Social Policy And Discourse Analysis

SJ Ball

Social Policy And Discourse Analysis:

Social Policy and Discourse Analysis Greg Marston, 2004 Despite the fact that policy is increasingly led by the mass media social policy research has so far focused on variables and quantitative measurement rather than cultural meanings and moral welfare debates Taking a critical examination of social policy on public housing by way of illustration this book demonstrates how critical discourse theory can be used in applied research It shows how the theory and method of critical discourse analysis can be worked together in an intricate and accessible way

Understanding Research for Social Policy and Social Work Saul Becker, Alan Bryman, Harry Ferguson, Thomas Harold Ferguson, 2012-03-14 Thoroughly revised and expanded this new edition of Understanding Research for Social Policy and Social Work shows readers the importance of research how to interpret it and how to effectively carry out and report research of their own This landmark textbook is an essential guide to the methods approaches and debates that are required knowledge for students policymakers and practitioners

Understanding Research for Social Policy and Social Work (Second Edition) Saul Becker, Alan Bryman, Harry Ferguson, 2012-03-14 0 [Framing Welfare Recipients in Political Discourse](#) Lenka Kissová, 2021-07-08 This book explores the shift towards individual responsibility that is increasingly evident in welfare systems across the world The book will be of interest to students and scholars across sociology social policy and political science with a particular focus on migration minorities political discourse securitisation social justice and human rights This book offers a compelling read analysing how workfare is legitimated in the Central European context through the innovative metaphor of political farming The analytical framework brings together several distinct streams of theorizing critical discourse studies critical security studies governmentality boundary making and the dynamics of ethnic relations seamlessly and effectively Through a very nuanced discursive analysis Kissov shows how the poor the offenders and the unadaptable categories policymakers use to talk about material need recipients are linked pathologically with criminality abuse of the system and other negative perceptions This is a must read text for anyone interested in how political actors justify questionable legislation that cements inequality in today's neoliberal milieu B Nadya Jaworsky Associate Professor Sociology Masaryk University Czech Republic Lenka Kissov's book is clearly written and carefully researched Her interdisciplinary insight and discursive analysis of parliamentary debates on Slovak workfare policies illustrates the deliberate precise and politicized collocation of Roma marginalization and economic disadvantage in a manner that starkly illustrates systemic racism dressed up as morally necessary regulatory reform Moreover her research has broader comparative and methodological relevance given how she layers in and utilizes governmentality securitization and legitimation theory unmasking how neoliberal economic assumptions and dog whistle politics woven into the speech of politicians works to demonize recipients as real or potential cheats and criminals enact further social exclusion and heighten inequality and fear while not so subtly promoting existing prejudices Her overarching metaphor that of parliamentarians engaging in political farming where their ideas seed and take root in

fertile soil of the national landscape resulting in regulatory products effectively demonstrates how social reality generally and state regulation specifically can be constructed divorced from actual evidence a process beyond her specific case and critically relevant to our times Barbara J Falk Professor Department of Defence Studies Canadian Forces College Royal Military College of Canada Fellow Centre for European Russian and Eurasian Studies University of Toronto Canada

Analysing Social Policy Greg Marston, Catherine McDonald, 2006-01-01 This book brings together leading international researchers to discuss governmental approaches to analysing social policies Analysing Social Policy expands the scope of social policy analysis using the insights from post Foucauldian scholarship on the art of governing in liberal democracies One of the main conclusions reached is that policy researchers need to pay much greater attention to the minutiae of policy reform and to the discursive and material ways in which power operates in policy change The chapters comprising this book are purposefully written in a clear accessible and reflective manner with each of the contributions empirically grounded drawing on social policy problems and practices in many countries ranging from North America to Europe to Australasia The editors address key concerns of both policy analysts as well as academic researchers attempting to locate appropriate theoretical frameworks to make sense of welfare state restructuring in the 21st century This book will appeal to researchers and research students in political science social policy social work and sociology through its demonstration of how to apply contemporary social theory to research problems It will also be of interest to policy scholars around the world who are involved in analysing the intersections of power politics and policy

