**J. Brannen,P. Moss,A. Mooney**

## **Social Solidarities Theories Identities And Social Change:**

**Social Solidarities** Graham Crow, 2002 This book explores how people strive to come together act as a unified force It considers arguments of those who claim solidarity is increasingly fragile of those concerned with revitalising solidarities in our unsettled societies

**Making Sense of Social Movements** Nick Crossley, 2002-01-16 effectively demonstrates the enduring importance of classical social movement theory and provides a cutting edge critical review of recent theoretical developments This is one of the most important general theoretical texts on social movements for some years Paul Bagguley University of Leeds Why and how do social movements emerge In which ways are social movements analysed Can our understanding be enhanced by new perspectives Making Sense of Social Movements offers a clear and comprehensive overview of the key sociological approaches to the study of social movements The author argues that each of these approaches makes an important contribution to our understanding of social movements but that none is adequate on its own In response he argues for a new approach which draws together key insights within the solid foundations of Pierre Bourdieu's social theory of practice This new approach transcends the barriers which still often divide European and North American perspectives of social movements and also those which divide recent approaches from the older collective behaviour approach The result is a theoretical framework which is uniquely equipped for the demands of modern social movement analysis The clear and concise style of the text as well as its neat summaries of key concepts and approaches will make this book invaluable for undergraduate courses It will also be an essential reference for researchers

Families, Violence And Social Change McKie, Linda, 2005-03-01 This comprehensive analysis on abuse committed in the home provides insights at both the micro and macro levels The book combines legal and social science approaches in a way that makes it essential reading for anyone studying or working on violence related issues Kev t Nousiainen University of Helsinki Johanna Niemi Kiesil inen University of Ume and Anu Pylkk nen University of Helsinki This excellent book offers a timely intervention into debates about violence Whilst most debates still focus on the spectacular rather than mundane forms of violence Linda McKie uses a synthesis of legal sociological and feminist research to show how current debates fail to deal with the violence that underpins our lives Prof Beverley Skeggs University of London An exciting new addition to the series this book tackles assumptions surrounding the family as a changing institution and supposed haven from the public sphere of life It considers families and social change in terms of concepts of power inequality gender generations sexuality and ethnicity Some commentators suggest the family is threatened by increasing economic and social uncertainties and an enhanced focus upon the individual This book provides a resume of these debates as well as a critical review of the theories of family and social change Charts social and economic changes and their impact on the family Considers the prevalence and nature of abuse within families Explores the relationship between social theory families and changing issues in familial relationships Develops a theory of social change and families through a critical and pragmatic stance Key reading for undergraduate

students of sociology reading courses such as family gender health criminology and social change

**Education, Work and Social Change in Britain's Former Coalfield Communities** Robin Simmons, Kat Simpson, 2022-10-17 This edited book presents a range of chapters written by new and established authors drawing on a range of different perspectives and traditions to critically analyse education work and social change in the former coalfields Historically coal was one of Britain's major industries employing over a million men at its peak But mining was more than an occupation it was a way of life for those living and working in coalfield communities Work leisure family relations and other dimensions of social life were centred upon the coal industry and its related institutions such as trade unions working men's clubs and welfare institutes These communities have however undergone significant social and economic change over time not least in terms of the pain and suffering associated with the Great Strike of 1984-85 the successive waves of pit closures which took place thereafter and the eventual demise of the coal industry The book will be of interest to academics drawing on sociology social policy history geography and other subject disciplines

**Knowing Otherwise** Alexis Shotwell, 2011 Draws on philosophers political theorists activists and poets to explain how unspoken and unspeakable knowledge is important to racial and gender formation offers a usable conception of implicit understanding Provided by publishers

