# Social Problems In Canada Issues And Challenges

**Philip Massolin**

## **Social Problems In Canada Issues And Challenges:**

Social Problems in Canada Adie Nelson, Augie Fleras, 1998 Discusses addictions sex and sexuality crime inequality and poverty gender race ethnicity and aboriginality family media work and workplaces globalization and global problems etc

### **Canadian Intellectuals, the Tory Tradition, and the Challenge of Modernity, 1939-1970** Philip

Massolin, 2015-05-27 In this well researched book Philip Massolin takes a fascinating look at the forces of modernization that swept through English Canada beginning at the turn of the twentieth century Victorian values agrarian religious and the adherence to a rigid set of philosophical and moral codes were being replaced with those intrinsic to the modern age industrial secular scientific and anti intellectual This work analyses the development of a modern consciousness through the eyes of the most fervent critics of modernity adherents to the moral and value systems associated with Canada's tory tradition The work and thought of social and moral critics Harold Innis Donald Creighton Vincent Massey Hilda Neatby George P Grant W L Morton Northrop Frye and Marshall McLuhan are considered for their views of modernization and for their strong opinions on the nature and implications of the modern age These scholars shared concerns over the dire effects of modernity and the need to attune Canadians to the realities of the modern age Whereas most Canadians were oblivious to the effects of modernization these critics perceived something ominous far from being a sign of true progress modernization was a blight on cultural development In spite of the efforts of these critics Canada emerged as a fully modern nation by the 1970s Because of the triumph of modernity the toryism that the critics advocated ceased to be a defining feature of the nation's life Modernization in short contributed to the passing of an intellectual tradition centuries in the making and rapidly led to the ideological underpinnings of today's modern Canada *Social Problems* Anna Leon-Guerrero, 2015-06-18

Empower your students to become part of the solution With a clear and upbeat voice author Anna Leon Guerrero's thought provoking overview of social problems challenges readers to understand and recognize social problems in their communities and inspires them to become part of the solution The Fifth Edition of *Social Problems Community Policy and Social Action* goes beyond the typical presentation of contemporary social problems and their consequences by emphasizing the importance and effectiveness of community involvement to achieve real solutions With an overarching focus on social inequalities and policy this proven text provides a platform for discussion that encourages critical thinking and inspires hope The extra emphasis on social action and movements is a real strength I like that the three major perspectives are used in each chapter as I feel many texts just put that in the first chapter and then forget about it Todd Michael Callais University of Cincinnati Blue Ash **Revisiting Multiculturalism in Canada** Shibao Guo, Lloyd Wong, 2015-12-01 In 1971 Canada was the first nation in the world to establish an official multiculturalism policy with an objective to assist cultural groups to overcome barriers to integrate into Canadian society while maintaining their heritage language and culture Since then Canada's practice and policy of multiculturalism have endured and been deemed as successful by many Canadians As well

Canada's multiculturalism policy has also enjoyed international recognition as being pioneering and effectual. Recent public opinion suggests that an increasing majority of Canadians identify multiculturalism as one of the most important symbols of Canada's national identity. On the other hand, this apparent successful record has not gone unchallenged. Debates, critiques, and challenges to Canadian multiculturalism by academics and politicians have always existed to some degree since its policy inception over four decades ago. In the current international context, there has been a growing assault on and subsequent retreat from multiculturalism in many countries. In Canada, debates about multiculturalism continue to emerge and percolate, particularly over the past decade or so. In this context, we are grappling with the following questions: What is the future of multiculturalism, and is it sustainable in Canada? How is multiculturalism related to egalitarianism, interculturalism, racism, national identity, belonging, and loyalties? What role does multiculturalism play for youth in terms of their identities, including racialization? How does multiculturalism play out in educational policy and the classroom in Canada? These central questions are addressed by contributions from some of Canada's leading scholars and researchers in philosophy, psychology, sociology, history, education, religious studies, youth studies, and Canadian studies. The authors theorize and discuss the debates and critiques surrounding multiculturalism in Canada and include some very important case studies.

**The Challenge of Children's Rights for Canada** Katherine Covell, R. Brian Howe, 2006-01-01. Canada signed the United Nations Convention on the Rights of the Child over a decade ago, yet there is still a lack of awareness about and provision for children's rights. What are Canada's obligations to children? How has Canada fallen short? Why is it so important to the future of Canadian society that children's rights be met? Prompted by the gap between the promise of children's rights and the reality of their continuing denial, Katherine Covell and R. Brian Howe call for changes to existing laws, policies, and practices. Using the United Nations Convention on the Rights of the Child as their framework, the authors examine the continuing problems of child poverty, child care, child protection, youth justice, and the suppression of children's voices. They challenge us to move from seeing children as parental property to seeing children as independent bearers of rights. In *The Challenge of Children's Rights for Canada*, Canada's obligations and the rights of children are examined from the perspectives of research and development in the fields of developmental psychology, developmental neuroscience, law, and family policy. This timely and accessible book will be of interest to academics, policy makers, and anyone who cares about children and about taking children's rights seriously.

