

Chapter 23

THE SOCIAL-PSYCHOLOGY OF RELIGION

Using scientific methodologies to understand religion.

Joel Anderson

University of Geneva, Switzerland

ABSTRACT. Religion plays a vital role in the formation of communities and the interaction of cultures, yet is largely ignored in psychological texts. Contemporary religious trends across the globe are rapidly changing. For example, less people are adhering to traditional forms of religious practice. Atheism and secular beliefs are becoming increasingly common and valid, and acts of terror are commonly perceived as motivated by religion. This chapter discusses the operationalization of religion as a variable in scientific research (i.e., religious affiliation vs. use of religion in daily life) before discussing how this operationalization impacts our existing understanding of the relationship between religion and intra- (e.g., coping, personal decision making) and inter-personal (e.g., attitudes and behaviours towards outgroup members) psychological processes. The chapter closes with a discussion of challenges for the future of this field and recommendations for the measurement of this complex variable.

Keywords: (religion, religious, religiosity, spirituality, religious fundamentalism, theistic)

1. INTRODUCTION

The psychology of religion comprises the use of scientific methods to understand the effects of religious traditions, practices, and beliefs on religious and non-religious individuals from a psychological perspective. In the specific case of social psychology, understanding the effects of religion on beliefs and behaviours is paramount given the pivotal function that religion plays in the formation, functioning, and interactions of societies (Durkheim, 1965/1915). This chapter has two broad aims: to discuss methods of operationalizing religion for use in social psychological research, and then to discuss the implications of these operationalizations by reviewing trends resulting from their use in the existing literature. Before approaching these aims, I will first give a brief overview of the history and purposes of the psychology of religion. After addressing the central aims of this chapter, I will close by discussing future challenges to the field and presenting a discourse on implications for the future of this important sub-discipline of social psychology.

1.1 The History of the Psychology of Religion

The trajectory of scientific investigations into religion has oscillated across the years from being considered a core research variable with profound societal implications, to being effectively ignored by mainstream psychology (for reviews, see Emmons & Paloutzian, 2003; Gorsuch, 1988). Indeed, much of the theoretical and empirical work in the early days of social psychology (e.g., Hall 1904, 1917; James 1902; 1907; Starbuck, 1899) was motivated by an innate drive, almost an obligation, of researchers of the time to understand psychological aspects related to religion (see Wulff, 1998). The psychoanalytic zeitgeist of the decades following the 1920's saw many theoretical contributions to the broader field of psychology, which often encompassed religion (e.g., Adler, 1925; Freud 1927; Jung, 1938, etc). This acted as a catalyst for hypothetical and speculative frameworks on the on the topic, but did little to further related empirically based understandings of religion.

Social Psychology Of Religion

Hill, Bernard Spilka**

Social Psychology Of Religion:

The Social Psychology of Religion (Psychology Revivals) Michael Argyle, Benjamin Beit-Hallahmi, 2013-11-26
Originally published in 1975 this book is a completely rewritten revised version of Michael Argyle's standard work *Religious Behaviour* first published in 1958. A great deal of new research had appeared since that date which threw new light on the nature and origins of religious behaviour, beliefs and experience. Trends in religious activity in Britain and the United States since 1900 and the state of religion in these two countries at the time are examined. Evidence is presented on the origins of religious activity including the effects of stress, drugs, meditation, evangelistic meetings, personality variables and social class. Other studies examine the effects of religion for example on mental and physical health, political attitudes, racial prejudice, sexual behaviour, morals and the relation between religion and scientific and other achievements. The findings are used to test the main theories about religion which have been put forward by psychologists and other social scientists such as Freud's father projection theory, cognitive need theories and deprivation compensation theories.

The Social Psychology of Religion Michael Argyle, 2008-06-01
Michael Argyle throws light on the nature and origins of religious behaviour, beliefs and experience, testing social scientists' pronouncements such as Freud's father projections theory. Published by PFD, jacket design by Jason Jermaine Morgan.

Religion, Personality, and Social Behavior Vassilis Saroglou, 2013-07-24
Psychological interest in religion in terms of both theory and empirical research has been constant since the beginning of psychology. However, since the beginning of the 21st Century, partially due to important social and political events and developments, interest in religion within personality and social psychology has increased. This volume reviews the accumulated research and theory on the major aspects of personality and social psychology as applied to religion. It provides a high quality integrative, systematic and rigorous review of that work with a focus on topics that are both central in personality and social psychology and have allowed for the accumulation of solid and replicated and not impressionist knowledge on religion. The contributors are renowned researchers in the field who offer an international perspective that is both illuminating yet neutral with respect to religion. The volume's primary audience are academics, researchers and advanced students in social psychology, but it will also interest those in sociology, political sciences and anthropology.