*Advances in Biographical Methods* Maggie O'Neill, Brian Roberts, Andrew Sparkes, 2014-12-05 Rooted in a long and diverse genealogy biographical approaches have developed from a focus upon a single story a life story and personal documents e.g. diaries to encompass more routinely autobiographical secondary and archival research and analysis as well as multi-media arts based creative multi-sensory methods Biographical Research and practices as part of human understanding helps people to make sense of what has been and what is happening in their lives cultures communities and societies *Advances in Biographical Methods: Creative Applications* takes up these themes theorising doing and applying current advances in biographical methods It demonstrates the momentum with which they are developing as a field of scholarship especially in relation to creative innovations and applications such as in new forms of interview and other practices and debates on its interlinking with art performance and digital methods

**Securing Respect** Andrew Millie, 2009-04-15 *Securing respect* contains essays from leading academics in the field that consider the origins current interpretations and possible future for the Respect Agenda It explores various policy and theoretical discourses relating to respect behavioural expectations and anti-social behaviour

**IBSS: Sociology: 2002 Vol.52** Compiled by the British Library of Political and Economic Science, 2004-03-01 First published in 1952 the *International Bibliography of the Social Sciences* anthropology economics political science and sociology is well established as a major bibliographic reference for students researchers and librarians in the social sciences worldwide Key features Authority Rigorous standards are applied to make the IBSS the most authoritative selective bibliography ever produced Articles and books are selected on merit by some of the world's most expert librarians and academics Breadth today the IBSS covers over 2000 journals more than any other comparable resource The latest monograph publications are

also included International Coverage the IBSS reviews scholarship published in over 30 languages including publications from Eastern Europe and the developing world User friendly organization all non English titles are word sections Extensive author subject and place name indexes are provided in both English and French Place your standing order now for the 2002 volumes of the the IBSS Anthropology 2002 Vol 48 December 2003 234x156 Hb 0 415 32634 6 195 00 Economics 2002 Vol 51 December 2003 234x156 Hb 0 415 32635 4 195 00 Political Science 2002 Vol 51 December 2003 234x156 Hb 0 415 32636 2 195 00 Sociology 2002 Vol 52 December 2003 234x156 Hb 0 415 32637 0 195 00     Perspectives on Marital Dissolution Sharon Ee Ling Quah,2015-05-08 This book presents a sociological account on marital dissolution that engages and extends theorisations on individualisation and the contemporary organisation of personal relationships to discuss how the experience of divorce might not be all debilitating but on the contrary could provide opportunities for productivity self responsibility and relationship formation Using Singaporean divorcees narrative accounts the book explores how divorcees shape and construct what the author refers to as a divorce biography to end their unsatisfying marriages cope with the crisis negotiate the associated risks organise post divorce personal communities and make future plans It uncovers how divorcees navigate their divorce biographies within the economic policy and social context they are located in and examines the conditions that facilitate or hinder the pursuit of productivity in different facets of their post divorce lives Far from a standard story of divorce this book presents the diversity and complexity of Singaporean divorce biographies The research challenges negative discourses associated with divorce and offers a more nuanced perspective by discussing both the precarious and productive aspects of the experience More importantly it provides a critical discussion on the limited definition of family prevalent in Singaporean society and shows how post divorce family life and practices continue to thrive despite the rupture of marriage     *Sociology* James Fulcher,John Scott,2011-03-17 Sociology is relevant to current teaching and courses dealing with sociology as a living subject and incorporating the classic traditions of the discipline This new edition has been updated with a range of new case studies and additional chapters     *Handbook of Post-Western Sociology: From East Asia to Europe* ,2023-04-03 Beyond hegemonic thoughts the Post Western sociology enables a new dialogue between East Asia China Japan Korea and Europe on common and local knowledge to consider theoretical continuities and discontinuities to develop transnational methodological spaces and co produce creolized concepts With this new paradigm in social sciences we introduce the multiplication of epistemic autonomies vis vis Western hegemony and new theoretical assemblages between East Asia and European sociologies From this ecology of knowledge this groundbreaking contribution is to coproduce a post Western space in a cross pollination process where Western and non Western knowledge do interact articulated through cosmovisions as well as to coproduce transnational fieldwork practices     *Globalization and Everyday Life* Larry Ray,2007-08-07 This book explains the meanings of globalization as a concept discussing the key debates and pointing towards new ways of understanding the process as a whole     **Restitution and the Politics of Repair** Magdalena

