Social History Of Twentieth Century Russia

Vladimir Andrie

Social History Of Twentieth Century Russia:

A History of Twentieth-century Russia Robert Service, 1997 Russia has had an extraordinary history in the twentieth century As the first Communist society the USSR was both an admired model and an object of fear and hatred to the rest of the world How are we to make sense of this history A History of Twentieth Century Russia treats the years from 1917 to 1991 as a single period and analyzes the peculiar mixture of political economic and social ingredients that made up the Soviet formula Under a succession of leaders from Lenin to Gorbachev various methods were used to conserve and strengthen this compound At times the emphasis was upon shaking up the ingredients at others upon stabilization All this occurred against a background of dictatorship civil war forcible industrialization terror world war and the postwar arms race Communist ideas and practices never fully pervaded the society of the USSR Yet an impact was made and as this book expertly documents Russia since 1991 has encountered difficulties in completely eradicating the legacy of Communism A History of Twentieth Century Russia is the first work to use the mass of material that has become available in the documentary collections memoirs and archives over the past decade It is an extraordinarily lucid masterful account of the most complex and turbulent period in Russia's long history

A Social History of Twentieth-century Russia Vladimir Andriole, 1994 Our knowledge of modern Russian society has been greatly enriched by the research of recent decades But while the politics of the period has been exhaustively documented the social history remains less familiar Vladimir Andriole's book is the first to draw together the findings and insights of this research to give us a comprehensive view of Russia's social history starting at a time when the tsarist state seemed unassailable and ending with the disintegration of the Soviet system

Regime and Society in Twentieth-Century Russia Ian D. Thatcher, 2016-07-27 This book contains fresh approaches to the interaction between regime and society in twentieth century Russia It offers new answers to familiar questions How useful is totalitarianism as a model to categorise authoritarian regimes What chances existed for tsarism to establish itself as a constitutional monarchy Were Trotsky and Lenin dictators in waiting How did the Bolsheviks make the Lenin cult What opposition did intellectuals offer in the Soviet regime What is the nature of contemporary Russian constitutionalism It is required reading for historians political scientists sociologists and everyone interested in modern Russia

Russia's Long Twentieth Century Choi Chatterjee, Lisa A. Kirschenbaum, Deborah A. Field, 2016-05-20 Covering the sweep of Russian history from empire to Soviet Union to post Soviet state Russia's Long Twentieth Century is a comprehensive yet accessible textbook that situates modern Russia in the context of world history and encourages students to analyse the ways in which citizens learnt to live within its system and create distinctly Soviet identities from its structures and ideologies Chronologically organised but moving beyond the traditional Cold War framework this book covers topics such as the accelerating social economic and political shifts in the Russian empire before the Revolution of 1905 the construction of the socialist order under Bolshevik government and the development of a new state structure political ideology and foreign policy in the decades since the collapse of the Soviet

Union The authors highlight the polemics and disagreements that energize the field discussing interpretations from Russian migr and Western historiographies and showing how scholars diverge sharply in their understanding of key events historical processes and personalities Each chapter contains a selection of primary sources and discussion questions engaging with the voices and experiences of ordinary Soviet citizens and familiarizing students with the techniques of source criticism Illustrated with images and maps throughout this book is an essential introduction to twentieth century Russian history