*The Cambridge Handbook of Social Problems*: A. Javier Treviño, 2018-03-22. The introduction of the Affordable Care Act in the United States, the increasing use of prescription drugs, and the alleged abuse of racial profiling by police are just some of the factors contributing to twenty-first century social problems. *The Cambridge Handbook of Social Problems* offers a wide-ranging roster of the social problems currently pressing for attention and amelioration. Unlike other works in this area, it also gives great consideration to theoretical and methodological discussions. This Handbook will benefit both undergraduate and graduate students eager to understand the sociology of social problems. It is suitable for classes in

social problems current events and social theory Featuring the most current research the Handbook provides an especially useful resource for sociologists and graduate students conducting research *The Trajectories of Rural Life* University of Regina. Canadian Plains Research Center, Saskatchewan Institute of Public Policy, 2003 Rural communities have been profoundly affected by recent political economic demographic and cultural change In Canada the impacts of these changes are all about us in the absolute population declines in Saskatchewan and Newfoundland in the crises of the east and west coast fisheries in the farm crisis in serious ecological problems and in the reorientation of rural social services There is a tendency to view these problems in stark terms as part of a qualitatively new era in Canadian history triggered perhaps by the forces of globalization or urbanization or the rise of the service sector economy In important ways however the problems of rural Canada are not particularly new Rural migration pollution wildlife conservation and other matters have been long standing persistent concerns of rural Canadians This book attempts to both resist the seemingly persistent urge to romanticize and prognosticate about rural Canada and the people who live geographically outside the urban environment and suggest different ways of looking at rural life In this sense its goal is to build upon an increasingly strong base of research and writing on rural Canada to suggest different perspectives on the countryside the small town the environment and the landscape **Community Health Nursing in Canada - E-Book** Sandra A. MacDonald, Sonya L. Jakubec, Marcia Stanhope, Jeanette Lancaster, 2016-08-17 NEW CHN in Practice boxes provide unique case studies to help you develop your assessment and critical thinking skills NEW Cultural Considerations boxes present culturally diverse scenarios that offer questions for reflection and class discussion **Canadian Books in Print 2002** Edited by Butler Marian, Marian Butler, 2002-02 Containing more than 48000 titles of which approximately 4000 have a 2001 imprint the author and title index is extensively cross referenced It offers a complete directory of Canadian publishers available listing the names and ISBN prefixes as well as the street e mail and web addresses *Health Inequities in Canada* Olena Hankivsky, 2011-05-01 There is a growing recognition that existing theories on and approaches to health inequities are limited in their ability to capture how they are produced through changing co constituted and intersecting effects of multiple forms of oppression Intersectionality considers the interactions and combined impacts of social locations and structural processes on the creation and perpetuation of inequities This volume brings together activists scholars and community based researchers to apply interpretations of intersectionality to health and organizational governance cases By addressing specific health issues it demonstrates that inequities cannot be understood without the interrogation of power and diverse social locations and structures that shape lives and experiences of health *Cross-Cultural Caring, 2nd ed.* Nancy Waxler-Morrison, Joan M. Anderson, Elizabeth Richardson, Natalie A. Chambers, 2011-11-01 As North America's ethnic populations increase health care and social service workers are recognizing that in order to provide culturally sensitive and effective treatment programs they must be more aware of the particular needs of their ethnic patients This newly revised edition of Cross Cultural Caring A

Handbook for Health Professionals describes Vietnamese Cambodian and Laotian Chinese Japanese Iranian South Asian and Central American ethno cultural groups It stresses the need to understand both the cultural beliefs and the daily life concerns facing immigrants such as work income child rearing and aging all of which impinge on health Reflecting the questions health professionals most often ask about immigrant groups each chapter describes one ethno cultural community discussing such issues as childbirth mental illness dental care hospitalization and death as well as home country culture common reasons for emigrating and challenges in adjusting to a new culture This new edition provides up to date statistics and fresh analysis responding to changing trends in immigration Additional material includes a new chapter addressing the special circumstances of refugees short real life stories of immigrants and refugees experiences and a thorough easy to use index