Zolkos,2020-09-21 Analyses the social imaginary of undoing repair and return underpinning the international norm of restitution making Approaches restitution not just as a legal norm of property return but as a social imaginary and a cultural psychoanalytic scene of undoing repair and return Brings together philosophic political socio legal and cultural psychoanalytic approaches to the study of restitution Outlines a heterogeneous and multifaceted idea of restitution emergent in modernity and looks at the peripheries of the modern restitutive tradition in the search for alternatives and counter traditions This book takes a unique approach grounded in political and cultural discourse to develop a political theory of restitution Challenging assumptions about restitution in the Western legal and political tradition where it has become nearly synonymous with reacquisition and where legal studies focus on material objects and claims to their ownership Zolkos argues that the development of restitutive norms has been auxiliary to the emergence of modern state sovereignty and excavates the restitutive tradition s mythical religious substrate Bringing together texts from within and outwith the Western canon of political theory and philosophy including the writings of Grotius Durkheim Freud and Klein as well as Mary Shelley s Frankenstein the book undertakes a dual task reading literary texts as a political theorising of restitution and reading political or sociological texts as literary narratives with distinctive restitutive tropes of repair undoing and return **A**

**Sociological Approach to Health Determinants** Toni Schofield,2015-02-03 A Sociological Approach to Health Determinants investigates how the social works in determining health and health inequity Taking a global perspective the book shines a light on how experiences of health illness and health care are shaped by a variety of complex social dynamics Informed primarily by sociology the book engages with the WHO s social determinants of health approach and draws on contributions from history political economy and policy analysis to examine issues such as class gender ethnicity and indigeneity and the impact they have on health A Sociological Approach to Health Determinants is a comprehensive resource that provides a new perspective on the influence of social structures on health and how our understanding of the social can ensure improved health outcomes for people all over the globe **Place, Diversity and Solidarity** Stijn Oosterlynck,Nick

Schuermans, Maarten Loopmans,2017-05-08 In many countries particularly in the Global North established forms of solidarity within communities are said to be challenged by the increasing ethnic and cultural diversity of the population Against the backdrop of renewed geopolitical tensions which inflate and exploit ethno cultural rather than political economic cleavages concerns are raised that ethnic and cultural diversity challenge both the formal mechanisms of redistribution and informal acts of charity reciprocity and support which underpin common notions of community This book focuses on the innovative forms of solidarity that develop around the joint appropriation and the envisaged common future of specific places Drawing on examples from schools streets community centres workplaces churches housing projects and sporting projects it provides an alternative research agenda from the loss of community narrative It reflects on the different spatiotemporal frames in which solidarities are nurtured the connections forged between solidarity and citizenship and the role of interventions by