The Social Psychology of Religion Michael Argyle, 1958

The Psychology of Religion Ralph W. Hood, Jr., Peter C. Hill, Bernard Spilka, 2018-07-23
Keeping up with the rapidly growing research base, the leading graduate level psychology of religion text is now in a fully updated fifth edition. It takes a balanced, empirically driven approach to understanding the role of religion in individual functioning and social behavior. Integrating research on numerous different faith traditions, the book addresses the quest for meaning, links between religion and biology, religious thought, belief and behavior across the lifespan, experiential dimensions of religion and spirituality, the social psychology of religious organizations and connections to coping, adjustment and mental disorder. Chapter opening quotations and topical research boxes enhance the readability of this highly instructive text. New to This

Edition New topics cognitive science of religion religion and violence and groups that advocate terrorist tactics The latest empirical findings including hundreds of new references Expanded discussion of atheism and varieties of nonbelief More research on religions outside the Judeo Christian tradition particularly Islam State of the art research methods including techniques for assessing neurological states *Advances in the Psychology of Religion* Laurence Binet Brown,1985 *The Mystery of Religion* Everett Dean Martin,1924 *Psychology and Religion* Michael Argyle,2005-10-25 Michael Argyle s new book is an introduction to the psychology of religion from one of the world s most famous experimental psychologists On Losing the Soul Richard K. Fenn,1995-01-01 This book introduces the notion of the soul and explores some of the indications causes and consequences for its being missing especially in discussions of individuality *The Development of Religion* Irving King,1910 **A Social Cognition Perspective of the Psychology of Religion** Luke Galen,2023-06-15 An exploration of how psychological mechanisms produce intuitions beliefs behaviors and experiences that are misattributed as being unique outcomes of religious or spiritual influences Written from a social psychology perspective this book proposes that religious and spiritual content represent one possible interpretation of the output of processes that also produce and govern nonreligious content In looking at why people believe in God and why belief in God is often linked with a range of positive outcomes such as prosociality morality health and happiness the author uses a critical lens that challenges past theories of religion s functions and adds new perspectives into a discipline that is often limited by an exclusive focus on evolutionary theory This book features several cross cutting themes including dual process theory and an exploration of how various social cognition mechanisms and biases can channel or shape religious content and provides a continuous through line linking the underlying building blocks of thought as studied in the cognitive sciences of religion CSR to specific religious and spiritual concepts using a social cognition lens *Religion and the Individual* Charles Daniel Batson,Patricia Schoenrade,W. Larry Ventis,1993 In a thoroughly revised edition of this popular text the authors use methods of social psychology to explore the personal rather than the institutional perspective of religious experience and to describe and analyze this uniquely human and universal behavior in scientific terms A new chapter has been included on individual development and personal religion and there is a new section on music and language as facilitators of religious experience Also the authors present the latest version of their three dimensional model for assessing personal religion as a means end and quest and include clarification and evaluation of that model in light of criticisms of earlier versions Nearly 100 studies done during the last decade have been added to the analysis of the relation between personal religion and mental health and recent evidence has been included to expand the discussion of the social consequences of personal religion This fascinating controversial work will challenge and enlighten students of psychology sociology and religious studies Imperialistic Religion and the Religion of Democracy William Adams Brown,1923 **Toward an Empirically Grounded Social Psychology of Religion** Mark W. Weigand,1980 The Development of Religion Irving King,1910 Social Psychology of

Religion Albert Bruce Curry,1922 **Responses to Religion** Gary Michael Maranell,1974 The Social Psychology of Everyday Life Michael Argyle,2013-04-15 Is psychology good for our health What is the effect of class on social behaviour In this comprehensive and fully up to date account of the psychology of everyday life Michael Argyle looks at the most interesting and practically important areas of social psychology He takes social psychology out of the laboratory into real life settings and helps us to understand the world in which we live He covers many of the pressing concerns of the day conflict and aggression racial prejudice social class relationships health happiness and emphasises the practical applications of social psychology A Consideration of Prayer from the Standpoint of Social Psychology Anna Louise Strong,1908 **The Development of Religion** Irving King,2007

Social Psychology Of Religion Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Social Psychology Of Religion PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal

growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Social Psychology Of Religion PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Social Psychology Of Religion free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Social Psychology Of Religion Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Social Psychology Of Religion is one of the best book in our library for free trial. We provide copy of Social Psychology Of Religion in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Social Psychology Of Religion. Where to download Social Psychology Of Religion online for free? Are you looking for Social Psychology Of Religion PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Social Psychology Of Religion. This

method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Social Psychology Of Religion are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Social Psychology Of Religion. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Social Psychology Of Religion To get started finding Social Psychology Of Religion, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Social Psychology Of Religion So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Social Psychology Of Religion. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Social Psychology Of Religion, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Social Psychology Of Religion is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Social Psychology Of Religion is universally compatible with any devices to read.