*Cross-cultural Caring* ,2005 This newly revised edition of Cross Cultural Caring A Handbook for Health Professionals looks at Vietnamese Cambodian and Laotian Chinese Japanese Iranian South Asian and Central American ethno cultural groups It stresses the need to understand both the cultural beliefs and the daily life concerns facing immigrants such as work income child rearing and aging all of which impinge on health This long awaited new edition provides up to date statistics and fresh analysis responding to changing trends in immigration Additional material includes a new chapter addressing the special circumstances of refugees short real life stories of immigrants and refugees experiences and a thorough easy to use index

R sum de l diteur *The Cambridge Handbook of Social Problems: Volume 2* A. Challenge ,1976 The Routledge International Handbook of Glocal Social Work Panagiotis Pentaris,Janet Walker,2025-08-25 Global challenges opportunities and developing new social phenomena have always had an impact on and change the circumstances under which social work is practised Whilst social work can take many local forms it is also a global profession which strives to advance the causes of vulnerable and marginalised people with the aim of promoting human rights and social justice In recent years the increasing impact on social work of global processes changes and challenges has emerged This has led to increased diversity of individual community and citizen identities experiences and needs but also plurality of all these factors As a result needs have diversified even further and pose more and serious challenges that social work needs to respond to The Routledge International Handbook of Glocal Social Work emphasises

glocal social work defined as the constant interplay between global issues and their local relevance and between transnational topics and practice and their local application Chapters highlight glocal social work as interwoven with an awareness of the impact of multiple structural transformations at a global level and highlight the structural mechanisms which reproduce global local inequalities and human rights and social justice aspects of sustainability It also demonstrates the importance of interdisciplinarity in glocal social work as collective responsibility with multidisciplinary multi stakeholder engagement approaches This book is divided into four parts Foundations and perspectives Local responses to global phenomena Preparing social workers for global local engagement Broader issues and future directions The range of topics discussed in this volume will enrich our understanding of and capacities in exploring the contextualisation of global phenomena and the dissemination of local learning onto global thinking This volume is a helpful reference to social work practitioners professionals in social care and welfare services social work students academics and researchers in an attempt to continuously explore new ways to respond to the challenges that glocalisation is revealing [HUD Challenge](#) ,1976

**Multiculturalism and Immigration in Canada** Elspeth Cameron,2004 Multiculturalism in Canada offers a solid introduction to the history and development of the ideology of multiculturalism in Canada This ideology which has become the primary designator of Canadian society began in the early 1970s when vocal elements in the population who were neither English nor French strongly responded to the investigations of the Committee on Bilingualism and Biculturalism Given Canada s early racist tendencies the establishment of multiculturalism was a remarkable shift in public thinking Many issues associated with immigration have arisen in the public debates around multiculturalism Some people are convinced that it is a pernicious ideology that enforces the ghettoisation of those different from the mainstream Others see dangers in the way some aspects of multiculturalism are merely tokens of an all inclusive society Still others contend that the voices of ethnicities aside from those of the two charter groups English and French are scarcely heard and that worse those marginalised voices are appropriated by mainstream writers On the whole however Canadians especially younger Canadians welcome a liberal outlook that is inclusive of a wide variety of ethnicities For them and for many immigrants Canada is a society that is multiple and layered one rich in meaning They tend to see Canada as a microcosm of the larger world one that presents a useful model of tolerance for the world at large Increasingly marginalised new Canadians are excelling in the arts communities telling all Canadians what various aspects of the culture shock of transplantation feels like This book includes a representative sample of their works [Encyclopedia of Canadian Social Work](#) Francis J. Turner,2005-09-07 Annotation Covers over 500 topics important to Canadian social work Written by a highly diverse group of experts and covering all aspects of the field nation wide [Canadian Books in Print](#) ,2003 [Changing Perspectives on the Social Sciences in Ghana](#) Samuel Agyei-Mensah,Joseph Atsu Ayee,Abena D. Oduro,2014-05-08 This book is the first compilation of its kind that brings together discussions of the evolution of scholarship in different branches of the Social Sciences It presents a

comprehensive multi disciplinary text exploring the changing dynamics of the Social Sciences in Ghana offering a broader perspective from which to view the evolution theory methods substance and relevance of each of the Social Science disciplines and their multiple interfaces The introduction and the conclusion are devoted to the theoretical comparative and empirical debate over the Social Sciences from historical and analytical perspectives Written by acknowledged experts the 15 chapters span the following disciplines Archaeology and Heritage Studies History Geography Psychology Sociology and Anthropology Social Work Economics Political Science International Affairs Information Studies Communication Studies African Studies Development Studies Women s and Gender Studies and Adult and Continuing Education Changing Perspectives on the Social Sciences in Ghana offers sophisticated perspectives for comparing and appreciating the synergies differences trends and nuances among and between the Social Science disciplines in Ghana in a holistic and scholarly manner
