The book is based on two research projects on emergency intervention which were carried out by the author and her colleagues The studies provide the basis for the three themes in the book Inter agency Working Perceptions of Safety and Placement and Resource Issues The combination of quantitative and qualitative research allows a detailed picture of practice that goes beyond an account of what happens to explore the perceptions understandings and experiences of the practitioners who make these decisions as social workers police officers magistrates legal advisers or magistrates and of the lawyers who advise social workers and parents The book provides a critical account of current practice in emergency child protection it identifies good practice and make proposals for reform *Research for Action* Robert J. Chaskin, Jona M. Rosenfeld, 2008 Across the social welfare and human services fields interest is growing in how to apply research to influence policy and practice simultaneously with globalization s advance it is clearer than ever that an international perspective is vital in understanding how social political and institutional contexts affect research and dissemination practices This volume with contributions from an array of eminent researchers and practitioners provides valuable insight into effective research practice and the factors involved in putting research findings to use Leading with experience narratives of six child welfare case studies from the UK Ireland Israel South Africa and the US the book frames

those cases in the context of relevant literatures to build up a cross case analysis that distills lessons throws enduring questions into relief and lays a foundation for informing future practice It mines the cross national experience to develop perspective for a better understanding of the importance of different policy and cultural environments while nonetheless emphasizing issues that are applicable across borders The ground prepared by the case studies allows the volume to tease out themes and lessons placing the empirical findings against relevant theoretical frameworks and developing guidelines for improving research practice in this arena Researchers policymakers practitioners and advocates concerned with promoting effective policy and practice will find this book a vital aid in understanding how to apply knowledge to the real world and bring about in ways that can inform and contribute to social change