Analysing Social Policy Concepts and Language Daniel Béland, Klaus Petersen, 2015-10-07 Social policy scholars and practitioners work with concepts such as welfare state and social security but where do these concepts come from and how has their meaning changed over time Which are the dominant social policy concepts and how are they contested What characterises social policy language in specific countries and regions of the world and how do social concepts travel between countries Addressing such questions in a systematic manner for the first time this edited collection written by a cross disciplinary group of leading social policy researchers analyses the concepts and language used to make sense of contemporary social policy The volume focuses on OECD countries located on four different continents Asia Australasia Europe and North America Combining detailed chapters on particular countries with broader comparative chapters the book strikes a rare balance between case studies and transnational perspectives It will be of interest to academics and students in social policy social work political science sociology history and public administration as well as practitioners and policy makers

Analysis and Debate in Social Policy, 2010 Ian Greener, Chris Holden, Majella Kilkey, 2010 Essential reading for academics and students in the field Social Policy Review 22 Analysis and debate in social policy 2010 presents an up to date and diverse review of the best in social policy scholarship including an assessment of Labour's social policy after three terms in office

Social Policy Paul Spicker, 2014-03-01 The second edition of this leading international text introduces students to the concepts and methods of

social policy Social Policy in Post-Apartheid South Africa Ndangwa Noyoo, 2019-11-01 This book critically examines the current social policy in post apartheid South Africa and proposes an alternative social policy agenda to create a new development pathway for the country Taking social policy as a vehicle that will facilitate the creation of a new society altogether namely the Good Society the author argues for the adoption of policy that will socially re engineer South Africa The author shows how the policy tools and development interventions which were undertaken by the post apartheid state in driving South Africa s transformation agenda failed to emancipate many individuals families and communities from the cycle of intergenerational poverty and underdevelopment He contends that social policy interventions that foster the social re engineering of South African society must take place to untangle the inherited colonial apartheid social order This book includes comparative analyses on the Global South and Global North to present the ways in which countries such as post Second World War Great Britain and Sweden and post independence Zambia of the 1960s and 1970s were able to use social policy to create new societies altogether or places similar to the Good Society The conceptual and methodological issues that form the basis for this book reside in public policy making and the public good and will be of interest to scholars of social policy social development and South African society *The Handbook of Social Policy* James Midgley, Michelle Livermore, 2009 The Handbook of Social Policy is a comprehensive examination of the development implementation and impact of social policy The contributors document the substantial body of knowledge about government social policies and their driving forces Black Women, Cultural Images and Social Policy Julia S. Jordan-Zachery, 2009-01-13 Black Women Cultural Images and Social Policy offers a critical analysis of the policy making process Jordan Zachery demonstrates how social meanings surrounding the discourses on crime welfare and family policies produce and reproduce discursive practices that maintain gender and racial hierarchies Using critical discourse analysis CDA she analyzes the values and ideologies ensconced in the various images of black womanhood and their impact on policy formation This book provides exceptional insight into the racing gendering process of policy making to show how relations of power and forms of inequality are discursively constructed and impact the lives of African American women **Eco-Social Policy in the OECD and the World Bank** Robin Schulze Waltrup, 2025-09-26 This book explores eco social policy and its role in the global governance system By focusing on the eco social policy discourses of the Organisation for Economic Co operation and Development OECD and the World Bank this book provides a comprehensive analysis of how and to what extent these influential international organisations integrate environmental and social concerns and promote an integrated eco social policy perspective While the OECD and the World Bank promote crucial elements of eco social policy integration the book argues that they fall short of pushing toward a social ecological transformation within global governance that profoundly focuses on the decommodification of nature and labour Drawing on different concepts including Polanyi s notion of the double movement it shows how there are partly contradictory policy perspectives on eco social policy integration in both

organisations which eventually stabilise the existing capitalist mode of production albeit with green conditions Through its in depth exploration of the eco social policy discourses of the OECD and the World Bank this book serves as an essential resource for understanding and questioning the scope of sustainable and equitable global policy frameworks for both researchers and practitioners