Russia's International Relations in the Twentieth Century Alastair Kocho-Williams, 2013 Russia has long been a major player in the international relations arena but only by examining the whole century can Russian foreign policy be properly understood and the key questions as to the impact of war of revolution of collapse the emergence of the Cold War and Russia's post Soviet development be addressed Surveying the whole of the twentieth century in an accessible and clear manner Russia's International Relations in the Twentieth Century provides an overview and narrative with analysis that will serve as an introduction and resource for students of Russian foreign policy in the period and those who seek to understand the development of modern Russia in an international context The volume includes an analysis of the major themes which surrounded Russia's position in world affairs as one of the European Great Powers before the First World War the impact of Revolution and the emergence of Soviet foreign policy with its dual aims of normalization and world revolution the changes wrought to the international order by the rise of Nazi Germany and by the Second World War the origins and development of the Cold War the end of the Cold War and the Soviet collapse how Russia has rebuilt itself as an international power in the post Soviet era An essential resource for students of Russian history and International policy Beyond hegemony Darrow Schechter, 2013-07-19 Since the Enlightenment liberal democrat governments in Europe and North America have been compelled to secure the legitimacy of their authority by constructing rational states whose rationality is based on modern forms of law The first serious challenge to liberal democratic practices of legal legitimacy comes in Marx's early writings on Rousseau and Hegel Marx discovers the limits of formal legal equality that does not address substantive relations of inequality in the workplace and in many other spheres of social life Beyond Hegemony investigates the authoritarianism and breakdown of those state socialist governments in Russia and elsewhere which claim to put Marx's ideas on democracy and equality into practice The book explains that although many aspects of Marx's critique are still valid today his ideas need to be supplemented by the contributions to social theory made by Nietzsche Foucault the critical theory of the Frankfurt School as well as the libertarian socialism of G D H Cole What emerges is a new theory of political legitimacy which indicates how it is possible to move beyond liberal democracy whilst avoiding the authoritarian turn of state socialism Schechter points out the weaknesses of the many extra legal accounts of non formal legitimacy now on offer such as those based on friendship and identity He then argues that the first step beyond hegemony depends on the discovery of forms of legitimate legality and demonstrates why the conditions of legitimate law can be identified **Russia's Long Twentieth Century** Choi

Chatterjee, Lisa A. Kirschenbaum, Deborah A. Field, 2016-05-20 Covering the sweep of Russian history from empire to Soviet Union to post Soviet state Russia's Long Twentieth Century is a comprehensive yet accessible textbook that situates modern Russia in the context of world history and encourages students to analyse the ways in which citizens learnt to live within its system and create distinctly Soviet identities from its structures and ideologies Chronologically organised but moving beyond the traditional Cold War framework this book covers topics such as the accelerating social economic and political shifts in the Russian empire before the Revolution of 1905 the construction of the socialist order under Bolshevik government and the development of a new state structure political ideology and foreign policy in the decades since the collapse of the Soviet Union The authors highlight the polemics and disagreements that energize the field discussing interpretations from Russian migr and Western historiographies and showing how scholars diverge sharply in their understanding of key events historical processes and personalities Each chapter contains a selection of primary sources and discussion questions engaging with the voices and experiences of ordinary Soviet citizens and familiarizing students with the techniques of source criticism Illustrated with images and maps throughout this book is an essential introduction to twentieth century Russian history

Women in Russian History Natalia Pushkareva, 1997-03-03 As the first survey of the history of women in Russia to be published in any language this book is itself an historic event the result of the collaboration of the leading Russian and American specialists on Russian women's history The book is divided into four chronological parts corresponding to eras of Russian history I Kievan Mongol 10th 15th centuries II Muscovite 16th 17th centuries III 18th century and IV 19th early 20th centuries Each part gives coverage to four main topics 1 The role of prominent women in public life with biographical sketches of women who attained prominence in political or cultural life 2 Women's daily life and family roles 3 Women's status under the law 4 Material culture and in particular women's dress as an expression of their place in society *Russia* Neil Robinson, 2003-09-02 This invaluable text traces Russia's complex historical development in the last century its recent political troubles and economic misfortunes and its place in the contemporary international system **From Dictatorship**

to Democracy in Twentieth-Century Portugal Raphael Costa, 2017-02-17 This book examines Portugal's transition from dictatorship to democracy by focusing on Lourinh's urbanization and economic development since 1966 Since 1966 Lourinh's urban landscape has transformed as Portugal democratized From a rural town with little infrastructure and few institutions in 1966 Lourinh emerged by 2001 as a modern European town This work highlights key areas of economic and urban development and argues that Lourinh's political culture became more institutional creating a withering expectation of citizen participation in local development as Portugal transitioned from dictatorship to democracy Raphael Costa asks whether Portugal was on the path towards democracy before 1974 and if the rapid shift to democracy was the blessing it appeared to be by the 1990s Did democratization ultimately disenfranchise the Portuguese in important ways This work uses Lourinh's development as an example of the Portuguese experience to argue that the Carnation Revolution although a watershed in

