punishment in Contemporary China Anqi Shen, 2018-11-15 This work investigates inequality and social exclusion in contemporary Chinese society specifically in the context of urbanization migration and crime Economic reforms started in the late 1970s post Mao fuelled a trend of urbanization and mass migration within China largely from rural areas to more economically developed urban regions With this migration came new challenges in a rapidly changing society Researchers have extensively studied the rural to urban human movement social changes inequality and its impact on individuals and society as a whole This volume provides a new perspective on this issue It forges a link between internal migration inequality social exclusion and crime in the context of China through qualitative research into the impact of this phenomenon on individuals lives Using a series of case studies drawn from interviews with inmates men and women in a large Chinese prison it focuses on migrant offenders subjective experiences and analyses issues from the rarely heard perspectives of migrant lawbreakers themselves The research demonstrates how factors including the hukou system rural urban class and gender inequalities prejudices against rural migrants and other structural problems often lead to migrant offending The author argues that to mitigate the effects of criminalisation the root causes of these problems should be examined emphasizing radical reforms to the hukou policy cultural change in urban society to welcome newcomers positive programs to integrate migrant workers into urban societies and improve their opportunities rather than inflicting harsher penalties or reducing migration While the research is based in China it has clear implications for other regions of the world which are experiencing similar tensions related to national and international migration This work will be of interest to researchers in criminology and criminal justice particularly with an interest in Asia as well as those in related fields such as sociology law and social justice

An Introduction to Criminological Theory Roger Hopkins Burke, 2017-11-27 This book provides a comprehensive and up to date introduction to criminological theory for students taking courses in criminology at both undergraduate and postgraduate level Building on previous editions which broadened the debate on criminological theory this book presents the latest research and theoretical developments The text is divided into five parts the first three of which address ideal type models of criminal behaviour the rational actor predestined actor and victimized actor models Within these the various criminological theories are located chronologically in the context of one of these different traditions and the strengths and weaknesses of each theory and model are clearly identified The fourth part of the book looks closely at more recent attempts to integrate theoretical elements from both within and across models of criminal behaviour while the fifth part addresses a number of key recent concerns of criminology postmodernism cultural criminology globalization and communitarianism All major theoretical perspectives are considered including classical criminology biological and psychological positivism labelling theories feminist criminology critical criminology and left realism social control theories the risk society The new edition also features comprehensive coverage of recent developments in criminology including

situation action theory desistance theory peacemaking criminology Lo c Wacquant s thesis of the penal society critical race theory and Southern theory This revised and expanded fourth edition of *An Introduction to Criminological Theory* includes chapter summaries critical thinking questions a full glossary of terms and theories and a timeline of criminological theory making it essential reading for those studying criminology *Criminological Perspectives on Race and Crime* Shaun L. Gabbidon, 2015-02-11 Ideal for use in either crime theory or race and crime courses this is the only text to look at the array of explanations for crime as they relate to racial and ethnic populations Each chapter begins with a historical review of each theoretical perspective and how its original formulation and more recent derivatives account for racial ethnic differences The theoretical perspectives include those based on religion biology social disorganization strain subculture labeling conflict social control colonial and feminism The author considers which perspectives have shown the most promise in the area of race ethnicity and crime *Routledge Handbook of Critical Criminology* Walter S. DeKeseredy, Molly Dragiewicz, 2018-04-09 The main objective of the second edition of the *Routledge Handbook of Critical Criminology* is twofold 1 to provide original chapters that cover contemporary critical criminological theoretical offerings generated over the past five years and 2 to provide chapters on important new substantive topics that are currently being studied and theorized by progressive criminologists Special attention is devoted to new theoretical directions in the field such as southern criminology queer criminology and green criminology The diverse chapters cover not only cutting edge theories but also the variety of research methods used by leading scholars in the field and the rich data generated by their rigorous empirical work In addition some of the chapters suggest innovative and realistic short and long term policy proposals that are typically ignored by mainstream criminology These progressive strategies address some of the most pressing social problems facing contemporary society today which generate much pain and suffering for socially and economically disenfranchised people The new edition of the *Handbook* is a major work in redefining areas within the context of international multidisciplinary critical research and in highlighting emerging areas such as human trafficking Internet pornography and image based sexual abuse It is specifically designed to be a comprehensive resource for undergraduate and postgraduate students researchers and policymakers

Controlling State Crime Jeffrey Ian Ross, 2000-01-01 Academic research on state crime has focused on the illegal actions of individuals and organizations i e syndicates and corporations Interchangeably labeled governmental crime delinquency illegality or lawlessness official deviance and misconduct crimes of obedience and human rights violations state crime has largely been considered in relation to insurgent violence or threats to national security Generally it has been seen as a phenomenon endemic to authoritarian countries in transitional and lesser developed contexts We need look no further than today s headlines to see the evidence of state crime Rwanda where government troops massacred countless Hutus and Tutsis governmental atrocities in Kosovo at the hands of the Yugoslavian Army and East Timor where both individuals and property have been decimated largely perpetrated by the Indonesian military The study of how to control state crime has been difficult

There are definitional conceptual theoretical and methodological problems as well as difficulties in designing of practical methods to abolish combat control or resist this type of behavior Jeffrey Ian Ross reviews these shortcomings then develops a preliminary model of ways to control state crime His intention is stimulating scholarly research and debate but also encouraging progressive minded policymakers and practitioners who work for governmental and nongovernmental organizations The hope is that they will reflect upon the methods they advocate or use to minimize state transgressions This new edition will be of compelling interest to students of political science and criminology as well as general readers interested in human rights state crime and world affairs

Theories of Crime Ian Marsh,2007-01-24 The book adopts an interactive style that encourages students to react to the text and think for themselves It includes a range of pedagogical features including reflective question breaks case studies with questions chapter summaries annotated further reading suggestions including websites and a glossary of key terms The book is edited by an experienced and widely published author and is written by a team who teach on a range of Criminology courses at both under and postgraduate levels A clear accessible and comprehensive review of theoretical thinking about crime the book uses an interdisciplinary approach Sociology Psychology and Biology