The Power In / Of Language David R. Cole,Linda J. Graham,2012-01-19 The Power In Of Language features a collection of essays that analyse the ways in which language is utilized in contemporary education revealing its deeply entrenched power relationships Features essays grounded in theoretical rigor that offer critical insights into contemporary educational practice Provides educators with fresh new perspectives on language in education Based on the latest research data

Discourse Theory and Political Analysis David R. Howarth,Aletta J. Norval,Yannis Stavrakakis,2000-11-18 How can recent developments in post structuralist post Marxist and psychoanalytical theory actually inform ongoing empirical research What are the appropriate methods and research strategies for conducting research in discourse theory and analysis How can concepts such as hegemony identity the imaginary dislocation and empty signifiers illuminate key aspects of contemporary society and politics This pathbreaking and multi focal book contains a clear introductory statement of the theoretical approach used and concludes with an assessment of the future directions of discourse theory in the social sciences

Adult Education: As Social Policy Colin Griffin,2022-02-26 First published in 1987 Adult Education As Social Policy intends to provide an introduction to the social policy analysis of adult education contributing to the larger literature around lifelong or continuing education The roots of policy in alternative social welfare models are traced to their ideological sources and to the origins of adult education theory itself The development of professionalism is also considered in relation to policy analysis and there is a case study of major policy documents to illustrate the analysis The book will be of interest to students of pedagogy education and policy

Social Policy and Citizenship Adalbert Evers,Anne-Marie Guillemard,2013 Taking nine European countries as case studies the contributions to this volume analyze the ways that citizenship has changed in key areas such as social security labor market policies and social services

Policy Analysis in Canada Laurent Dobuzinskis,David H. Laycock,Michael Howlett,2007-01-01 This volume offers a comprehensive overview of the many ways in which the policy analysis movement has been conducted and to what effect in Canadian governments and for the first time in business associations labour unions universities and other non governmental organizations

Social Policy and Risk Ian Culpitt,1999-06-22 This book examines the notion of risk in relation to social policy It takes ideas about risk as expressed by sociologists such as Ulrich Beck in Risk Society and applies them to recent changes in welfare The author shows neo liberals have used various aspects of risk to attack welfare dependency and how various rhetoric s of risk have been used to reshape contemporary politics Social Policy and Risk makes a major contribution to our understanding of contemporary welfare politics

Reconciliation Policy in Germany 1998-2008 Cornelius Grebe,2010-11-18 In all research the choice of object is primary and decisive This refers to the set of c cepts which

determines the delimitation among the totality of phenomena of those selected as objects of analysis Topalov 1979 446 In this quote Topalov addresses the fundamental illusion of empiricist research approaches that objects of inquiry are self evident givens The rejection of this piricist illusion constitutes the foundation of this thesis This thesis modifies a c textual social constructionist paradigm of inquiry and combines it with a feminist standpoint in the analysis of policies claimed to be aimed at reconciling paid ployment and care work in Germany from 1998 to 2005 1 1 Genesis of the study The present study developed out of three interrelated strands of our intellectual riosity which evolved triggered by an engagement with a discipline unique to the UK in its approach Social Policy First in what can be described as a fruitful int lectual adaptation process to a new discipline an initial interest in welfare state transformation in Eastern Europe developed into a keen interest in family policies

Social Policy in an Era of Competition John Hudson, Dan Horsfall, 2017-06-30 Welfare states globally have been subjected to reform agendas that have stressed economic competitiveness but how has global competition reshaped welfare states in practice Providing a new cross national and international narrative this book captures the complexity of social policy reform process that have taken place over the past 25 years Drawing on data relating to multiple countries the authors examine global cross national and local cases in order to shed light on the impact of international forces on social policy The book addresses major theoretical debates about the direction of welfare state reform processes across the OECD and beyond offering empirically rooted analyses of change and new perspectives on the impact of global competition on social policy