Portugal's politico cultural evolution should not be understood as the moment when democracy came to Portugal

The Russian Peasantry 1600-1930 David Moon, 2014-07-16 This impressive work set to become the standard history on the subject offers a definitive survey of peasant society in Russia from the consolidation of serfdom and tsarist autocracy in the 17th century through to the destruction of the peasant's traditional world under Stalin. Over three quarters of Russian society were peasants in these years and David Moon explores all aspects of their life xxx including the rural economy peasant households village communities xxx and their political role including protest against the landowning elites. In the process he presents a fresh perspective on the history of Russia itself. A big book in every way xxx and compellingly readable

The World of the Russian Peasant Ben Eklof, Stephen P. Frank, 2023-10-13 First published in 1990 The World of the Russian Peasant is designed to provide a wide ranging survey of new developments in Russian peasant studies. Editors Eklof and Frank paint a broad picture of what life was like for the vast majority of Russia's population before 1917. Individual authors treat the intricacies of the village community and peasant commune social structure the everyday life and labour of peasant women the impact of migration the spread of education and peasant art religion justice and politics. The result is a portrait of a people greatly influenced by rapid and radical changes in the world yet seeking to maintain control over their lives and their communities. This is a must read for students of Russian history Russian peasantry and rural sociology

The World in the Long Twentieth Century Edward Ross Dickinson, 2018-01-12 What can be called the long twentieth century represents the most miraculous and creative era in human history. It was also the most destructive. Over the past 150 years modern societies across the globe have passed through an extraordinary and completely unprecedented transformation rooted in the technological developments of the nineteenth century. The World in the Long Twentieth Century lays out a framework for understanding the fundamental factors that have shaped our world on a truly global scale analyzing the historical trends causes and consequences of the key forces at work. Spanning the 1870s to the present this book explores the making of the modern world as a connected pattern of global developments. Students will learn to think about the past two centuries as a process a series of political and economic upheavals technological advances and environmental transformations that have shaped the long twentieth century

Trotsky Ian D. Thatcher, 2005-06-27 This new biography provides a full account of Leon Trotsky's political life based upon a wealth of primary sources including previously unpublished material. Ian D. Thatcher paints a new picture of Trotsky's standing in Russian and world history. Key myths about Trotsky's heroic work as a revolutionary especially in Russia's first revolution of 1905 and the Russian Civil War are thrown into question. Although Trotsky had a limited understanding of crucial contemporary events such as Hitler's rise to power he was an important thinker and politician not least as a trenchant critic of Stalin's version of communism

The Palgrave Handbook of Women and Gender in Twentieth-Century Russia and the Soviet Union Melanie Ilic, 2017-11-30 This handbook brings together recent and emerging research in the broad areas of women and gender studies focusing on pre-revolutionary Russia

the Soviet Union and the post Soviet Russian Federation For the Soviet period in particular individual chapters extend the geographic coverage of the book beyond Russia itself to examine women and gender relations in the Soviet East Tatarstan Central Asia Kazakhstan Tajikistan and Uzbekistan and the Baltic States Estonia Latvia and Lithuania Within the boundaries of the Russian Federation the scope moves beyond the typically studied urban centres of Moscow and St Petersburg to examine the regions Krasnodar Novosibirsk rural societies and village life Its chapters examine the construction of gender identities and shifts in gender roles during the twentieth century as well as the changing status and roles of women vis a vis men in Soviet political institutions the workplace and society more generally This volume draws on a broad range of disciplinary and methodological approaches currently being employed in the academic field of Russian studies The origins of the individual contributions can be identified in a range of conventional subject disciplines history literature sociology political science cultural studies but the chapters also adopt a cross and inter disciplinary approach to the topic of study This handbook therefore builds on and extends the foundations of Russian women s and gender studies as it has emerged and developed in recent decades and demonstrate the international indeed global reach of such research