professionals to nurture solidarity in diversity This timely and original work will be essential reading for those working in human geography sociology ethnic studies social work urban studies political studies and cultural studies     Key Concepts in Family Studies Jane Ribbens McCarthy, Rosalind Edwards, 2010-12-10 This is a thoughtful and sometimes challenging elaboration of some of the key concepts in contemporary family studies Students and researchers will want to have this book close to hand not simply as a reference work but as a stimulus to critical social analysis David H J Morgan University of Manchester Written in an intelligent engaging and accessible manner by two leading and highly respected family scholars whose contributions to the field over the past two decades have been path breaking This is an important resource for students and professionals studying and working in the field of family studies within and across the disciplines of sociology social policy social work health studies education and gender studies Andrea Doucet Carleton University This book s individual entries introduce explain and contextualise key topics within the study of family lives Definitions summaries and key words are developed throughout with careful cross referencing allowing students to move effortlessly between core ideas and themes Each entry provides Clear definitions Lucid accounts of key issues Up to date suggestions for further reading Informative cross referencin Relevant focused and accessible this book will provide students with an indispensable guide to the central concepts of family studies     Working and Caring over the Twentieth Century J. Brannen, P. Moss, A. Mooney, 2004-09-06 Increased longevity and better health are changing the nature of family life In the context of changes in the world of work increased divorce and a declining welfare state multi generation or beanpole families are a potential resource for family support Focusing on four generation families and the two central careers of the life course employment and care Working and Caring Over the Twentieth Century explores this question Based upon new research that employed biographical methods it maps in detail from 1910 to the late 1990s the lives of men and women as great grandparents grandparents and parents The book provides unique insights into processes of change and continuity in family lives and the ways in which different generations of men and women make sense of their lives     **A Handbook of Comparative Social Policy, Second Edition** Patricia Kennett, 2013-01-01 This extensively revised edition of A Handbook of Comparative Social Policy provides up to date and valuable insights on key concepts and issues such as globalization crime diversity housing child poverty gender inequality and social policy regimes To write about these topics editor Patricia Kennett has gathered an excellent team of researchers who deal with both the developing and the advanced industrial world Students of comparative social policy would benefit from engaging with this illuminating Handbook Daniel B land Johnson Shoyama Graduate School of Public Policy Canada The current context of social policy is one in which many of the old certainties of the past have been eroded The predominantly inward looking domestic preoccupation of social policy has made way for a more integrated international and outward approach to analysis which looks beyond the boundaries of the state It is in this context that this Handbook brings together the work of key commentators in the field of comparative analysis in order to provide

comprehensive coverage of contemporary debates and issues in cross national social policy research Organized around five themes this thoroughly revised and updated second edition explores the contextual conceptual analytical and processual aspects of undertaking comparative social research The contributions highlight specific areas of comparative social policy including child poverty and well being patterns of housing provision and housing inequalities and social protection in East Asia as well as crime and criminology in a global context The authors of the Handbook explore continuing and emerging themes as well as issues which are of particular relevance to understanding the contemporary social world International in scope this authoritative Handbook presents original cutting edge research from leading specialists and will become an indispensable source of reference for anyone interested in comparative and international social research It will also prove a valuable study aid for undergraduate and postgraduate students from a range of disciplines including social policy sociology politics urban studies and public policy

**Participation, Marginalization and Welfare Services** Aila-Leena

Matthies,Lars Uggerhøj,2016-05-13 Current debates around participation and marginalization dominate the agenda of many European political forums There is an increasing concern about the stability of social cohesion and a growing number of particular groups of people who are regarded as being at risk of being socially excluded or marginalized This volume goes beyond the surface of public discussions to look at the central role played by welfare services in European societies in either strengthening or hindering participatory citizenship and democracy In current discussions welfare services understood in a broad sense are centrally positioned there are high expectations that welfare services can hinder marginalization and enable participation Yet marginalization is in most cases rooted in the deeper structures of society with economy participation and involvement dependent on political or highly personal factors which are beyond the scope of welfare services This groundbreaking volume posits that participation and marginalization are twin concepts expressing opposing sides of one and the same processes faced by individuals and communities It will be essential reading for social workers sociologists and policy makers throughout Europe

**The Decent Society** Pamela Abbott,Claire Wallace,Roger Sapsford,2016-04-14 The search for the Decent Society a fit place in which to live has informed policy at both governmental and international level This book analyses its nature and devises a consistent way of measuring the concept world wide on the basis of a coherent theory of agency within social structure Influenced by classical sociology and by the economist Amartya Sen the book posits that societies need to create a economic security b social cohesion c social inclusion and d the conditions for empowerment The model is interactive and recursive each component provides the requirements for each of the others This book outlines the sociopolitical framework underlying the Decent Society and summarises a decade of research some of which has had a formative impact on governments policies The first half contains studies of social quality based on surveys in the former Soviet Union and sub Saharan Africa while the second half describes the construction of a Decent Society Index for comparing very different countries across the world This book and the index it develops will be of interest both to academics

and researchers in sociology politics economics psychology social policy and development studies and to policy makers in government local government and the NGOs