Governing Soviet Journalism Thomas C. Wolfe, 2005-06-08 The Soviet project of creating a new culture and society entailed a plan for the modeling of new persons who embodied and fulfilled the promise of socialism and this vision was expressed in the institutions of government Using archival sources essays and interviews with journalists Thomas C Wolfe provides an account of the final four decades of Soviet history viewed through the lens of journalism and media Whereas most studies of the Soviet press approach its history in terms of propaganda or ideology Wolfe s focus is on the effort to imagine a different kind of person and polity Foucault s concept of governmentality illuminates the relationship between the idea of the socialist person and everyday journalistic representation from the Khrushchev period to the 1990s and the appearance of the tabloid press This thought provoking study provides insights into the institutions of the Soviet press and the lives of journalists who experienced important transformations of their work

A Brief History of Human Culture in the 20th Century Qi Xin, 2019-08-27 This book examines the cultural concepts that guided the development of the age of mankind the changes that took place in historical philosophical scientific religious literary and artistic thought in the 20th century It discusses a broad range of major topics including the spread of commercial capitalism socialist revolutions the two world wars anti colonialist national liberation movements scientific progress the clashes and fusion of Eastern and Western cultures globalization women s rights movements mass media and entertainment the age of information and the digital society The combination of cultural phenomena and theoretical descriptions ensures a unity of culture history and logic Lastly the book explores the enormous changes in lifestyles and the virtualized future revealing cultural characteristics and discussing 21st century trends in the context of information technology globalization and the digital era

Traumatic Memories of the Second World War and After Peter Leese, Jason Crouthamel, 2016-10-05 This collection investigates the social and cultural

history of trauma to offer a comparative analysis of its individual communal and political effects in the twentieth century Particular attention is given to witness testimony to procedures of personal memory and collective commemoration and to visual sources as they illuminate the changing historical nature of trauma The essays draw on diverse methodologies including oral history and use varied sources such as literature film and the broadcast media The contributions discuss imaginative communal and political responses as well as the ways in which the later welfare of traumatized individuals is shaped by medical military and civilian institutions Incorporating innovative methodologies and offering a thorough evaluation of current research the book shows new directions in historical trauma studies **Modern European History, 1871-2000** David Welch, 2020-09-10 Modern European History brings together a unique selection of documents covering the period from 1871 to 2000 The collection is organised by topic and a clear historical context and chronological chart provide background for each section This second edition brings the book up to date and includes such key themes in European history as Bismarck and Imperial Germany the Russian Revolution the origins and aftermath of the First and Second World Wars Fascist Italy and Nazi Germany The Spanish Civil War The Cold War European Integration 1945 1999 Containing documents such as extracts from diaries speeches treaties poetry radio broadcasts photographs cartoons political posters and propaganda this is an essential resource for students of modern British and European history *Jewish Intelligentsia and Russian Marxism* Robert J. Brym, 1978-06-17

Social History Of Twentieth Century Russia Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Social History Of Twentieth Century Russia free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Social History Of Twentieth Century Russia free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Social History Of Twentieth Century Russia free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Social History Of Twentieth Century Russia. In conclusion, the internet offers numerous platforms and websites that allow users to download

free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Social History Of Twentieth Century Russia any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Social History Of Twentieth Century Russia Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Social History Of Twentieth Century Russia is one of the best book in our library for free trial. We provide copy of Social History Of Twentieth Century Russia in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Social History Of Twentieth Century Russia. Where to download Social History Of Twentieth Century Russia online for free? Are you looking for Social History Of Twentieth Century Russia PDF? This is definitely going to save you time and cash in something you should think about.
